Meeting Date: June 5, 2012
Prepared By: David Greear, P.E. Phone \#: 854-7650
Division Director/Manager: Donald W. Ward, P.E., Division Director, Road
Maintenance and Fleet Services
Department Head: Steven M. Manila, P.E., County Executive-TNR
Sponsoring Court Member: Commissioner Gomez, Precinct Four

AGENDA LANGUAGE: Consider and take appropriate action on the Transportation Plan inculded in the Mass Gathering Permit Application submitted by Circuit of the Americas (COTA) with regards to the Formula One Grand Prix to be held November 16-18, 2012 as well as related traffic regulations in Precinct Four.

## BACKGROUND/SUMMARY OF REQUEST:

COTA has submitted a transportation plan as part of the overall Mass Gathering Permit for the Formula One Grand Prix that summarizes their approach for getting 120,000 spectators to the race. The Plan includes different modes of transporation, directions and amount of traffic entering/exiting from different locations as well as the use of contra-flow lanes. County regulations will need to be approved to allow the use of contra-flow as well as restricting pedestrians, bicycists and parked vehicles from surrounding roadway right-of-ways.

## STAFF RECOMMENDATIONS:

Staff recommends approval of the proposed transportation plan as well as the related regulations.

## ISSUES AND OPPORTUNITIES:

N/A

## FISCAL IMPACT AND SOURCE OF FUNDING:

All costs for developing and implementing the Transporation Plan are borne by COTA.

## ATTACHMENTS/EXHIBITS:

## GENERAL NOTES

1. Necessary Operational Procedures
1.1. Set-up cones, vertical panels, and barnicades in accordance with Pre-Event Plan;
1.2. Set-up temporary signs;
1.3. Cover existing conflicting signs
1.4. Coordinate with all existing traffic signal owners to modify signal operations, as noted in the plans; and
1.5. At the designated time (approximately 15 minutes after event start time) transition from Pre-Event Plan to Post-Event Plan
2. Speeds shown on plans indicate design speeds for the traffic control plan
3. All traffic control signs and devices shall be placed and installed in accordance with the latest edition of the Texas Manual on Uniform Traffic Control Devices (Texas MUTCD) and TXDOT Traffic Engineering Standard Sheets for Barricad and Construction Standards. 4. Any variations to the traffic c City, and/or the County, as appropriate
4. Contractor shall provide access to all businesses and residences along roadways at all times
5. Along all facilities with operations modified to full contra-flow, contractor shall place one-way (R6-1) signs at all public streets and driveways, except those driveways serving a single-family dwelling unit.

CONTRA-FLOW AND MODIFIED ROADWAY SEGMENTS
The following assumes Keliam Road belween Elroy Road and Pearre Lane is conslucled.
FULL = all lanes operaling in one direction
PARTILL = twoway tafic with operations modifed from Iypical conditions
$\frac{\text { PreEvent }}{\text { fuLL }}$

- Pearce Lane from SH 130 SBFR to Kellam Road
- Kellam Road fom Pearre Lane to Elroy Road
partial
- FM 812 from $-500^{\prime}$ west of FM 973 N to COTA Boulevard

FM 812 from Travis County / Bastrop County line to SH 21

## Post:Event

- Pearre Lare from Kellam Road lo SH 130 NBFR
- Kellam Road from Elroy Road to Pearre Lane
- McAngus Road Irom FM 973 to Elroy Road (excluding portion serving the Taxi lol
partial
FM 812 fom CoTA Boulevard to - -500 west of FM 973 N
- FM 812 from Elroy Road to SH 21

LIMITED ACCESS ROADWAY SEGMENTS
Stutlles, Taxis, and Local Residenis Only (Pre- and Post-Event)

- Elroy Road from FM 973 to CoTA Boulevard
- McAngus Road from FM 973 to Eloy Road

Emergency, CoTA Official, and Local Residents Oniy (Pre-and Post-Event)

