ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND TRAVIS COUNTY

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code (“Code”) and Chapter 791 of the Texas Government Code, Travis County and Austin Community College District enter into this agreement for the Travis County Clerk, as the County’s Election Officer, to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

I. GENERAL PROVISIONS

- (A) Except as otherwise provided in this agreement, the term “election” refers to any Participating Entity election, occurring on the second Saturday in May and a resulting runoff, if necessary, and the first Tuesday after the first Monday in November and a resulting runoff, if necessary within all Participating Entity territory located in Travis County. If a runoff is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date; in the event that the Participating Entity and any other entity for which the County is providing election services or for which the County is conducting a joint election, do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this agreement.
- (C) Except as otherwise provided in this agreement, the term “Election Officer” refers to the Travis County Clerk.
- (D) Except as otherwise provided in this agreement, the term “precinct” means all precincts in the territory of the Participating Entity within Travis County.
- (E) Except as otherwise provided in this agreement, the term “fiscal year” refers to a time period that begins on October 1 and closes on September 30 of each year.
- (F) Except as otherwise provided in this agreement, the term “election services” refers to services used to perform or supervise any or all of the duties and functions that an election officer determines necessary for the conduct of an election. Except as otherwise

provided in this agreement, the term “cost for election services” includes the costs for personnel, supplies, materials, or services needed for providing these services as permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.

- (G) Except as otherwise provided in this agreement, the cost for “use of voting equipment” is the amount the Participating Entity agrees to pay the County for use of the County’s DRE equipment.
- (H) The Participating Entity agrees to commit the funds necessary to pay for election-related expenses for Participating Entity elections.
- (I) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in I.(A).
- (J) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code. The Participating Entity agrees to enter into any joint election agreement required by the County.

II. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT

- (A) The County shall make available to the Participating Entity their current and future-acquired voting system as authorized under Title 8 of the Election Code, subject to reasonable restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, and subsequent runoff elections. The Election Officer may impose reasonable restrictions and conditions to protect the equipment from misuse or damage.

III. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section I.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable law.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (8) below and any other election duties that may not be delegated to another governmental entity:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election;
 - (2) preparing federal Voting Rights Act election pre-clearance submissions to the Department of Justice, other than changes in a joint election conducted under this agreement that directly affect the County;
 - (3) preparing the text for the Participating Entity's official ballot in English and Spanish, or other languages as required by law;
 - (4) providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
 - (5) conducting the official canvass of a Participating Entity election;
 - (6) administering the Participating Entity's duties under state and local campaign finance laws;
 - (7) having a Participating Entity representative serve as the custodian of its election records; and
 - (8) filing the Participating Entity's annual voting system report to the Secretary of State as required under Chapter 123 et seq. of the Texas Election Code.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory recounts held prior to and after the election. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached.
- (E) Linda K. Young will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. Linda K. Young will serve as Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots, and forward these applications to the Joint Early Voting Clerk. Linda K. Young will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Election Code that the Election Officer will not perform.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) The County shall provide a list for presentation to the governing body of the Participating Entity, containing a list of places, times, and dates of early voting suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the Election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election service costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. BUDGET INFORMATION

- (A) Not later than February 15 of each year, the Participating Entity shall provide to the Election Officer a forecast of Participating Entity elections for the next two fiscal years.
- (B) Not later than March 15 of each year, Travis County shall provide to the Participating Entity, based on the confirmed forecasts of each jurisdiction for which the County performs election services or with which the County participates in joint elections, a projection of the Participating Entity's election costs per year for each of the next two fiscal years. The forecast shall include:
 - (1) a forecast of elections for all jurisdictions for which the County performs election services or with which the County participates in joint elections.

- (2) the precincts to be used for each election and each jurisdiction described in Subsection 1.
- (3) for each election, the Participating Entity's projected share of election costs determined by this contract and relative to other jurisdictions for which the County performs election services or with which the County participates in joint elections. In the case of a joint election, the Participating Entity's projected share of election costs will be determined on a pro rata basis using the following method. The number of precincts each participating entity has involved in an election will be added together. The proportional percentage of that sum for each entity will be calculated. The proportional cost for each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost for each entity. For Participating Entities with fewer than 50 precincts, a not-to-exceed flat rate will be determined in accordance with Exhibit A, which is attached hereto and incorporated herein for all purposes. After each election the formula that produces the lowest figure will be used for final billing purposes.
- (4) If a flat fee is not used in calculating the Participating Entity's projected share of election costs relative to other jurisdictions for which the County performs election services in addition to the projected itemized election costs, Travis County shall include a fee to be charged by the Election Officer equal to 10% of the Participating Entity's projected share of the total costs of each election, as described in Section VI., excluding the costs of voting equipment, which are described in Section VII.

