SUBJECT: CONSIDER AND TAKE APPROPRIATE ACTION ON THE FY 2013 INTERLOCAL AGREEMENT WITH THE CITY OF AUSTIN FOR CENTRAL BOOKING AND RELATED JAIL SERVICES

The Travis County Sheriff's Office and the City of Austin Police Department (City) have come to a consensus on the FY 2013 Interlocal for Central Booking and Related Jail Services and are now recommending and respectfully requesting approval from the Commissioners Court for the attached Interlocal Agreement (Agreement). Please see Attachment C. The current Agreement expires on September 30, 2012.

In summary, the total Travis County (County) expenditures budgeted for Central Booking are \$11,065,998 for FY 2013. This amount represents a 2.1% increase in budgeted expenditures over FY 2012.

Budgeted expenses for services provided by the City, and deducted from the total County budgeted direct expense in the cost model, equal \$2,768,401. These budgeted expenses are for magistration, magistration support, and identification services and increased by 8.9% over the FY 2012 budgeted expense. However, under the terms of this Agreement 90% of the City's costs will be deducted from the County's costs in the financial model.

Using the updated financial model in Exhibit A of the Agreement (see Attachment A), the City would reimburse the County \$6,188,171 of the above amount, which is a \$(157,383), or 2.5%, decrease from the amount of reimbursement in FY 2012.

The decrease is primarily due to lower County staff costs and a decreased share of bookings attributable to the City in the financial model (74.21% vs. 72.17% in FY's 2012 and 2013, respectively). A year to year comparison of costs is included in Attachment B.

Please note that the FY 2013 Agreement will be for one year only and the County and City have agreed to begin negotiations soon for FY 2014.

We jointly support these proposed changes outlined in the Amendment to the Central Booking Interlocal Agreement and recommend approval. Forwarded for your review and consideration.

3.0 City Payments to County

3.01 Cost Model. COUNTY and CITY agree that the amounts to be paid by City to County pursuant to this Agreement shall be computed in accordance with the Cost Model attached hereto as Exhibit A and made a part hereof. A Cost Model showing amounts for FY 12 is attached hereto as Exhibit A and made a part hereof.

3.02 Term. For and in consideration of the services to be rendered by County pursuant to this Agreement during the Fiscal Year that begins on October 1, 2012 and ends on September 30, 2013 ("Fiscal Year 13" or "FY 13"), City shall pay to County the total sum of \$6,188,171, in four equal payments as follows: \$1,547,042.75 on or before December 31, 2012; \$1,547,042.75 on or before March 31, 2013; \$1,547,042.75 on or before June 30, 2013; and \$1,547,042.75 on or before September 30, 2013.

3.05 City will provide Magistration and Identification services-for all prisoners booked into the Central Booking Facility. For purposes of this agreement, these costs will be credited at 90% of actual expense per the cost model.

3.06 City and County agree that the payments provided herein fairly compensate the performing party for the service performed under this agreement.

3.07 City and County agree to cooperate in developing alternatives to booking of City Prisoners in the Central Booking Facility. If the development of such an alternative may result in a significant reduction of projected bookings of City Prisoners, City and County will enter into renegotiation of this Agreement.

3.08 True-Up. The computation of the amounts to be paid by City to County during Term as shown in section 3 above is based upon projected amounts of City Direct Expenses and County Direct Expenses for the Term as included in budget documents and the numbers of prisoners booked in FY 2011 as shown in Exhibit A which is attached hereto and made a part hereof. Within ninety (90) days after the end of the Term, COUNTY and CITY will exchange information regarding their actual expenditures for each item of expense included City's Direct Expenses and County's Direct Expenses and COUNTY will provide to CITY the actual numbers of prisoners booked during the Term. Using the actual booking numbers and actual expenditures for the Term, the Parties will re-compute the CITY'S Share of Total Central Booking Facility Costs. If the City's Share of Total Central Booking Facility Cost as determined using actual Term booking numbers and expenditures exceeds the total amount of the payments made from CITY to COUNTY during the Term, CITY will make an additional payment to COUNTY in an amount equal to the difference between the total amount paid and the amount to be paid as determined using actual Term booking numbers and expenditures. Such additional payment shall be made within one hundred fifty 150 days after the end of the Term. If the City's Share of Total Central Booking Facility Cost as determined using Term booking numbers and expenditures is less than the total amount of the payments made by CITY to COUNTY during the Term, COUNTY will make payment to the CITY. Costs and expenses that are not anticipated, disclosed to, and approved by the parties