- Maha Loop Road from Moore Road lo Piland Triangle

## SHUTTLE REQUIREMENTS

Downtown: 36,250 people (estimated)
@ 2 people / car $=18,125$ parking spaces needed
Assumptions: 45 people/shutile
BO minutes / trip $=3$ trips in 4 hours
\# of Shuttles $=(36,250$ people $) /(45$ people $/$ shuttle $) /(3$ trips $)=269$ shuttles
Expo Center: $\quad 36,250$ people (estimated)
Assumptions: 2 people / car $=18,125$ parking spaces needed
70 minutes / trips
70 minutes $/$ trips $=3$ trips in 3.5 hours
\# of Shuttles $=(36,250$ people $) /(45$ people $/$ shuttle $) /(3$ trips $)=269$ shuttles Total: \# of Shuttles to serve 72,500 people $=269+269=\mathbf{5 3 8}$ Shuttles

## ON-SITE VEHICLE SERVICE TIME CALCULATIONS

(Service Time = Total time required to clear CoTA property, if all vehicles left simultaneously)

Assumes Kellam Road between Elroy Road and Pearce Lane is constructed
17,000 Vehicles On-Site (estimated)
$+5,000$ Other Vehicles (estimated)
22,000 Total Vehicles

## Scenario 1 ( 700 vphpl)

Travel Lane Capacity $=700$ vehicles $/$ hour $/$ lan
\# of Travel Lanes $=10$ lanes (see Sheets 4A and 5A)
System Capacity $=700$ vehicles $/$ hour $/$ lane * 10 lanes $=7,000$ vehicles / hour
Service Time $=22,000$ vehicles $/ 7,000$ vehicles $/$ hour $=3.14$ hours

## Scenario 2 ( 1,000 vphpl)

Travel Lane Capacity $=1,000$ vehicles / hour/lane
\# of Travel Lanes = 10 lanes (see Sheets 4A and 5A
System Capacity $=1,000$ vehicles $/$ hour $/$ lane * 10 lanes $=10,000$ vehicles $/$ hour
Service Time $=22.000$ vehicles $/ 10.000$ vehicles $/$ hour $=\mathbf{2 . 2 0}$ hours

## Circuit of The Americas SENSITIVE SECURITY DOCUMENT CONFIDENTIAL DOCUMENT NOT FOR PUBLIC DISCLOSURE

## Qualifications

This traffic and transportation plan is based on the needs and requests of the Circuit of The Americas (COTA). This plan is based from experiences of the security and transportation task force and the intricacies of COTA. This plan is a work in progress and will continue to develop as information becomes readily available. Public safety and emergency services are the highest priority in the development of this plan.

## Introduction

Circuit of The Americas (COTA), located in Travis County, TX, approximately 16 miles southeast of the central business district of the City of Austin, on FM Highway 812, 2 miles east of SH 130, was selected to host the 2012 United States Grand Prix. This important and prestigious United States Grand Prix racing event will occur over three days on November 16 through 18, 2012, with Sunday, November 18 having the largest expected attendance of approximately 120,000 attendees. It is important, not only for the economic impact it will bring to the region, but also for the worldwide attention this event will bring to City of Austin, Travis County, and the State of Texas.

This large event will add a significant volume of traffic to local roadways surrounding COTA as well as traffic throughout greater Austin. With the goals, objectives, and the strategies presented in this working document, we intend to meet all challenges, including: sustainability initiatives; paved parking challenges; and any inconveniences to local residents and businesses. With the help of an integral team of transportation, security and special events experts, we plan to safely and efficiently accommodate thousands of attendees using a variety of modes of transportation and proven techniques.

