AGENDA LANGUAGE:

Consider and take appropriate action to revise the schedule and process for review and discussion of the draft Travis County Economic Development Policy to include a work session on May 17, 2012.

BACKGROUND/SUMMARY OF REQUEST AND ATTACHMENTS:

On April 24 2012, the Planning and Budget Office (PBO) was directed to bring the most recent draft Economic Development Policy back to the Economic Development Subcommittee for review and acceptance, prior to consideration by the entire Commissioners Court. The Court further directed that PBO next bring the draft policy back to the entire Commissioners Court for discussion on May 15, 2012.

Currently, the Commissioners Court already plans to conduct a work session on May 17, 2012, which would afford an opportunity to hold a substantive discussion on the key elements of a future economic development policy with the entire Court. The Court could then hold a public hearing as originally planned on May 29, 2012, to seek input on the draft policy and take final action at a future meeting after the public hearing.

STAFF RECOMMENDATIONS:

PBO recommends scheduling the economic development policy discussion for the Commissioners Court work session on May 17, 2012.
