

Travis County Commissioners Court Agenda Request

Meeting Date: May 22, 2012

Prepared By/Phone Number: Bonnie Floyd

Elected/Appointed Official/Dept. Head: Cyd Grimes

Commissioners Court Sponsor: Judge Biscoe

Consider and take appropriate action on recommendation to remove missing listed items from trackable inventory list, per Travis County Fixed Assets Policy Section 3.10.4, before conversion from H.T.E. to SAP.

➤ **Purchasing Recommendation and Comments:**

As part of the BEFIT project conversion of trackable items from H.T.E. to SAP, the Purchasing Agent requests that the Commissioners Court designate the attached list of items to be removed from the trackable item list, according to the Travis County Fixed Asset Policy, Section 3.10.4.

This request is the culmination of a year of due diligence activities performed to locate and determine the serviceability of these items. It is the final step in the transition from our legacy system to the new system, which will allow for increased tracking capabilities associated with the introduction of hand held scanning devices being implemented with SAP. The devices are integrated and will upload near real-time information into the system, reducing manual entry.

Although many of the items on the list have been eligible for Court consideration for the past 10 years, we have taken a very conservative approach and are bringing them forward now as the final step before conversion and only after completion of the comprehensive due diligence activities. These items have the following characteristics:

- They do not meet the capitalization threshold so there is no impact to the County's financial statements.
- The average age of the items is 18 years. Acquisition dates range from 1967 to 2004.

AGENDA REQUEST DEADLINE: All agenda requests and supporting materials must be submitted as a pdf to Cheryl Aker in the County Judge's office, Cheryl.Aker@co.travis.tx.us by Tuesdays at 5:00 p.m. for the next week's meeting.

- The items are obsolete or unserviceable and have been replaced by newer models, some through trade-ins and upgrades. Many of the radio-related items were part of a turn-in program.
- The status of many items (25%) was part of the 1991 conversion from the previous system to the County's current financial system (H.T.E.).

AGENDA REQUEST DEADLINE: All agenda requests and supporting materials must be submitted as a pdf to Cheryl Aker in the County Judge's office, Cheryl.Aker@co.travis.tx.us by **Tuesdays at 5:00 p.m.** for the next week's meeting.

Attachment: Trackable Item List