Recognizing the need to manage traffic flow both inside and outside of track property, COTA has commissioned Kimley-Horn and Associates, Inc. (Dallas) and Vasta \& Associates, Inc. (Chicago) to assist in this plan. .Kimley-Horn and Associates, Inc. is a traffic-engineering firm while Vasta \& Associates, Inc. is a special events company that specializes in transportation planning and implementation for large events (for background information on Kimley-Horn and Associates, Inc., see www.kimleyhorn.com and for Vasta \& Associates, see www.vasta.com). The pertinent portions of the Traffic Control Plan details have been attached here to as Exhibit A.

## Organizations Involved

```
Austin Bergstrom International Airport (ABIA)
Capital Metropolitan Transportation Authority(CapMetro)
Carlson, Brigance, & Doering Inc. (CBD)
Circuit of The Americas (COTA)
City of Austin Convention and Visitors Bureau (Austin CVB)
City of Austin (COA)
Fd2s-Wayfinding Consultants (fd2s)
Kimley-Horn and Associates, Inc. (KHA)
League of Bicycle Voters (LBV)
Texas Department of Transportation (TxDoT)
Travis County (TC)
Vasta & Associates, Inc. (VAI)
```

## Mission Statement

Ensure safe and effective transportation during the 2012 Formula One United States Grand Prix weekend event(s) for spectators, participants, media, sponsors, staff, volunteers, and special guests.

## General Overview

The staging of the 2012 United States Grand Prix presents a number of challenges that will need to be overcome. One key challenge of a successful Formula One event will be to provide safe and efficient transportation through various systems to and from a track that is located in a unique rural environment with limited roadways and access points. A variety of park \& ride operations, shuttles, and other resources and strategies will be utilized to overcome these challenges.

Due to the limitations of the existing infrastructure surrounding COTA, it will be critical to look at this plan in a series of rings that will affect traffic throughout all of greater Austin. The provided transportation plan will be based on the input and lessons learned from past Formula One Grand Prix events, special events in Austin, and other motor racing events in the United States. Developing a flexible and accurate transportation plan will also require a close examination of the how the race will impact the existing transportation network throughout Austin. In order to bring successful results to COTA, the following four major areas will need to be addressed:

1. Mobility: To establish a transportation system and services that respond to the unique needs of visitors, participants and staff with a minimum disruption to the existing travel activities and resources within the local community.

## Circuit of The Americas SENSITIVE SECURITY DOCUMENT CONFIDENTIAL DOCUMENT NOT FOR PUBLIC DISCLOSURE

2. Existing Facilities: To maximize the use of both private and public resources, such as equipment, facilities, parking lots, and vacant space or real estate.
3. Levels of Service: To balance travel demand by mode to minimize traffic delays and congestion to both visitors and residents while meeting sustainability and green initiatives. Accommodate the mass of spectators and to separately accommodate a level of VIP attendees such as Formula One officials, COTA officials, local officials, media, participants, owners, sponsors, and other stakeholders.
4. Awareness: To assure that information regarding transportation choices and services is readily available and understood by attendees, staff, vendors, media, and the local community. Develop and share the plan in a timeline as part of the vital marketing and public relations plan (PR) to coincide with the COTA's overall public relations and other agencies PR plans.

## Objectives

The four basic objectives of the security / transportation task force are:

1. To safely transport all track patrons to and from COTA with minimal disruption to local residents and businesses.
2. To transport key personnel (Fl Officials, COTA Officials, and participants), media, sponsors, support staff, and ticketed patrons in the safest and most efficient manner possible, utilizing designated routes, parking options, shuttles, car pools, event strategies, and other sustainable practices and sustainable incentives;
3. To inform and assist all local residents with their options and maintain minimal disruption to their normal traffic flow;
4. To assist the responsible traffic and law enforcement agencies to ensure a functional flow of traffic (both vehicular and pedestrian) and parking during the Formula One and any other large movements for that week.

## Airport Operations

Under development with City of Austin, Department of Aviation.

