Resolution

DECLARING THE MONTH OF NOVEMBER 2010 AS "PANCREATIC CANCER AWARENESS MONTH" IN TRAVIS COUNTY

WHEREAS, in 2010, an estimated 43,140 people will be diagnosed with pancreatic cancer in the United States and 36,800 will die from the disease;

WHEREAS, pancreatic cancer is one of the deadliest cancers and is the fourth leading cause of cancer death in the United States;

WHEREAS, when symptoms of pancreatic cancer present themselves, it is usually too late for an optimistic prognosis, and 75 percent of pancreatic cancer patients die within the first year of their diagnosis while 94 percent of pancreatic cancer patients die within the first five years;

WHEREAS, incidence of pancreatic cancer is approximately 50 percent higher in African Americans than in other ethnic groups;

WHEREAS, approximately 2,200 deaths will occur in Texas in 2010;

WHEREAS, there is no cure for pancreatic cancer and there have been no significant improvements in survival rates in the last 40 years;

WHEREAS, the Federal Government invests significantly less money in pancreatic cancer research than it does in any of the other leading cancer killers; and pancreatic cancer research constitutes only 2 percent of the National Cancer Institute's federal research funding, a figure far too low given the severity of the disease, its mortality rate, and how little is known about how to arrest it;

WHEREAS, the Pancreatic Cancer Action Network is the first and only national patient advocacy organization that serves the pancreatic cancer community in Travis County and nationwide by focusing its efforts on public policy, research funding, patient services, and public awareness and education related to developing effective treatments and a cure for pancreatic cancer;

WHEREAS, the Pancreatic Cancer Action Network and its affiliates in Travis County support those patients currently battling pancreatic cancer, as well as to those who have lost their lives to the disease, and are committed to nothing less than a cure;

WHEREAS, the good health and well-being of the residents of Travis County are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes, and effective treatments;

NOW THEREFORE, BE IT RESOLVED THAT WE, THE TRAVIS COUNTY COMMISSIONERS COURT, do hereby designate the month of November 2010 as PANCREATIC CANCER AWARENESS MONTH in Travis County.

Signed and entered this 2nd day of November, 2010.

MEMORANDUM

DATE:	October 13, 2010
TO:	Members of the Commissioners' Court
THROUGH:	Joseph P. Gieselman, TNR Executive Manager
FROM:	Stacey Scheffel, CFM, Floodplain Manager 55
SUBJECT:	Notify Court of satisfactory construction of the private street in the Coves at Sk Ranch and approve the release of the fiscal for the subdivision, in Precinct Three.

Summary and TNR Staff Recommendation:

The Coves at Sky Ranch was recorded on May 25, 2010. This subdivision has one lot fronting on Pace Bend Road, 13 lots other residential lots, one private street lot, and one private park lot. All items required for Approval of Construction have been received, including the documents showing that the Coves at Sky Ranch Home Owner's Association has the power to collect funds to maintain the private street. The Declaration of Covenants, Conditions, and Restrictions, as recorded at Doc. 2008009353 and Doc. 2010073953 in the Official Public Records of Travis County, Texas, shows that there is a body in place to take over maintenance of the private streets. Additionally, the Bylaws of the Home Owner's Association for the Coves at Sky Ranch, Inc. are recorded at Doc. 2010073936 in the Official Public Records of Travis County, Texas.

According to Standards for Construction of Streets and Drainage in Subdivisions [§82.401(c)(2)] adopted by Travis County Commissioner's Court August 28, 1997, the Executive Manager will notify the Commissioners Court of the satisfactory construction of private improvements. Upon approval of the private improvements, the Executive Manager will release the security for the private improvements as posted by a Cash Security Agreement. TNR recommends approval of this item.

Budgetary and Fiscal Impacts:

There are no budgetary impacts. Fiscal for the private street subdivisions will be released.

Issues and Opportunities:

This allows that not only is the private street subdivision built to public street standards, but that there is a collective body in place to insure the maintenance of the streets for the residents of the subdivision. Additionally, part of the fiscal being held by Travis County is for erosion control requested by the Lower Colorado River Authority (LCRA), who has agreed to release the security held for erosion/sedimentation controls. We foresee no problems in acknowledging the completion of construction, turning the streets over to the homeowners association for maintenance, and releasing the fiscal.

District Clerk's Request:

The District Clerk's Office requests approval to increase the current salary of one Accounting Clerk in the amount of \$1,433.97. The employee is currently more than 10 percent above midpoint. The proposed increase is approximately four percent. The salary adjustment would apply to the following slot:

Subject: STAR Flight Fee Structure

On September 28, 2010 the Commissioners Court approved a contract with Advanced Data Processing (dba Intermedix) for the purposes of *STAR Flight* billing. As *STAR Flight* completes the transition from City of Austin EMS billing to Intermedix there are several billing related issues that need Commissioners Court authorization. It should be noted that the fees below are not new or increased fees. These fees has resided in the City of Austin billing structure and need to be authorized to reside with Intermedix. There is one procedural change to bundle certain service or equipment charges in order to increase reimbursements.