VI. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VII. of this agreement.
- (B) Not later than the 50th day before an election, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer under Section V.(B)(3) of this agreement. In case of a cancellation of an election by the Participating Entity, the Participating Entity will notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. Notwithstanding the provisions in IX. (B), the County and the Participating Entity agree that notice under VI.(B) can be provided via e-mail to the County at election@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by Linda K. Young. No deposit will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer

the remaining 25% of the expenses and charges, or the balance due where the cost schedule or bill has been revised. Payment shall be made from current revenues available to the Participating Entity. If there is a runoff election, the Participating Entity will make a payment equal to 75% of the projected costs for the runoff election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in VI.(C).

- (C) The Election Officer will charge a fee for election services, as described in Section VI, equal to 10% of the total costs of each election excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VII. In the event of a joint election, this 10% fee will be divided on a pro rata basis among all entities involved in the election in the same method as described in Section V.(B)(3). If the flat fee calculated in accordance with Exhibit A is found to be the lesser of the two amounts, the 10% fee is included in that flat fee charge.
- (D) For elections that do not have a runoff election, the County will send the Participating Entity a final invoice of election expenses not later than the 45th day after an election. For elections that do have a runoff, the County may send the Participating Entity a final invoice of election expenses not later than the 45th day after the runoff election. This invoice may include expenses for both elections. The total amount due according to these invoices shall be offset by any payments made for “upfront” costs or made in accordance with Subsection (B) of this section. The County shall prepare the invoice to include:
 - (1) an itemized list of each election expense incurred;
 - (2) the corresponding budget estimate for each item listed;
 - (3) for each final invoice item, the Participating Entity’s pro rata share of costs will be expressed as a percentage of the total cost of the item for all jurisdictions for which Travis County performs election services;
 - (4) an itemization of any adjustments or credits to the first post-election invoice; and
 - (5) the total payment due from the Participating Entity for any portion of the Participating Entity’s costs not included in the Participating Entity’s payment under Subsection V.(B) or not included as payment for an “upfront” cost;
- (E) The Participating Entity shall promptly review an election invoice and supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice.

VII. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using the voting system that the Election Officer administers in the conduct of County elections, as approved by the Secretary of State in accordance with the Texas Election Code unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding a general or special November election, the Participating Entity is not charged any cost for equipment usage. However, if a runoff election is necessary after a November election, the Participating Entity will pay for equipment usage.
- (D) In the event of a joint election not occurring in November, the cost for equipment usage per entity is determined by taking the cost per election and multiplying it by the proportional cost factor for that entity. If the flat fee is charged in accordance with Exhibit A, the participating Entity will pay the lesser of the two amounts.
- (E) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (F) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section VI.(D).
- (G) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this agreement and, when necessary, the County Clerk, elections division staff members, and other election

workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.

- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

Exhibit A

Pricing Schedule for Entities with fewer than 50 precincts

Note: Each Participating Entity is responsible for its Department of Justice submission, publishing its notice of election, submitting ballot language in English and Spanish, proofing of its ballot, and canvassing its returns (Travis County supplies the results of the canvass).

Election Day polling location flat rate:

\$1675 each location

($\$1500$ for operating costs + $\$150$ for 10% admin fee + $\$25$ for equipment usage fee)

This rate is a not-to-exceed rate for each polling location. When determining polling locations, the goal is for all Participating Entities to agree on the polling locations for their common areas. In most cases the larger entities determine the sites and precinct combinations for polling locations. If a Participating Entity has precincts that are not shared with another entity, the Participating Entity may choose to combine locations.

Each Election Day location has one judge, one alternate judge, and one or two clerks. If the location is shared with other jurisdictions, this cost is divided according to the number of jurisdictions at that location and the percentage of population for that jurisdiction at that location. Cost includes 10% admin fee and equipment usage fee.

Election Day polling location proportional rate:

Cost depends upon participation

If a large number of entities participate in an election, and a proportional rate of the actual costs is the less expensive alternative for the Participating Entity, Travis County will charge the proportional cost instead of the flat rate cost. In other words, Travis County will charge the lesser of the two amounts.

Additional Early Voting Options:

Operation of an Early Voting location as part of the Travis County regular Mobile Voting program:

Per day \$275

All of the Participating Entity's voters within Travis County have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, trained staffing of the location, and Travis County law enforcement securing the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.

**ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND
BARTON SPRINGS/EDWARDS AQUIFER CONSERVATION DISTRICT**

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code (“Code”) and Chapter 791 of the Texas Government Code, Travis County and Barton Springs/Edwards Aquifer Conservation District (“Participating Entity”) enter into this agreement for the Travis County Clerk, as the County’s Election Officer, to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. - (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. - (F) Except as otherwise provided in this agreement, the term “election services” refers to services used to perform or supervise any or all of the duties and functions that an election officer determines necessary for the conduct of an election. Except as otherwise provided in this agreement, the term “cost for election services” includes the costs for personnel, supplies, materials, or services needed for providing these services as permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.
- (G) Except as otherwise provided in this agreement, the cost for “use of voting equipment” is the amount the Participating Entity agrees to pay the County for use of the County’s DRE equipment.

Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election service costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. BUDGET INFORMATION

- (A) Not later than February 15 of each year, the Participating Entity shall provide to the Election Officer a forecast of Participating Entity elections for the next two fiscal years.
- (B) Not later than March 15 of each year, Travis County shall provide to the Participating Entity, based on the confirmed forecasts of each jurisdiction for which the County performs election services or with which the County participates in joint elections, a projection of the Participating Entity's election costs per year for each of the next two fiscal years. The forecast shall include:

- (1) a forecast of elections for all jurisdictions for which the County performs election services or with which the County participates in joint elections.
- (2) the precincts to be used for each election and each jurisdiction described in Subsection 1.
- (3) for each election, the Participating Entity's projected share of election costs determined by this contract and relative to other jurisdictions for which the County performs election services or with which the County participates in joint elections. In the case of a joint election, the Participating Entity's projected share of election costs will be determined on a pro rata basis using the following method. The number of precincts each participating entity has involved in an election will be added together. The proportional percentage of that sum for each entity will be calculated. The proportional cost for each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost for each entity. For Participating Entities with fewer than 50 precincts, a not-to-exceed flat rate will be determined in accordance with Exhibit A, which is attached hereto and incorporated herein for all purposes. After each election the formula that produces the lowest figure will be used for final billing purposes.
- (4) If a flat fee is not used in calculating the Participating Entity's projected share of election costs relative to other jurisdictions for which the County performs election services in addition to the projected itemized election costs, Travis County shall include a fee to be charged by the Election Officer equal to 10% of the Participating Entity's projected share of the total costs of each election, as described in Section VI., excluding the costs of voting equipment, which are described in Section VII.

VI. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VII. of this agreement.
- (B) Not later than the 50th day before an election, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer under Section V.(B)(3) of this agreement. In case of a cancellation of an election by the Participating Entity, the Participating Entity will notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. Notwithstanding the provisions in IX. (B), the County and the Participating Entity agree that notice under VI.(B) can be provided via e-mail to the

County at election@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by Dana Wilson, Senior Administrative Programs Manager. No deposit will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the remaining 25% of the expenses and charges, or the balance due where the cost schedule or bill has been revised. Payment shall be made from current revenues available to the Participating Entity. If there is a runoff election, the Participating Entity will make a payment equal to 75% of the projected costs for the runoff election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in VI.

- (C) The Election Officer will charge a fee for election services, as described in Section VI, equal to 10% of the total costs of each election excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VII. In the event of a joint election, this 10% fee will be divided on a pro rata basis among all entities involved in the election in the same method as described in Section V.(B)(3). If the flat fee calculated in accordance with Exhibit A is found to be the lesser of the two amounts, the 10% fee is included in that flat fee charge.

- (D) For elections that do not have a runoff election, the County will send the Participating Entity a final invoice of election expenses not later than the 45th day after an election. For elections that do have a runoff, the County may send the Participating Entity a final invoice of election expenses not later than the 45th day after the runoff election. This invoice may include expenses for both elections. The total amount due according to these invoices shall be offset by any payments made for "upfront" costs or made in accordance with Subsection (B) of this section. The County shall prepare the invoice to include:
 - (1) an itemized list of each election expense incurred;
 - (2) the corresponding budget estimate for each item listed;
 - (3) for each final invoice item, the Participating Entity's pro rata share of costs will be expressed as a percentage of the total cost of the item for all jurisdictions for which Travis County performs election services;
 - (4) an itemization of any adjustments or credits to the first post-election invoice; and
 - (5) the total payment due from the Participating Entity for any portion of the Participating Entity's costs not included in the Participating Entity's payment under Subsection V.(B) or not included as payment for an "upfront" cost.

- (E) The Participating Entity shall promptly review an election invoice and supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice.

VII. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using the voting system that the Election Officer administers in the conduct of County elections, as approved by the Secretary of State in accordance with the Texas Election Code unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding a general or special November election, the Participating Entity is not charged any cost for equipment usage. However, if a runoff election is necessary after a November election, the Participating Entity will pay for equipment usage.
- (D) In the event of a joint election not occurring in November, the cost for equipment usage per entity is determined by taking the cost per election and multiplying it by the proportional cost factor for that entity. If the flat fee is charged in accordance with Exhibit A, the participating Entity will pay the lesser of the two amounts.
- (E) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (F) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section VI.(D).
- (G) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this agreement and, when necessary, the County Clerk, elections division staff members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.
- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

Exhibit A

Pricing Schedule for Entities with fewer than 50 precincts

Note: Each Participating Entity is responsible for its Department of Justice submission, publishing its notice of election, submitting ballot language in English and Spanish, proofing of its ballot, and canvassing its returns (Travis County supplies the results of the canvass).

Election Day polling location flat rate:

\$1675 each location

(\$1500 for operating costs + \$150 for 10% admin fee + \$25 for equipment usage fee)

This rate is a not-to-exceed rate for each polling location. When determining polling locations, the goal is for all Participating Entities to agree on the polling locations for their common areas. In most cases the larger entities determine the sites and precinct combinations for polling locations. If a Participating Entity has precincts that are not shared with another entity, the Participating Entity may choose to combine locations.