before the effective date of this Agreement and included in the attached cost model will not be considered properly incurred unless later agreed upon by City and County for the purposes of performing the true up.

4.01 County shall allow City the use of designated space within the building at 500 West 10th St. for the provision of magistration services to the Central Booking Facility. This designated space is illustrated by Exhibit B. County shall allow City the use of a suitable designated space for arrest review and report writing. With County approval, City may perform renovations to the arrest review space at its expense. County will provide furnishings and equipment for the arrest review area, magistration courtroom, and magistrate offices. The County will also provide data and phone lines as set out in Exhibit C

4.02 County will allow City to use available interview rooms, and the line-up room, that are located within the Central Booking Facility and/or the Travis County Jail.

4.03 County will designate two (2) parking spaces for Municipal Court judges within the County's parking garage. County will designate fifteen (15) parking spaces in its San Antonio Street parking garage for use from 7:00 p.m. to 7:00 a.m. by City Officers who are booking prisoners. City will designate street parking spaces for law enforcement prisoner booking on 10th Street, between Nueces and San Antonio Streets, and on the east curb line of San Antonio Street between 9th and 10th Street.

6.0 Responsibility for Losses

6.01 City and County each acknowledge that the other is self-insured for some losses at the execution of this agreement.

6.02 City shall not be liable for any claims, damages and attorney fees arising from the negligent or illegal acts of County employees in relation to the operation of the Central Booking Facility or arising from any condition of the Central Booking Facility that result from County facilities, policies, practices or operations. County shall not be liable for any claims, damages and attorney fees arising from the negligent or illegal acts of City employees in relation to the operation of the Central Booking Facility or arising from any condition or operation of the Central Booking Facility that result from City facilities, policies, practices or operations.

6.03 Except as otherwise provided herein, if both County and City are liable for any claims, damages or attorney fees arising from the negligent or illegal acts of City and County employees under this Agreement, City and County shall be liable for the portion of the claims, damages and attorney fees that arise from the negligent or illegal acts of that party as determined by the court adjudicating the matter or as agreed in any settlement.

6.04 If any City Officer or employee suffers any loss while on duty, City shall be at risk for the liability for the loss under its workers compensation self-insurance fund. If any County Officer or employee suffers any loss while on duty, County shall be at risk for the liability for the loss under its workers compensation self-insurance fund.

6.05 County bears all property losses that result from damages that would be covered by fire and casualty insurance coverage offered by a commercial insurance company. Any insurance proceeds paid to County that relate to damages to the designated Municipal Court space or arrest review space shall be used by County to repair the damages and replace the designated Municipal Court space or arrest review space to its condition before the fire or casualty occurred without regard to fault.

7.0 Operation of the Central Booking Facility

7.01 County agrees to operate and maintain the Central Booking Facility in compliance with requirements of the Texas Commission on Jail Standards.

7.02 County shall give City Prisoners equal priority with County Prisoners and Prisoners of other governmental entities as to admission and custodial policies of Central Booking Facility.

7.03 County shall operate the Central Booking Facility on a twenty-four (24) hour basis, seven (7) days a week. Except as otherwise provided herein, Central Booking Facility staff shall receive, hold and house all City Prisoners tendered to them by City Officers and accepted by the Sheriff.