## Circuit of The Americas SENSITIVE SECURITY DOCUMENT CONFIDENTIAL DOCUMENT NOT FOR PUBLIC DISCLOSURE

## Schedule of Events (under development)

Monday, November 12
Tuesday, November 13
Wednesday, November 14
Thursday, November 15

- Formula One practice, 10am to 4 pm

Friday, November 16

- Spectator shuttles, 8am to 7 pm (start/end times under development)
- Formula One Practice Sessions 1 and 2, 10am to 4 pm

Saturday, November 17

- Spectator shuttles, 8am to 7 pm (start/end times under development)
- Formula One Practice Session 3 and Qualifying, 10am to 4 pm

Sunday, November 18 ----United States Formula One Grand Prix, 1:00 pm

- Spectator shuttles, 7am to 8 pm (start/end times under development)

## Communications and Public Relations

The internal and external communication capabilities surrounding the Formula One are vital to successfully operating an event of this size, and Circuit of The Americas is committed to communicating information pertaining to its transportation plan to the appropriate groups and individuals. This part of the plan will fall under COTA's Communications Department. The plan will coordinate communications from officials representing all city, county and state agencies involved with executing the transportation plan, and then at the appropriate times will be disseminated with ongoing updates to all key stakeholders and audiences (See Figure 6).

## Internal Signage

Enhanced signing "Way finding" will be in place to guide patrons through the internal roadways and into the proper seating or parking lots of COTA. The environmental graphic design firm fd2s has been hired by COTA to design and implement this plan. Exit signs will also be necessary, as some vehicles may be forced to exit a different way that they may have entered into COTA lots in order to improve the exit operation. Trailblazer signs leading to exits, SH 130 and other major roadways will be used where beneficial to traffic flow. A specific sign schedule will be developed with exact locations of where enhanced signing will be located.

## On-Site Parking

COTA will have approximately 17,000 on-site parking spaces reserved for pre-paid suite holders, certain ticket holders, participants, media, and other designees. Parking will involve best efforts to coordinate with the ticket purchase proximity (parking to seating) in order to minimize walking distances and coordinate pedestrian flow.

COTA On-Site Parking Estimations

| DESIGNATION | GROUP | QTY. OF SPACES |
| :--- | :--- | :--- |
| Lot A | Ticket holders | 3192 |
| Lot B | Ticket holders | 178 |
| Lot C | Ticket holders | 645 |
| Lot D | Ticket holders | 199 |
| Lot E | Ticket holders | 535 |
| Lot F | Ticket holders | 5060 |
| Lot G | Ticket holders | 370 |
| Lot H | Ticket holders | 690 |
| Lot J | Ticket holders | 389 |
| Lot K | Ticket holders | 535 |
| Lot L | Ticket holders | 2600 |
| Lot M | Ticket holders | 965 |
| Lot N | Ticket holders | Future lot |
| Lot P | Ticket holders | 2480 |
| Orange Lot (McAngus Rd.) | Bus Shuttle to Expo Ctr. | Loading est. 15-30 buses |
| Orange Lot | Bus Shuttle to Airport |  |
| Blue Lot (McAngus Rd.) | Bus Shuttle to downtown | Loading est. 26-52 buses |
| Yellow Lot (McAngus Rd.) | Taxi cabs | TBD |

## Off-Site Parking

Off-site parking locations are currently under negotiation with the Travis County Expo Center, Travis County, City of Austin, and Capital Metro Transit in order to facilitate a park-n-ride operation to COTA.

The park-n-ride lots will drop patrons on-site at bus depot areas currently being developed on the NW corner of COTA property. There will be a minimum of two (2) bus depot areas in this area accessible exclusively for buses near McAngus and Elroy Roads.

## Circuit of The Americas SENSITIVE SECURITY DOCUMENT CONFIDENTIAL DOCUMENT NOT FOR PUBLIC DISCLOSURE

## Parking Permits

Parking permits will be issued along with the tickets no later than four weeks prior to event.

Parking permits will be in the form of a hanging tag and will be approximately 4 " by 7 " with driving/parking instructions printed on the back. Permits shall be displayed at all times while vehicles are parked in their appropriate parking lot (See Figure 8).