#1- STAR Flight Lift Off Fee:

Non-Travis County resident- \$7,500.00

Travis County resident- \$3,400.00

Proof of Travis County residency would be required to receive the Travis County rate and would include driver's license, tax receipt, proof of living at a Travis County address or voter registration card.

#2- STAR Flight Mileage Fee:

\$85.00 per loaded mile

#3- STAR Flight Ground Ambulance Base Fee:

\$990.00

This is when the *STAR Flight* ambulance is used on rare occasions. This charge is equal to the current Travis County ground ALS rate.

Updated 10/29/2010, 9:50 a.m. #4- *STAR Flight* Ground Ambulance Mileage Fee:

\$12.50 per load mile

This charge is equal to the current Travis County ground ALS mileage rate

#5- STAR Flight Substantial Treatment at Scene (no transport) Fee:

\$1,500.00

Would be used for ALS treatment at scene with no transport, example would include cardiac arrest resuscitation with on scene pronouncement of patient.

#6- Authorize Intermedix to bundle charges:

Bundling would add service or equipment charges (blood administration) to the lift off fee in order to increase reimbursement.

#7- Authorize Fee Structure for disposable medical supplies:

See attached list. *STAR Flight* anticipates including an update disposable medical supply list with their annual budget submission.

Please let me know if you have any questions or need additional information.

COMPENSATION, BILLING, AND PAYMENT

4.1 For and in consideration of the satisfactory performance of the services described in Section III and Contractor's compliance with the terms and conditions of this Contract, County shall pay Contractor a daily reimbursement for each child placed by County and receiving services from Contractor in accordance with this Contract. The amount of daily reimbursement shall be based upon the TJPC Post-Adjudication Secure Correctional Facility Level of Care provided and shall be determined based on the TJPC Post-Adjudication Secure Correctional Facility Level of Care Rates in effect at the time services are provided.

4.2 In addition to daily reimbursement as set out in Subsection 4.1, COUNTY shall reimburse CONTRACTOR for expenditures made for medical care and dental care for children placed by COUNTY if: (1) the medical care or dental care is not covered by Medicaid or other funding source, and (2) the expenditures are approved by COUNTY prior to the expenditures being made. Provided, however, that if prior approval is not possible or is impractical due to the immediate, urgent, or emergency nature of the need for medical or dental care, CONTRACTOR shall notify COUNTY of such expenditure(s) by the next working day.

4.3 Recognizing that a part of a child's rehabilitation program may include time away from the residential setting of CONTRACTOR such as weekends, holidays, etc., and that CONTRACTOR must retain space for this child until his/her return, COUNTY will pay

CONTRACTOR the applicable daily reimbursement rate contained in the Rate Schedule for such regularly scheduled days away from CONTRACTOR or its program providing they do not exceed ten (10) days at any one time.

4.4 If a child makes an unauthorized departure from CONTRACTOR'S facility, CONTRACTOR shall notify the CPO immediately. If the child returns to CONTRACTOR within ten (10) days or prior to the last billing day of the month, whichever shall occur first, and CONTRACTOR again accommodates the child upon his/her return in accordance with the terms and conditions of this Contract, then CONTRACTOR shall receive payment for those days the child was absent from CONTRACTOR'S facility, but not to exceed ten (10) days' payment. 4.6.5 the total amount being requested.

4.7 Disbursements to Persons with Outstanding Debt.

4.7.1 In accordance with Section 154.045 of the Local Government Code, if notice of indebtedness has been filed with the County Auditor or County Treasurer evidencing the indebtedness of CONTRACTOR to the State, the COUNTY or a salary fund, a warrant may not be drawn on a COUNTY fund in favor of the CONTRACTOR, or an agent or assignee of CONTRACTOR until:

4.7.1.1 the County Treasurer notifies CONTRACTOR in writing that the debt is outstanding; and

4.7.1.2 the debt is paid.

4.7.2 "Debt" includes delinquent taxes, fines, fees, and indebtedness arising from written agreements with the COUNTY.

4.7.3 COUNTY may apply any funds COUNTY owes CONTRACTOR to the outstanding balance of debt for which notice is made under section 4.8.1.1 above, if the notice includes a statement that the amount owed by the COUNTY to CONTRACTOR may be applied to reduce the outstanding debt.

4.8 **Delinquent Property Taxes**. Notwithstanding anything to the contrary herein, if the CONTRACTOR is delinquent in the payment of property taxes at the time of invoicing, the CONTRACTOR hereby assigns any payments to be made for services rendered hereunder to the Travis County Tax Assessor-Collector for the payment of said delinquent taxes.