7.04 County and Sheriff have the right to refuse to accept any City Prisoner who is in need of medical attention prior to confinement, any City Prisoner for whom the required booking data has not been completely and accurately furnished in the required format, or any City Prisoner about whom County staff has a reasonable belief that the person is not lawfully being detained. County and Sheriff have the right to reverse the acceptance of any City Prisoner who is serving time in confinement in lieu of paying a monetary fine after conviction and commitment by a City court if a magistrate has not conducted a hearing on the issue of the indigency of that person and found that person to be financially able to pay the fine. Nothing contained in this Agreement shall be construed to require the Sheriff to hold any person in custody contrary to (1) the Constitution and laws of the State of Texas, or (2) the Constitution and laws of the United States.

7.05 The City Officer who presents a City Prisoner at the Central Booking Facility will provide complete and accurate information necessary to complete forms required by County for all City Prisoners brought to the Central Booking Facility. County will fingerprint and photograph all Prisoners; provided, however, that County shall not be required to fingerprint and photograph persons who are being booked on misdemeanor charges only and who were fingerprinted and photographed within the preceding one-year period. City will process and file all photographs. City shall classify and file all fingerprints and mug shots. For these purposes the terms "prints" and "photographs" shall include all media, including electronic and digitized media as may be appropriate to maintain optimum efficiency, and as agreed upon by City and County. County will be responsible for providing for its use printers ink, rollers, ink pads, and scanner wipes for the Live Scan System. City will provide fingerprint and palm print cards.

7.06 City and County will maintain a network connectivity link. Except as may be provided in a separate written agreement between the parties, the cost of maintaining the connectivity link and the equipment purchased for that system shall be borne by the party that incurred the expense. County will operate and maintain an identification system that provides electronic images of fingerprints. City shall continue to provide County use of and access to City's digitized mug shot system via a network connection link. City shall provide the equipment necessary to capture, process and transmit digitized mug shot images to the City's database. City shall continue to allow County access to its digitized mug shot database. City shall cooperate with County to facilitate the provision of workstation mapping to allow Central Booking Facility staff to view digitized mug shot images at the Central Booking Facility's release desk.

7.07 City and County shall share information among themselves to facilitate modifications to their reporting requirements, data entry forms, software and hardware of the Central Booking Facility. City and County shall also consult with each other prior to modifying their respective software and hardware, form design, or reporting requirements when these modifications may impact the other's software, hardware, form development or reporting requirements. During design and before final approval of any modification of any form design of shared forms, data elements, reporting requirements, software or hardware used in the Central Booking Facility operations, the party proposing the modifications shall notify the other party in writing of the details of the proposed modifications and allow the other party a reasonable time, considering the

size and complexity of the proposed modifications, to review the modifications, evaluate all aspects of the impact of the proposed modifications on that party, and develop suggestions about how to eliminate or minimize any adverse impact and advise the proposing party of the results of the review and evaluation and the suggestions developed. City and County shall cooperate in both reaching the goals of the proposing party's modifications and minimizing the adverse impact on the other party.

7.08 County agrees to provide City Officers access to all Prisoners consistent with their rights guaranteed by the Constitution of the United States of America and the Constitution and laws of the State of Texas. County agrees to release Prisoners for investigative purposes to City Officers within limitations imposed by courts and necessary routine Central Booking Facility procedures.

7.09 City and County agree to continue using the AP ID number as the "master" person identifier in the local criminal justice process. The Austin Police Department shall provide the AP ID Number to County at the same time the name and fingerprint confirmation are provided. County shall maintain the state mandated Incident Tracking Number (TRN\TRS) and the AP ID Number in the booking record.

