Re: Use of General Fund instead of Salary Fund

Dear Judge and Commissioners:

The Local Government Code establishes a general rule that salary funds must be set up for each elected officials and that the payroll and expenses of their offices be paid from this fund. If the commissioners court adopts an order directing that all money that would otherwise be deposited in these salary funds be deposited in the general fund, then it is not necessary to establish these funds. This order must be approved at the first regular meeting in the first month of the fiscal year. A similar order has been approved annually for the past several years. Accounting for these funds in the general fund is simpler than accounting for them in separate funds.

Sincerely,

A handwritten signature in black ink that reads "Barbara Wilson". The signature is written in a cursive, flowing style.
