AGENDA LANGUAGE: Consider and take appropriate action on the Chimney Oaks at Lake Travis Section 1 Amended Plat of Lots 38 and 39, Block B (Amended plat - One lot - 6.314 acres - Brasada Lane - No ETJ) in Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

The property owner of lots 38 and 39 Block B of Chimney Oaks at Lake Travis Section 1 has submitted an application to combine the two existing single family lots into one single family lot. The resulting one lot will consist of 6.314 acres platted from Brasada Lane. No new public or private streets are proposed with this application. Parkland dedication or fees in lieu of dedication or fiscal surety are not required with this amended plat.

STAFF RECOMMENDATIONS:

As this amended plat application meets all Travis County subdivision standards, staff recommends approval of the amended plat.

ISSUES AND OPPORTUNITIES:

As part of the requirements for an amended plat, a notice of public hearing sign was posted on the property on March 20, 2012, announcing the date, time, and location of the public hearing (see attached photo and affidavit). As of this date, staff has received several calls from residents of Chimney Oaks who asked for more information but did not object to the plat revision.
