Travis County Commissioners Court Agenda Request

Meeting Date: 7/10/12
Prepared By/Phone Number: Gayla Dembkowski Phone #: -8547642
Division Director/Manager: Randy Nicholson

Department Head: Steven M. Manilla, P.E., County Executive-TNR
Sponsoring Court Member: Commissioner Huber, Precinct Three

AGENDA LANGUAGE: Receive comments regarding a street name assignment for a private easement and dedicated public right-of-way from Valley Hill Drive to "District Lane" in Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:
Receive comments regarding a proposed street name assignment for a private easement off Lohmans Ford Road and a street name change from Valley Hill Drive to "District Lane" in Point Venture Section Two Phase One, in Precinct Three.

STAFF RECOMMENDATIONS:
The Travis County Address coordinating Committee was notified of the need for a street name assignment due to an action made by the Village of Point Venture vacating the right of way that was once the only access into their subdivision. Their only option was to gain access through private properties. Access easements were obtained and recorded. Now they need a new street location address for emergency assistance and deliveries. The property owners chose "District Lane" for the name of the easement and a street name change from Valley Hill Drive to "District Lane" in Point Venture Section 2 Phase 1.

The Address Coordinating Committee recommmends the street name "District Lane" for the private easement and public right of way. This street name assignment does not imply Travis County maintenance in any way. Street signs will be the responsibility of the property owners.

ISSUES AND OPPORTUNITIES:
This street name assignment is not on a road that Travis County maintains.

FISCAL IMPACT AND SOURCE OF FUNDING:
None.