Each Election Day location has one judge, one alternate judge, and one or two clerks. If the location is shared with other jurisdictions, this cost is divided according to the number of jurisdictions at that location and the percentage of population for that jurisdiction at that location. Cost includes 10% admin fee and equipment usage fee.

Election Day polling location proportional rate:

Cost depends upon participation

If a large number of entities participate in an election, and a proportional rate of the actual costs is the less expensive alternative for the Participating Entity, Travis County will charge the proportional cost instead of the flat rate cost. In other words, Travis County will charge the lesser of the two amounts.

Additional Early Voting Options:

Operation of an Early Voting location as part of the Travis County regular Mobile Voting program:

Per day	\$275
---------	-------

All of the Participating Entity's voters within Travis County have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, trained staffing of the location, and Travis County law enforcement securing the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.

**ELECTION AGREEMENT BETWEEN
TRAVIS COUNTY AND TRAVIS COUNTY HEALTHCARE DISTRICT
D/B/A CENTRAL HEALTH**

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code (“Code”) and Chapter 791 of the Texas Government Code, Travis County and the Travis County Healthcare District d/b/a Central Health (“Participating Entity”) enter into this agreement for the Travis County Clerk, as the County’s Election Officer, to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I. (A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this agreement.
- (C) Except as otherwise provided in this agreement, the term “Election Officer” refers to the Travis County Clerk.
- (D) Except as otherwise provided in this agreement, the term “precinct” means all precincts in the territory of the Participating Entity within Travis County.
- (E) Except as otherwise provided in this agreement, the term “fiscal year” refers to a time period that begins on October 1 and closes on September 30 of each year.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) The County shall provide a list for presentation to the governing body of the Participating Entity, containing a list of places, times, and dates of early voting suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the Election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. - (A) Not later than February 15 of each year, the Participating Entity shall provide to the Election Officer a forecast of Participating Entity elections for the next two fiscal years.
- (B) Not later than March 15 of each year, Travis County shall provide to the Participating Entity, based on the confirmed forecasts of each jurisdiction for which the County performs election services or with which the County participates in joint elections, a projection of the Participating Entity's election costs per year for each of the next two fiscal years. The forecast shall include:
 - (1) a forecast of elections for all jurisdictions for which the County performs election services or with which the County participates in joint elections.

- (2) the precincts to be used for each election and each jurisdiction described in Subsection 1.
- (3) for each election, the Participating Entity's projected share of election costs determined by this contract and relative to other jurisdictions for which the County performs election services or with which the County participates in joint elections. In the case of a joint election, the Participating Entity's projected share of election costs will be determined on a pro rata basis using the following method. The number of precincts each participating entity has involved in an election will be added together. The proportional percentage of that sum for each entity will be calculated. The proportional cost for each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost for each entity. For Participating Entities with fewer than 50 precincts, a not-to-exceed flat rate will be determined in accordance with Exhibit A, which is attached hereto and incorporated herein for all purposes. After each election the formula that produces the lowest figure will be used for final billing purposes.
- (4) If a flat fee is not used in calculating the Participating Entity's projected share of election costs relative to other jurisdictions for which the County performs election services in addition to the projected itemized election costs, Travis County shall include a fee to be charged by the Election Officer equal to 10% of the Participating Entity's projected share of the total costs of each election, as described in Section VI., excluding the costs of voting equipment, which are described in Section VII.

VI. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VII. of this agreement.
- (B) Not later than the 50th day before an election, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer under Section V.(B)(3) of this agreement. Notwithstanding the provisions in IX. (B), the County and the Participating Entity agree that notice under VI.(B) can be provided via e-mail to the County at election@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by Ann-Marie Price, Director of Government Affairs. No deposit will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the

Participating Entity shall pay the Election Officer the remaining 25% of the expenses and charges, or the balance due where the cost schedule or bill has been revised. Payment shall be made from current revenues available to the Participating Entity. The projected share of election costs will include the 10% fee for election services as discussed in VI. (C).

