The claims have been audited for eligibility and all were eligible in the period covered by the claim.

All claims over \$25,000 (4 this week totaling \$166,327.24) have been audited for data entry accuracy and the following information is correct for each claim audited: date of service, eligibility, nature of service, name of and amount billed by provider, amount billed by date and amount paid by UHC.

Fifteen percent (15%) of all claims under \$25,000 (\$162,405.30) have been audited for data entry accuracy and the following information is correct for each claim identified for this random review: date of service, eligibility, nature of service, name of and amount billed by provider, date and amount paid by UHC. Claims in this random audit met the above requirements but may qualify for more detailed analysis through other resources.

All claims have been reviewed to determine if they have exceeded the \$200,000 stop loss limit. For claims that have exceeded the limit, it has been verified that UHC has complied with the contract. This week credits for stop loss and other reimbursements totaled (\$13,113.01).

All claims submitted in this transfer have been audited to confirm accuracy of billing and legitimacy of claim under the service provisions of the health care contract and all are contractually legitimate, legally incurred and accurately billed claims.

I certify that all data listed on this recommendation for transfer of funds is correct and that the payments shown have been made solely for the purpose of health insurance claims.

Dan Mansour, Risk Manager

Cindy Purinton, Benefit Contract Administrator

^{**} Agrees to the total payments for this period per the check register received from UHC. See the final page of this period's check register attached.
