Re: Vacation of Right-of-Way Request - .029 acres of land on Lynnbrook Drive,  
Austin, Travis County, Texas, 78748

Dear Mr. Scoggins:

Please accept this letter as our request for the Vacation of .029 acres of Right-of-Way on Lynnbrook Drive. The property appears to have at one time been for a cul-de-sac. However Lynnbrook Drive is constructed as a through street and it does not appear that a cul-de-sac would be warranted in the future. We are processing a preliminary and final plat (Case Number C8J-2011-0107, Case Manager Michael Hettenhausen) for property adjacent to Lynnbrook Drive and the having this portion of the ROW vacated would allow for a more fluid development of single family lots.

Enclosed with respect to our request you will find the following information:

1. Metes and Bounds description and sketch of the .029 acre tract.
2. Copy of the proposed Final Plat for the Reserve at Lynnbrook, a proposed subdivision in Travis County. The .029 tract is adjacent to Lots 29 and 30 on the plat.
3. Letter from Boyce Brown, Trustee of the property adjoining the .029 acre tract of ROW. Note that this is the property currently in the platting process, and is under contract for purchase by Waterloo Development, Inc.
4. Letters agreeing to the Vacation from Texas Gas Service, Austin Energy, AT&T, Time Warner, Austin Water/Wastewater, and the City of Austin (Joe Almazan for ETJ Purposes).

With this submittal we are paying the fee of \$680.00. Should you have any questions or need any additional information regarding our request, do not hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read "C Blackburn", written over a white background.

Re: Vacation of Right-Of-Way Request - .029 acre of land on Lynnbrook Drive

Dear Mr. Blackburn,

Austin Water Utility (AWU) staff has evaluated your proposed request for the vacation of the Right-Of Way associated with the property at the 2300 Block of Lynnbrook Drive and/or 0.029 acre of land out of The Walker Wilson Survey No.2, recorded in volume 3651, page 860 at the Travis County clerk's office.

An examination of existing AWU infrastructure plans indicate that we have no utilities located in the area shown by the survey sketch provided with your request.

In addition, the site was evaluated in respect to the current long term infrastructure planning needs and we found no existing utility conflicts or future plans for the section of right-of-way shown. For this reason, AWU approves the requested right-of-way vacation in terms of water and wastewater utilities.

If you have any questions regarding the response, please feel free to contact me at 512-972-0221.

Respectfully,