- (C) The Election Officer will charge a fee for election services, as described in Section VI, equal to 10% of the total costs of each election excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VII. In the event of a joint election, this 10% fee will be divided on a pro rata basis among all entities involved in the election in the same method as described in Section V.(B)(3). If the flat fee calculated in accordance with Exhibit A is found to be the lesser of the two amounts, the 10% fee is included in that flat fee charge.
- (D) For elections that do not have a runoff election, the County will send the Participating Entity a final invoice of election expenses not later than the 45th day after an election. For elections that do have a runoff, the County may send the Participating Entity a final invoice of election expenses not later than the 45th day after the runoff election. This invoice may include expenses for both elections. The total amount due according to these invoices shall be offset by any payments made for “upfront” costs or made in accordance with Subsection (B) of this section. The County shall prepare the invoice to include:
 - (1) an itemized list of each election expense incurred;
 - (2) the corresponding budget estimate for each item listed;
 - (3) for each final invoice item, the Participating Entity’s pro rata share of costs will be expressed as a percentage of the total cost of the item for all jurisdictions for which Travis County performs election services;
 - (4) an itemization of any adjustments or credits to the first post-election invoice; and
 - (5) the total payment due from the Participating Entity for any portion of the Participating Entity’s costs not included in the Participating Entity’s payment under Subsection V.(B) or not included as payment for an “upfront” cost;
- (E) The Participating Entity shall promptly review an election invoice and supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. VII. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using the voting system that the Election Officer administers in the conduct of County elections, as approved by the Secretary of State in accordance with the Texas Election Code unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding a general or special November election, the Participating Entity is not charged any cost for equipment usage. However, if a runoff election is necessary after a November election, the Participating Entity will pay for equipment usage.
- (D) In the event of a joint election not occurring in November, the cost for equipment usage per entity is determined by taking the cost per election and multiplying it by the proportional cost factor for that entity. If the flat fee is charged in accordance with Exhibit A, the participating Entity will pay the lesser of the two amounts.
- (E) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (F) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section VI.(D).
- (G) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

Pricing Schedule for Entities with fewer than 50 precincts

Note: Each Participating Entity is responsible for its Department of Justice submission, publishing its notice of election, submitting ballot language in English and Spanish, proofing of its ballot, and canvassing its returns (Travis County supplies the results of the canvass).

Election Day polling location flat rate:

\$1675 each location

(\$1500 for operating costs + \$150 for 10% admin fee + \$25 for equipment usage fee)

This rate is a not-to-exceed rate for each polling location. When determining polling locations, the goal is for all Participating Entities to agree on the polling locations for their common areas. In most cases the larger entities determine the sites and precinct combinations for polling locations. If a Participating Entity has precincts that are not shared with another entity, the Participating Entity may choose to combine locations.

Each Election Day location has one judge, one alternate judge, and one or two clerks. If the location is shared with other jurisdictions, this cost is divided according to the number of jurisdictions at that location and the percentage of population for that jurisdiction at that location. Cost includes 10% admin fee and equipment usage fee.

Election Day polling location proportional rate:

Cost depends upon participation

If a large number of entities participate in an election, and a proportional rate of the actual costs is the less expensive alternative for the Participating Entity, Travis County will charge the proportional cost instead of the flat rate cost. In other words, Travis County will charge the lesser of the two amounts.

Additional Early Voting Options:

Operation of an Early Voting location as part of the Travis County regular Mobile Voting program:

Per day \$275

All of the Participating Entity's voters within Travis County have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, trained staffing of the location, and Travis County law enforcement securing the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.

**ELECTION AGREEMENT BETWEEN
TRAVIS COUNTY AND
SOUTHEAST TRAVIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 1**

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code (“Code”) and Chapter 791 of the Texas Government Code, Travis County and Southeast Travis County Municipal Utility District No. 1 (“Participating Entity”) enter into this agreement for the Travis County Clerk, as the County’s Election Officer, to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

I. GENERAL PROVISIONS

- (A) Except as otherwise provided in this agreement, the term “election” refers to any Participating Entity election, occurring on the second Saturday in May and a resulting runoff, if necessary, and the first Tuesday after the first Monday in November and a resulting runoff, if necessary within all Participating Entity territory located in Travis County. If a runoff is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date; in the event that the Participating Entity and any other entity for which the County is providing election services or for which the County is conducting a joint election, do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this agreement.
- (C) Except as otherwise provided in this agreement, the term “Election Officer” refers to the Travis County Clerk.
- (D) Except as otherwise provided in this agreement, the term “precinct” means all precincts in the territory of the Participating Entity within Travis County.
- (E) Except as otherwise provided in this agreement, the term “fiscal year” refers to a time period that begins on October 1 and closes on September 30 of each year.
- (F) Except as otherwise provided in this agreement, the term “election services” refers to services used to perform or supervise any or all of the duties and functions that an

election officer determines necessary for the conduct of an election. Except as otherwise provided in this agreement, the term “cost for election services” includes the costs for personnel, supplies, materials, or services needed for providing these services as permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.

- (G) Except as otherwise provided in this agreement, the cost for “use of voting equipment” is the amount the Participating Entity agrees to pay the County for use of the County’s DRE equipment.
- (H) The Participating Entity agrees to commit the funds necessary to pay for election-related expenses for Participating Entity elections.
- (I) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in I.(A).
- (J) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code. The Participating Entity agrees to enter into any joint election agreement required by the County.

II. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT

- (A) The County shall make available to the Participating Entity their current and future-acquired voting system as authorized under Title 8 of the Election Code, subject to reasonable restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, and subsequent runoff elections. The Election Officer may impose reasonable restrictions and conditions to protect the equipment from misuse or damage.

III. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section I.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable law.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (8) below and any other election duties that may not be delegated to another governmental entity:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election;
 - (2) preparing federal Voting Rights Act election pre-clearance submissions to the Department of Justice, other than changes in a joint election conducted under this agreement that directly affect the County;
 - (3) preparing the text for the Participating Entity's official ballot in English and Spanish, or other languages as required by law;
 - (4) providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
 - (5) conducting the official canvass of a Participating Entity election;
 - (6) administering the Participating Entity's duties under state and local campaign finance laws;
 - (7) having a Participating Entity representative serve as the custodian of its election records; and
 - (8) filing the Participating Entity's annual voting system report to the Secretary of State as required under Chapter 123 et seq. of the Texas Election Code.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory recounts held prior to and after the election. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached.
- (E) The legal assistant to the attorney for the District will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. Prior to each election, the Participating Entity will designate a person who will serve as Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots, and forward these applications to the Joint Early Voting Clerk. The legal assistant to the attorney for the District will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Election Code that the Election Officer will not perform.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) The County shall provide a list for presentation to the governing body of the Participating Entity, containing a list of places, times, and dates of early voting suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel;
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election service costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. BUDGET INFORMATION

- (A) Not later than February 15 of each year, the Participating Entity shall provide to the Election Officer a forecast of Participating Entity elections for the next two fiscal years.
- (B) Not later than March 15 of each year, Travis County shall provide to the Participating Entity, based on the confirmed forecasts of each jurisdiction for which the County performs election services or with which the County participates in joint elections, a projection of the Participating Entity's election costs per year for each of the next two fiscal years. The forecast shall include:
 - (1) a forecast of elections for all jurisdictions for which the County performs election services or with which the County participates in joint elections.
 - (2) the precincts to be used for each election and each jurisdiction described in Subsection 1.
 - (3) for each election, the Participating Entity's projected share of election costs

determined by this contract and relative to other jurisdictions for which the County performs election services or with which the County participates in joint elections. In the case of a joint election, the Participating Entity's projected share of election costs will be determined on a pro rata basis using the following method. The number of precincts each participating entity has involved in an election will be added together. The proportional percentage of that sum for each entity will be calculated. The proportional cost for each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost for each entity. For Participating Entities with fewer than 50 precincts, a not-to-exceed flat rate will be determined in accordance with Exhibit A, which is attached hereto and incorporated herein for all purposes. After each election the formula that produces the lowest figure will be used for final billing purposes.

- (4) If a flat fee is not used in calculating the Participating Entity's projected share of election costs relative to other jurisdictions for which the County performs election services in addition to the projected itemized election costs, Travis County shall include a fee to be charged by the Election Officer equal to 10% of the Participating Entity's projected share of the total costs of each election, as described in Section VI., excluding the costs of voting equipment, which are described in Section VII.

VI. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VII. of this agreement.
- (B) Not later than the 50th day before an election, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer under Section V.(B)(3) of this agreement. In case of a cancellation of an election by the Participating Entity, the Participating Entity will notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. Notwithstanding the provisions in IX. (B), the County and the Participating Entity agree that notice under VI.(B) can be provided via e-mail to the County at election@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by the Participating Entity's legal counsel or his or her legal assistant. No deposit will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the remaining 25% of the expenses and charges, or the balance due where the cost schedule or bill has been revised. Payment shall

be made from current revenues available to the Participating Entity. If there is a runoff election, the Participating Entity will make a payment equal to 75% of the projected costs for the runoff election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in VI.(C).

- (C) The Election Officer will charge a fee for election services, as described in Section VI, equal to 10% of the total costs of each election excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VII. In the event of a joint election, this 10% fee will be divided on a pro rata basis among all entities involved in the election in the same method as described in Section V.(B)(3). If the flat fee calculated in accordance with Exhibit A is found to be the lesser of the two amounts, the 10% fee is included in that flat fee charge.
- (D) For elections that do not have a runoff election, the County will send the Participating Entity a final invoice of election expenses not later than the 45th day after an election. For elections that do have a runoff, the County may send the Participating Entity a final invoice of election expenses not later than the 45th day after the runoff election. This invoice may include expenses for both elections. The total amount due according to these invoices shall be offset by any payments made for “upfront” costs or made in accordance with Subsection (B) of this section. The County shall prepare the invoice to include:
 - (1) an itemized list of each election expense incurred;
 - (2) the corresponding budget estimate for each item listed;
 - (3) for each final invoice item, the Participating Entity’s pro rata share of costs will be expressed as a percentage of the total cost of the item for all jurisdictions for which Travis County performs election services;
 - (4) an itemization of any adjustments or credits to the first post-election invoice; and
 - (5) the total payment due from the Participating Entity for any portion of the Participating Entity’s costs not included in the Participating Entity’s payment under Subsection V.(B) or not included as payment for an “upfront” cost;
- (E) The Participating Entity shall promptly review an election invoice and supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice.

VII. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using the voting system that the Election Officer administers in the conduct of County elections, as approved by the Secretary of State in accordance with the Texas Election Code unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding a general or special November election, the Participating Entity is not charged any cost for equipment usage. However, if a runoff election is necessary after a November election, the Participating Entity will pay for equipment usage.
- (D) In the event of a joint election not occurring in November, the cost for equipment usage per entity is determined by taking the cost per election and multiplying it by the proportional cost factor for that entity. If the flat fee is charged in accordance with Exhibit A, the participating Entity will pay the lesser of the two amounts.
- (E) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (F) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section VI.(D).
- (G) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this agreement and, when necessary, the County Clerk, elections division staff members, and other election

workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.

- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

Pricing Schedule for Entities with fewer than 50 precincts

Note: Each Participating Entity is responsible for its Department of Justice submission, publishing its notice of election, submitting ballot language in English and Spanish, proofing of its ballot, and canvassing its returns (Travis County supplies the results of the canvass).

Election Day polling location flat rate:

\$1675 each location

(\$1500 for operating costs + \$150 for 10% admin fee + \$25 for equipment usage fee)

This rate is a not-to-exceed rate for each polling location. When determining polling locations, the goal is for all Participating Entities to agree on the polling locations for their common areas. In most cases the larger entities determine the sites and precinct combinations for polling locations. If a Participating Entity has precincts that are not shared with another entity, the Participating Entity may choose to combine locations.

Each Election Day location has one judge, one alternate judge, and one or two clerks. If the location is shared with other jurisdictions, this cost is divided according to the number of jurisdictions at that location and the percentage of population for that jurisdiction at that location. Cost includes 10% admin fee and equipment usage fee.

Election Day polling location proportional rate:

Cost depends upon participation

If a large number of entities participate in an election, and a proportional rate of the actual costs is the less expensive alternative for the Participating Entity, Travis County will charge the proportional cost instead of the flat rate cost. In other words, Travis County will charge the lesser of the two amounts.

Additional Early Voting Options:

Operation of an Early Voting location as part of the Travis County regular Mobile Voting program:

Per day \$275

All of the Participating Entity's voters within Travis County have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, trained staffing of the location, and Travis County law enforcement securing the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.

**ELECTION AGREEMENT BETWEEN
TRAVIS COUNTY AND
SOUTHEAST TRAVIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 2**

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code (“Code”) and Chapter 791 of the Texas Government Code, Travis County and Southeast Travis County Municipal Utility District No. 2 (“Participating Entity”) enter into this agreement for the Travis County Clerk, as the County’s Election Officer, to conduct the Participating Entity’s elections, including runoffs, and for the Participating Entity’s use of the County’s current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

I. GENERAL PROVISIONS

- (A) Except as otherwise provided in this agreement, the term “election” refers to any Participating Entity election, occurring on the second Saturday in May and a resulting runoff, if necessary, and the first Tuesday after the first Monday in November and a resulting runoff, if necessary within all Participating Entity territory located in Travis County. If a runoff is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date; in the event that the Participating Entity and any other entity for which the County is providing election services or for which the County is conducting a joint election, do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this agreement.
- (C) Except as otherwise provided in this agreement, the term “Election Officer” refers to the Travis County Clerk.
- (D) Except as otherwise provided in this agreement, the term “precinct” means all precincts in the territory of the Participating Entity within Travis County.
- (E) Except as otherwise provided in this agreement, the term “fiscal year” refers to a time period that begins on October 1 and closes on September 30 of each year.
- (F) Except as otherwise provided in this agreement, the term “election services” refers to services used to perform or supervise any or all of the duties and functions that an

election officer determines necessary for the conduct of an election. Except as otherwise provided in this agreement, the term “cost for election services” includes the costs for personnel, supplies, materials, or services needed for providing these services as permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.

- (G) Except as otherwise provided in this agreement, the cost for “use of voting equipment” is the amount the Participating Entity agrees to pay the County for use of the County’s DRE equipment.
- (H) The Participating Entity agrees to commit the funds necessary to pay for election-related expenses for Participating Entity elections.
- (I) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in I.(A).
- (J) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code. The Participating Entity agrees to enter into any joint election agreement required by the County.

II. PARTICIPATING ENTITY’S USE OF VOTING EQUIPMENT

- (A) The County shall make available to the Participating Entity their current and future-acquired voting system as authorized under Title 8 of the Election Code, subject to reasonable restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, and subsequent runoff elections. The Election Officer may impose reasonable restrictions and conditions to protect the equipment from misuse or damage.

III. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer (“Election Officer”) is appointed to serve as the Participating Entity’s Election Officer and Early Voting Clerk to conduct the Participating Entity’s elections described in Section I.
- (B) As the Participating Entity’s Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable law.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (8) below and any other election duties that may not be delegated to another governmental entity:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election;
 - (2) preparing federal Voting Rights Act election pre-clearance submissions to the Department of Justice, other than changes in a joint election conducted under this agreement that directly affect the County;
 - (3) preparing the text for the Participating Entity's official ballot in English and Spanish, or other languages as required by law;
 - (4) providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
 - (5) conducting the official canvass of a Participating Entity election;
 - (6) administering the Participating Entity's duties under state and local campaign finance laws;
 - (7) having a Participating Entity representative serve as the custodian of its election records; and
 - (8) filing the Participating Entity's annual voting system report to the Secretary of State as required under Chapter 123 et seq. of the Texas Election Code.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory recounts held prior to and after the election. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with her to resolve any issues so that final approval can be reached.
- (E) The legal assistant to the attorney for the District will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. Prior to each election, the Participating Entity will designate a person who will serve as Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots, and forward these applications to the Joint Early Voting Clerk. The legal assistant to the Attorney for the District will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Election Code that the Election Officer will not perform.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) The County shall provide a list for presentation to the governing body of the Participating Entity, containing a list of places, times, and dates of early voting suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees will be included as part of the election service costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. BUDGET INFORMATION

