6 EXPLANATION OF CORRECTION The original report (Type:30th day before election) mistakenly used an inaccurate ending date of 2/7/06 for the period covered. The correct ending date was 1/26/06. Therefore, the original report inaccurately included political contributions, expenditures and loans outside the period covered. The attached sheets from the original report reflect the items deleted by this correction affidavit. A new 2-page notarized cover sheet for the 30th day report is also included accurately reflecting the correct period ending date; reporting the corrected contribution/expenditure totals and contribution balance on the last day of that reporting period; and removing the loan originally reported to be included on the next reporting period.