7.10 Medical Care. With regard to each person that City officers present for booking, City Officers shall notify Central Booking Facility staff of (1) any known or suspected injuries to the person, (2) any known or suspected illnesses of the person, (3) any health complaints made by the person, and (4) any medical treatment given to the person. The Sheriff may refuse to accept a person for booking into the County Jail when, in the judgment of the Sheriff, medical attention is necessary before the person's confinement. If the Sheriff refuses to accept a City Prisoner because the City Prisoner is in need of medical attention prior to confinement, City shall transport the prisoner for hospitalization and/or medical treatment before again presenting the City Prisoner for booking. After a City Prisoner has been accepted by the Sheriff for confinement and booked into the County Jail, County shall provide routine medical attention within the reasonable capabilities of County medical staff on duty in the Central Booking Facility. If a City Prisoner requires hospitalization and/or medical treatment beyond that available from the Central Booking Facility staff, City shall be responsible to pay for such hospitalization and/or treatment, and should any such expense be incurred by County, City shall reimburse County upon request. This Agreement does not create any City liability to third parties for payment of treatment costs of persons taken to a hospital or other treatment provider. Upon request of City, the Sheriff may assign a Sheriff's officer to guard a City Prisoner who has been transported to a hospital by City Officers for medical treatment prior to booking. County shall not be responsible for any costs associated with the hospitalization and/or treatment of any such City Prisoner kept under guard by Sheriff's officers, and should any such expense be incurred by County, City shall reimburse County upon request. City shall not be responsible for any expenses arising from the negligent or illegal acts of County employees.

7.11 On any occasions that City Officers who are peace officers want to take custody of a Prisoner for lawful purposes, they shall be permitted to do so if they comply with routine Central Booking Facility procedures. These procedures will necessarily involve a formal assumption of responsibility and liability for the Prisoner.

7.12 The County will conduct investigations concerning all grievances and/or complaints filed by Prisoners according to County policy. The County shall investigate all incidents of death or serious bodily injury involving Prisoners in the Central Booking Facility. The County will cooperate with the City to facilitate joint investigations or separate investigations by the City when it is reasonably likely that City personnel or City interests are involved.

7.13 This agreement shall not limit the power of County or the Sheriff to perform booking or detention services for other governmental entities.

7.14 If parking is not available within the sallyport for a City officer delivering a City Prisoner to be booked, County officers shall escort the City Prisoner from the sallyport into the Central Booking Facility while the City officer parks his or her vehicle outside the sallyport. As soon as the City officer has parked his or her vehicle, the City officer shall retake custody of the City Prisoner to continue the booking process. The County officer's escort of a City Prisoner from the sallyport as described herein shall not be deemed acceptance of the City Prisoner by the County for the purpose of booking and confinement and County shall retain the right not to accept the City Prisoner as otherwise provided in this Agreement or by law. The purpose of this section is to expedite the Prisoner's entry into the facility, and to prevent Prisoners from being walked into the facility from areas outside the enclosed sallyport.

8.0 Judicial Administration

8.01 It is agreed that the City shall provide magistration required at the Central Booking Facility. City and County shall require all persons who perform magistration services to record the exact time at which magistration for each Prisoner is completed. It is also agreed that the City shall provide all support services for the City's magistration duties, including, but not limited to, interpreter services. Notwithstanding the foregoing, both parties to this agreement acknowledge that the Justices of the Peace and other judges and certain other officials retain the powers of their respective offices to provide magistration in the event these services are needed in lieu of magistration by City's Municipal Court Judges. City's magistrates may arraign City Prisoners, and collect fines and costs in appropriate cases for offenses within the jurisdiction of the City of Austin Municipal Court.

8.02 City magistrates shall provide magistration services at the Central Booking Facility 24 hours a day, seven days a week, except for one (1) hour break period for each daily shift during which a magistrate will not be available. Courtroom activities shall be given priority by magistrates.

8.03 County shall be responsible to provide such access to magistration proceedings by attorneys and members of the public as may be required by law.