All vehicles will be required to have a permit to access vicinity points on all roads leading into COTA, and to access their appropriate parking lot. Vehicles will not be allowed in and out privileges.

COTA will work with area residents and businesses to ensure that all parties have access to their residences and businesses at all times during the event.

## Limousine Parking

Limousines will be parked in the appropriate lot for which they purchased parking as their permits designate. All patrons will disembark their chauffeured vehicles from their parking space and also return to their parked vehicles. No drop-offs or pick-ups will be allowed. The COTA parking attendants will attempt to park all chauffeured vehicles at the front of their respective lots as a courtesy to those patrons who have contracted chauffeured vehicles. As the parking lots become filled closer to the start of events, attendants will make appropriate decisions to fill all available parking spaces.

There will be dialogue and correspondence with the Texas Limousine Association in order to estimate the number of chauffeured vehicles attending this event. Parking permits for any vehicles, including limousines are required, and must be obtained from COTA.

## Charter Buses

Groups chartering buses will require the purchase of a Charter Bus Parking Permit from COTA. Charter buses will be designated to park on-site at one of the COTA lots TBD. In and out privileges will not be allowed for private charter buses.

## Bicycle Access

People choosing to ride a bicycle to the event will not be able to ride ontoCOTA property. Bicyclists will be able to park and lock their bikes in a bicycle depot located at the corner of Moore Bridge Rd. and FM 973. From there, bicyclists will be shuttled to the Bus depot lot on McAngus road. The suggested route for bicyclists from downtown Austin is presented in the attached documents (see Figure 1).

## Circuit of The Americas SENSITIVE SECURITY DOCUMENT CONFIDENTIAL DOCUMENT NOT FOR PUBLIC DISCLOSURE

## Cash Parking Lots (day of the event)

Cash parking lots will not be available on-site at COTA. Cash parking lots may be available at the following locations on a first come-first served basis: TBD

2. At Elroy, turn Left and proceed to SH 130. Go North on SH 130.
3. Exit at FM 973 and turn left off exit.
4. Travel on FM 973 to Decker Lane.
5. Turn Right on Decker Lane and proceed to south entrance at Expo Center.

## Temporary Closures and Forced Directional

See Attachment 1

Helicopter Surveillance / Fixed Wing Aircraft
TBD

## Command Centers

TBD (CCTV / surveillance of traffic flow on- and off-site).

## Sustainable "green" Practices

- Satellite park-n-ride locations, capable of transporting 80,000 people
- On-site parking will be limited to fewer than 18,000 spaces
- Actively seeking bus/motorcoach providers who have low-emission buses
- Bicycle access route, from downtown Austin is under development
- Bike riding incentives at park-n-ride locations
- Contra-flow lanes in and out of site will reduce idling vehicles
- Continuing to identify new ideas with the committee

## Future Improvements

Improvements that can increase traffic flow in the future:

- Construct additional lanes on existing roads out of COTA
- Construct new roads in/out of COTA
- Identify and use park-n-ride lots in closer proximity to COTA
- Construct a light-rail system to airport and COTA
- Construct a sustainable "green" parking garage at AUS and/or at COTA

## Figure 4: Website Language (First Phase)

A limited number of pre-paid parking permits or the COTA shuttle will be the only way to access the COTA area. There will be no cash parking on-site and roads leading into COTA will be restricted to permitted vehicles.

The recommended transportation to COTA is by the official shuttle bus network operated by COTA in partnership with the City of Austin, Travis County, and Capital Metro. Check here soon for details on where to pick-up the shuttle throughout greater Austin.