- (A) Not later than February 15 of each year, the Participating Entity shall provide to the Election Officer a forecast of Participating Entity elections for the next two fiscal years.
- (B) Not later than March 15 of each year, Travis County shall provide to the Participating Entity, based on the confirmed forecasts of each jurisdiction for which the County performs election services or with which the County participates in joint elections, a projection of the Participating Entity's election costs per year for each of the next two fiscal years. The forecast shall include:
 - (1) a forecast of elections for all jurisdictions for which the County performs election services or with which the County participates in joint elections.
 - (2) the precincts to be used for each election and each jurisdiction described in Subsection 1.
 - (3) for each election, the Participating Entity's projected share of election costs

determined by this contract and relative to other jurisdictions for which the County performs election services or with which the County participates in joint elections. In the case of a joint election, the Participating Entity's projected share of election costs will be determined on a pro rata basis using the following method. The number of precincts each participating entity has involved in an election will be added together. The proportional percentage of that sum for each entity will be calculated. The proportional cost for each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost for each entity. For Participating Entities with fewer than 50 precincts, a not-to-exceed flat rate will be determined in accordance with Exhibit A, which is attached hereto and incorporated herein for all purposes. After each election the formula that produces the lowest figure will be used for final billing purposes.

- (4) If a flat fee is not used in calculating the Participating Entity's projected share of election costs relative to other jurisdictions for which the County performs election services in addition to the projected itemized election costs, Travis County shall include a fee to be charged by the Election Officer equal to 10% of the Participating Entity's projected share of the total costs of each election, as described in Section VI., excluding the costs of voting equipment, which are described in Section VII.

VI. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VII. of this agreement.
- (B) Not later than the 50th day before an election, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer under Section V.(B)(3) of this agreement. In case of a cancellation of an election by the Participating Entity, the Participating Entity will notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. Notwithstanding the provisions in IX. (B), the County and the Participating Entity agree that notice under VI.(B) can be provided via e-mail to the County at election@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by the attorney for the Participating Entity or his or her legal assistant. No deposit will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the remaining 25% of the expenses and charges, or the balance due where the cost schedule or bill has been revised. Payment shall

be made from current revenues available to the Participating Entity. If there is a runoff election, the Participating Entity will make a payment equal to 75% of the projected costs for the runoff election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in VI.(C).

- (C) The Election Officer will charge a fee for election services, as described in Section VI, equal to 10% of the total costs of each election excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VII. In the event of a joint election, this 10% fee will be divided on a pro rata basis among all entities involved in the election in the same method as described in Section V.(B)(3). If the flat fee calculated in accordance with Exhibit A is found to be the lesser of the two amounts, the 10% fee is included in that flat fee charge.
- (D) For elections that do not have a runoff election, the County will send the Participating Entity a final invoice of election expenses not later than the 45th day after an election. For elections that do have a runoff, the County may send the Participating Entity a final invoice of election expenses not later than the 45th day after the runoff election. This invoice may include expenses for both elections. The total amount due according to these invoices shall be offset by any payments made for “upfront” costs or made in accordance with Subsection (B) of this section. The County shall prepare the invoice to include:
 - (1) an itemized list of each election expense incurred;
 - (2) the corresponding budget estimate for each item listed;
 - (3) for each final invoice item, the Participating Entity’s pro rata share of costs will be expressed as a percentage of the total cost of the item for all jurisdictions for which Travis County performs election services;
 - (4) an itemization of any adjustments or credits to the first post-election invoice; and
 - (5) the total payment due from the Participating Entity for any portion of the Participating Entity’s costs not included in the Participating Entity’s payment under Subsection V.(B) or not included as payment for an “upfront” cost;
- (E) The Participating Entity shall promptly review an election invoice and supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice.

VII. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using the voting system that the Election Officer administers in the conduct of County elections, as approved by the Secretary of State in accordance with the Texas Election Code unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding a general or special November election, the Participating Entity is not charged any cost for equipment usage. However, if a runoff election is necessary after a November election, the Participating Entity will pay for equipment usage.
- (D) In the event of a joint election not occurring in November, the cost for equipment usage per entity is determined by taking the cost per election and multiplying it by the proportional cost factor for that entity. If the flat fee is charged in accordance with Exhibit A, the participating Entity will pay the lesser of the two amounts.
- (E) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (F) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section VI.(D).
- (G) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this agreement and, when necessary, the County Clerk, elections division staff members, and other election

workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.

- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.