8.04 Downtown Austin Community Court Arrestees. City shall identify and clearly designate as Downtown Austin Community Court (DACC) Arrestees all persons charged with Class C Misdemeanor offenses committed in the geographical area served by the

Downtown Austin Community Court. In accordance with City policies and procedures, City Prisoners who are charged with Class C misdemeanor offenses committed in the geographical area served by the Downtown Austin Community Court (hereinafter referred to as "City DACC arrestees") will not be magistrates at the Central Booking Facility. The Sheriff will have City DACC arrestees ready for transport upon arrival of City officers on weekdays at 7:30 a.m. City DACC arrestees who are booked into the Central Booking Facility between 9 P.M on Sunday and 8 A.M. on Friday will be detained at the Central Booking Facility for transport by City officers to the Downtown Austin Community Court for magistration. City DACC arrestees who are booked into the Central Booking Facility between 8 A.M. on Friday and 9 P.M. on Sunday will be released to appear at the Downtown Austin Community Court, except that City DACC arrestees who are arrested on capias pro fines will be held for transport to DACC the following business day. This schedule is designed to coincide with the current days and hours of operation of the Downtown Austin Community Court. City expressly acknowledges and agrees that the detention of City DACC arrestees pending transport by City officers to the Downtown Austin Community Court is pursuant to City policy and City shall be responsible for any liability that results from the policy, unless the liability arises from the negligent or illegal acts of County employees. The Parties expressly acknowledge and agree that the Sheriff retains the right to manage the inmate population at the Central Booking Facility at all times, which includes the right to release City DACC arrestees to appear at the Downtown Austin Community Court as conditions warrant.

A Sheriff's staff member and a Municipal Court clerk will reconcile the collections daily. City is responsible for transportation of funds and documentation from the Central Booking Facility to the Municipal Court.

10.04 Phlebotomy Services

1. In order to draw blood samples from certain arrestees, the City will contract with a medical staffing agency to provide phlebotomy services in the County's Central Booking Facility. The City will act as the manager for the administration of the contract, and the County will allocate funding in accordance with the provisions in this Amendment.

2. Services will be provided 9PM to 5AM, beginning on Tuesday evenings and going through Sunday mornings. This schedule can be altered upon agreement of both Parties. The Austin Police Department (APD) and the Travis County Sheriff's Office (TCSO) bringing arrestees to the Central Booking Facility during these hours may utilize the contracted phlebotomy services. Other arresting agencies bringing arrestees to the Central Booking Facility may utilize the contracted phlebotomy services under separate MOU's with the City of Austin. However, the APD and TCSO will be given priority if multiple agencies are requesting phlebotomy services at the same time.

3. The Parties agree to share the cost of phlebotomy services provided during the hours described in #2 of this Section. The City's share of the cost of phlebotomy services will be based on the City's percentage of bookings utilized in the "True-Up" provision in Section 3.08 of this Agreement and applied to the actual cost of phlebotomy services determined at the end of the fiscal year. The County's share of the cost of phlebotomy services will be based on the percentage of non-City bookings utilized in the "True-Up" provision in Section 3.08 of this Agreement and applied to the actual cost of phlebotomy services during the hours described in #2 of this Section and determined at the end of the fiscal year.

4. Only costs incurred during the hours described in #2 of this Section will be shared based on the percentage of actual bookings described in #3 of this Amendment. Costs associated with blood specimens taken during off peak hours for the APD and TCSO, and costs associated with Contractor staff subpoenaed to court, will be billed by the Contractor to the City and are included in costs described in this Amendment. However, these costs incurred for TCSO arrestees will be reimbursed 100% by the County to the City.

5. The computation of the shared costs, and the costs to be fully reimbursed by the County to the City described in #4 of this Section, will occur during the "True-Up" provision described in Section 3.08 following the close of the fiscal year. The County's payment of its share of the phlebotomy costs will be applied as a credit to the City on the final "True-Up" calculation, either reducing the amount the City owes the County, or increasing the amount the County owes the City. City shall provide copies of all fiscal records necessary in performing the

“True Up” calculation for County review within 90 days of the close of the fiscal year.

6. Included in phlebotomy services are a trained, certified phlebotomist available to take blood samples from certain arrestees during designated hours, and supplies and equipment associated with the taking of blood specimens. Supplies and equipment may include, but are not limited to: blood draw chair, collections sets, sponge gauze, germicide wipes, Betadine solution, tourniquets, Band-Aids, single use needle holders, surgical masks, medical gloves, and sharps containers.