Parking permits may be purchased with your ticket purchase on a first come, first served basis. Please call 512-301-6600 for ticket and parking information or purchase online here starting June.
For those that anticipate having an on-site parking permit, we recommend obtaining a TxTag (toll tag) for your vehicle prior to the event. This will ensure easy access to, from, and along SH 130. You can sign-up your vehicle here: http://www.txtag.org/

Limos (or any chauffeured vehicle) will be required to have proper licensing in order to operate in greater Austin. Please see Marcy Cardona or call 512.974 .1551 for the City's requirements.
Properly licensed limos will then require the proper parking placard to enter COTA and must follow the parking instructions on the back of that placard in order to enter. Limo operators can purchase their parking placard from COTA, or their client may have already purchased the parking placard. Please confer with your client.

Taxicabs will be required to have proper licensing in order to operate in greater Austin. Please see Marcy Cardona or call 512.974 .1551 for the City's requirements.
Properly licensed taxis will then require the proper parking placard to enter COTA and must follow the parking instructions on the back of that placard in order to enter. Taxicabs must enter the Taxicab lot in order to unload or load. This will be strictly enforced.

Parking directions will be supplied with your parking permit and itis extremely important that these directions be followed! Or your access into COTA will be challenged.

Parking for Recreational Vehicles will require a pre-paid permit and will also be sold on first come, first served basis. Check back here, starting early June.

Parking for people with disabilities will require proper documentation submitted to COTA by November 10, 2011, by submitting your request and your State ID to info@circuitoftheamericas.com. All documentation will be reviewed to assure authenticity.

Draft disclaimer language on parking permits:
This parking permit is issued for ONE VEHICLE and will not be replaced if lost
This parking permit is subject to the following conditions:

1) Parking lots are for the specific use of patrons who are attending the event. Patrons utilizing the parking areas for any other purpose, or who in the opinion of management, are disturbing other patrons, loitering, or failing to enter the lot in a timely manner, may be asked to vacate the premises.
2) The failure of any person to obey the instruction, direction, or request of parking lot personnel or park signage may be subject to eviction from the parking lot and forfeiture of this parking permit, without compensation.
3) Management is not responsible for, and assumes no liability arising from fire, theft, damage to, or loss of vehicle or any article therein while on park premises.
4) Resale or attempted resale of this parking permit is prohibited.

Any alteration of this parking permit is prohibited.

THROUGH: Donald W. Ward, P.E.
Division Director, Road Maintenance \& Fleet Services
FROM: David Greear, P.E.
Engineer
SUBJECT: Traffic Regulations
Engineering and traffic investigations have been completed on the following roads within Travis County:

- Elroy Road
- Pearce Lane
- Ross Road
- Heine Farm Road
- McAngus Road
- Piland Triangle
- Maha Loop Road
- Moore Road
- Fagerquist Road
- Kellam Road

Based on such investigations I recommend the traffic regulations listed in the attached Order.
Requests for a public hearing concerning this matter were received within seven days of publishing the notice of the proposed traffic regulations, and these regulations will be included in the Public Hearing scheduled for June 5, 2012 with regards to the Mass Gathering Permit for the Formula One Grand Prix at the Circuit of the Americas site on November 16-18, 2012.

This recommendation is made in accordance with duly delegated authority from the Travis County Commissioners' Court under Chapter 251 of the Texas Transportation Code.

DG
File 4115 Elory Road, Pearce Lane, Ross Road, Heine Farm Road, McAngus Road, Piland Triangle, Maha Loop Road, Moore Road, Fagerquist Road, and Kellam Road

STATE OF TEXAS §

COUNTY OF TRAVIS §

ORDER NO.

WHEREAS, engineering and traffic investigations have been made on the below named Travis County roadways by the Road Maintenance Division - Traffic Program within the Transportation and Natural Resources Department, which has recommended traffic regulations in Precinct Four; and

WHEREAS, a public hearing was requested within seven days of the advance notice of the proposed traffic regulations and the public hearing is held on June 5, 2012; then

BE IT THEREFORE ORDERED that the following regulations are hereby adopted and that appropriate signs giving notice thereof shall be installed.
