

Preliminary List of Park and Land Conservation Projects for the proposed 2011 Bond Referendum

Park Land

EASTERN CREEK GREENWAYS - \$15,000,000

Purchase parkland along eastern creeks to develop greenway parks for recreation, managing stormwater and protecting water resources, scenic views, bottomland woods, grasslands, wetlands, and wildlife habitat.

TIMBER CREEK ALLOTMENT - \$2,500,000

Complete acquisition of flood prone properties located in the US Army Corps of Engineers project area. Any remaining funds would be used to purchase other flood prone properties in the Onion Creek floodway within the Timber Creek neighborhood.

PEDERNALES RIVER CORRIDOR - \$20,000,000

Purchase parkland along the Pedernales River to develop river corridor parks for recreation and protecting water resources, scenic views, springs, canyon grottoes, upland areas, and wildlife habitat.

Park Improvements

ONION CREEK GREENWAY IMPROVEMENTS - \$12,000,000

Design and construct approximately 5 miles of hike and bike trails, secondary trails, trailhead facilities and restrooms, playgrounds, and group activity areas; restore bottomland woods, grasslands, wetlands, and wildlife habitat. Note: the feasibility of a Farmers Market as a "group activity area" is being studied.

ARKANSAS BEND AND DINK PEARSON PARK IMPROVEMENTS - \$8,500,000

Design and construct day use facilities, boat launch, campground, entrance station, and maintenance yard at Arkansas Bend Park; improve boat ramp and related facilities at Dink Pearson Park.

NORTHEAST METRO PARK SOUTH ENTRANCE IMPROVEMENTS - \$3,200,000

Design and construct road and bridge for the second entrance to the park.

NORTHEAST METRO PARK PHASE 4 IMPROVEMENTS - \$3,000,000

Design and construct interior road, parking, multi-use fields, restroom, BMX racetrack, and related amenities.

MISCELLANEOUS PARK IMPROVEMENTS - \$2,200,000

Repair aging infrastructure and build new amenities as required to support programmed activities.

Land Conservation

LAND CONSERVATION - \$7,500,000

Purchase conservation easements in partnership with the USDA and landowners to protect water resources, working farms and ranches, wildlife habitat, and scenic views and to help manage growth in Travis County.

Total Park and Land Conservation Projects - \$73,900,00
