Meeting Date: September 4, 2012

Prepared By: Paul Scoggins **Phone #:** 854-7619

Division Director/Manager: Anna Bowlin, Division Director of Development Services

A handwritten signature in black ink, appearing to read "Steven M. Manilla".

Department Head: Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Huber, Precinct Three

AGENDA LANGUAGE: Consider and take appropriate action on a request to authorize the filing of an instrument to vacate the two 7.5' wide public utility easements located along the rear and west side lot line Lot 5, Block E of The Hills of Lost Creek, Section Two – Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

TNR staff has received a request to vacate two 7.5' wide public utility easements (PUEs) located along the rear and west side lot line of Lot 5, Block E of The Hills of Lost Creek, Section Two. The PUEs are schematically shown on the face of the plat. The subject lot fronts on Quaker Ridge Drive, a street maintained by Travis County.

The utility companies operating in the area have stated they have no objection to vacating the subject easements. Staff foresees no opposition to this request.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff and staff finds the vacation request meets all Travis County standards. As such, TNR staff recommends the request.

ISSUES AND OPPORTUNITIES:

According to the request letter the property owner is in the process of selling. There is a house, pool, and various other improvements existing on the lot. Some of these improvements are currently encroaching on the subject easements. Vacating the subject easements will remedy the encroachments and allow the property owner to move forward with the sale.

FISCAL IMPACT AND SOURCE OF FUNDING:

RE: Request for vacation of a Public Utility Easement on the property located at 1503 Quaker Ridge Drive, Austin, Texas.

I represent Robert Durkee in his request for a vacation of a platted Public Utility Easement on his property. Mr. Durkee has a sale pending on the subject property which is subject to his addressing the issues discussed herein.

The property is legally described as Lot 5, Block "E", THE HILLS OF LOST CREEK SECTION TWO, as recorded in Volume 76, Page 263, Plat Records of Travis County Texas. TCAD Parcel ID 01-1125-11-02

The subject property is located in the ETJ of the City of Austin.

There are four primary areas of concern on the subject property numbered 1-4 on the included pdf of a survey of the property.

1. The area identified as "1" represents an encroachment of a house addition into the 7.5' Public Utility Easement at the southwest corner of the house.
2. The area identified as "2" represents an encroachment of a lower level sidewalk and an upper level wood deck into the 7.5' Public Utility Easement
3. The area identified as "3" represents a retaining wall constructed along the west and south line of the subject property. At the point marked "A", the wall is approximately 6-7 feet tall. At the point marked "B", the wall is approximately 10 feet tall. At the point marked "C", the wall is approximately 2 feet tall. The subject property is on the high side of the wall and the neighbors are on the low side of the wall.

Release of Easement
July 11, 2012
Page 2 of 2

4. The area identified as "4" represents an area that is basically at original grade at approximately 6-7 feet below the top of the retaining wall. This area contains the pool pump pad and pump.

We are requesting that the 7.5' Public Utility Easement on the subject property (hatch marked in green) be vacated. It is my understanding that the utility providers in the subject subdivision include: Lost Creek MUD, Time Warner Cable, Texas Gas Service, Austin Energy and AT&T. Included with this submittal, please find a Statement from each of said utility providers stating that they do not have a need for the subject easement

We hereby submit this as our request for Vacation of the Public Utility Easement. If you have any questions or have any issues with granting the requested vacation, Please contact me (512-343-1970) or Robert Durkee (512-306-0020) so that we may discuss address any issues.

Sincerely,
