

Travis County Commissioners Court Agenda Request

Meeting Date: February 26, 2013

Prepared By: Kurt Nielsen Phone #: 854-7218 Division Director/Manager: Charles Bergh

Department Head/Title: Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Eckhardt, Precinct Two

AGENDA LANGUAGE:

Consider and take appropriate action on the following requests:

- A) A proposed motion to authorize fees at the new facilities located at Northeast Metro Park;
- B) A proposed motion to make a change to the policy regarding refunds of facility rentals; and
- C) A proposed motion allowing Youth Baseball Organizations to charge a spectator fee of up to \$5 per spectator at Travis County's Metro Park Baseball Complexes during their 2013 tournament weekends.

BACKGROUND/SUMMARY OF REQUEST:

A) Included in the newly constructed skate park at Northeast Metro Park are two (2) new group shelters and two (2) concession pads with electrical service.

We propose adding the two (2) shelters to our current fee schedule as X-Large Shelters at a cost of \$75 per day with a \$50 refundable deposit and a \$10 reservation fee.

We propose to rent the concession pads to potential vendors for \$20 per day on weekdays and \$40 per day on weekends and Holidays with a \$50 refundable deposit and a \$10 reservation fee.

See revised fee schedule: Attachment A

B) We are proposing to make a change to our policy regarding the refund of athletic field and facility rentals fees. Currently, if someone cancels a shelter or pavilion rental less than twelve (12) days before the event they lose their reservation fee, only (\$10), but not the deposit (\$50 for shelters/concessions and \$100 for pavilions). We propose that if the cancellation is not made more than twelve (12) days prior to the event they would lose their reservation fee and their deposit. We have also added language to clarify the policy.

See revised policy: Attachment B

C) The Sam Bass Youth Baseball Organization is the primary customer at our Northeast Metro Park Baseball Complex. They provide opportunities for youth in the Pflugerville area to play recreational baseball. They have between 250 - 300 youth playing in their baseball recreation league each year. The cost is between \$80 and \$130 per participant for a 12 to 16 game season. Much of the cost of their recreational baseball program is subsidized by their select baseball league tournaments.

The Sam Bass Youth Baseball Organization has requested permission to charge a \$4 spectator fee for people 16 years of age and older during their tournament weekends at Northeast Metro Park (see attached request). They contend that in order to compete with other youth baseball organizations in the area they need to keep their tournament entry fees competitive. Other organizations having tournaments in the Pflugerville area at the Round Rock, Taylor, and Williamson County baseball complexes are able to charge spectator fees. This allows them to lower their tournament entry fees and potentially draw more teams.

In order to be equitable to other users we propose extending the authorization to our users at the Southeast and East Metro baseball complexes. The authorization would be given to organizations requesting permission to charge a spectator fee at baseball tournament events. Any general park use (walkers, joggers, etc.) would be allowed to pass through the area at no charge.

We are requesting this authorization be in effect through the 2013 calender year as a pilot program. If the program is successful, we will consider returning to Commissioners' Court to make this part of our athletic field rental policies.

See request: Attachment C

STAFF RECOMMENDATIONS:

Staff recommends approval of these motions.

ISSUES AND OPPORTUNITIES:

- A) Adding the new Northeast Metro facilities to our fee schedule will enable the public to utilize these amenities for group gatherings and concession opportunities.
- B) The revisions to our Refund Policy will reduce last minute cancellations of our facilities and clarify the policy.
- C) This is an opportunity to continue to support the youth baseball organizations that utilize Travis County's baseball fields in their efforts to provide opportunities for

youth and raise funds. This will allow these organizations to lower their tournament entry fees and optimistically draw more teams.

FISCAL IMPACT AND SOURCE OF FUNDING:

- A) We estimate approximately \$2,000 to \$2,500 per year in revenue from the new shelters and concession pads at Northeast Metro Park.
- B) Discouraging last minute cancellations of our shelter and pavilions should increase our rental revenues, however is difficult to quantify.
- C) We expect an increase in baseball field use and subsequently increased rental revenue. If the pilot program is successful this year we may propose a new fee to groups requesting authorization to charge spectator fees.

Policy for Refund of Athletic Field and Facility Rentals

- Travis County Parks must receive a cancellation request twelve (12) business days (Monday thru Friday) in advance of the scheduled event date in order for the renter to receive a full refund, which will include all fees except the non-refundable reservation fee.
- If a renter fails to cancel his/her reservation twelve (12) business days (Monday thru Friday) prior to the rental date, he/she will forfeit all reservation fees and deposits.
- Athletic Field light fees, field preparation fees, and other use fees (not to include reservation fees) are eligible for refund if cancellation is made four (4) business days prior to the event. If written cancellation is not made prior to the event through the Parks Reservation Office, use of the facility will be assumed.
- Renters may make changes (if no schedule conflict exists) to their athletic field reservation (alterations of the hours reserved) provided that it is done four (4) business days (Monday thru Friday) prior to the event. Reservations cannot be reduced to less than four (4) hours per field.
- All fees are due to the Parks Office four (4) business days (Monday thru Friday) prior to the rental date.
- All fees will be refunded in the case of rainouts. All rainouts are determined by park staff.