4.9 **Timely Payment**. The COUNTY shall pay CONTRACTOR within thirty (30) days after the receipt of a complete and correct invoice by the COUNTY Department. Accrual and payment of interest on overdue payments shall be governed by Chapter 2251 of the Texas Government Code.

V. RECORDS, CONFIDENTIALITY AND ACCESS

After each monitoring visit, COUNTY shall provide CONTRACTOR with a written report of the monitor's findings. If the report notes deficiencies in CONTRACTOR's performance under the terms of this contract, it shall include requirements and deadlines for the correction of those deficiencies by CONTRACTOR. CONTRACTOR shall take action specified in the monitoring report prior to the deadlines specified.

5.2 CONTRACTOR shall establish a method to ensure the confidentiality of records and other information relating to the child according to applicable federal and state law, rules and regulations, and applicable professional ethical standards. This provision shall not limit COUNTY's right of access to the child's case records or other information relating to children served under this Contract.

5.3 CONTRACTOR shall permit COUNTY to examine and evaluate its program of services provided under the terms of this Contract and to review records of any child placed by COUNTY. This examination and evaluation of the program shall include unscheduled site visitations, observation of programs in operation, interviews, and administration of questionnaires to the staff of the CONTRACTOR and the child. Consistent with Chapter 611 of the Texas Health and Safety Code, COUNTY may interview and examine the records of any psychologist(s) working with children placed by COUNTY with CONTRACTOR, and consulting with or working for CONTRACTOR.

5.5 CONTRACTOR agrees to maintain and make available for inspection, audit or reproduction by an authorized representative of either COUNTY or the State of Texas, books, documents and other evidence pertaining to the service provision, cost and expenses of this Contract, hereinafter called the "Records". As used in the preceding sentence, the term "Records" includes financial records, child care records, special treatment records, and any and all other books, documents and evidence connected with the provision of child placement, child care and special treatment services.

5.6 CONTRACTOR agrees to maintain these Records for three (3) years after final payment or until the State-approved audit has been made and all questions therefrom are resolved.

ATTACHMENT C

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Federal Executive Order 12549 requires Travis County to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors.

In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification, the contractor/potential contractor accepts the following terms:

- 1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government or Travis County may pursue available remedies, including suspension and/or debanment.
- 2. The potential contractor shall provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principle," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549.
- 4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by a federal department or agency, and/or Travis County, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract? ____YES ____NO

- 5. The potential contractor further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts "without modification, in all covered subcontracts"; and in solicitations for all covered subcontracts.
- 6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
- 7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 8. Except for contracts authorized under paragraph4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, any federal agency and/or Travis County may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Indicate in the appropriate box which statement applies to the covered contractor/potential contractor:

The contractor/potential contractor certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency, the State of Texas, or Travis County.

The contractor/potential contractor is unable to certify to one or more of the terms in this certification. In this instance, the contractor/potential contractor must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.

➢ Purchasing Recommendation and Comments: Purchasing concurs with department and recommends approval of requested action. This procurement action met the compliance requirements as outlined by the statutes. This contract is for Tiburon FACTS Court Management Services.

The Travis County FACTS maintenance contract with Tiburon Inc. includes a line item identified as a "Technical Resource Pool". This line item was used to fund needed system enhancements to the FACTS System as FACTS was rolled out to the various courts. The FACTS System is now live in all courts with the exception of four JP courts. The funding to support modifications needed to take the various courts live on FACTS is no longer required and it is the recommendation of ITS to remove the line item from the Tiburon FACTS Maintenance contract. The result of this modification will decrease the annual maintenance amount by \$300,000 per year beginning November 1, 2010.

Modification No. 11, approved by the Purchasing Agent May, 2007 was to allow for partial payments for Modification No. 7.

Modification No. 10, approved in Commissioner Court February 28, 2006, was to convert "full use" and "query only" licenses to a site license.

Modification No. 9, approved in Commissioners Court November 2, 2004, was for three additional Informix Data Base Processor Licenses.

Modifications No. 5 - 8, were for modifications and enhancements approved during FY04.

Modification 4, approved in Commissioners Court December 31, 2002, was for modifications to baseline FACTS Case Financial Docket screen and schedule extension to the FACTS Court Agreement in the amount of \$52,080.00.

Modification 3 was to facilitate the County Auditor's requirements for the FACTS accounting system to assure complete GAAP and GASB-34 compliance.

Modification 2 involved a reduction in the amount of \$25,000 due to the fact that the Auditor's Office would not need the Test Database.

Modification 1 was to add additional work, Project Change Order (PCO) # P91217-003, which provided for a detailed FACTS financial accounting functional review using a Tiburon supplied FACTS test database for Travis County.

Contract Expenditures: Within the last 12 months \$346,370.00 has been spent against this contract.
