- (a) **Problem Identification.** In this phase, we would be presented with an explanation of problems which affect the performance and/or cost of the agency. Alternatives for solving those problems would be explored, and if reorganization was a possible solution, we would be given a specific explanation of why the administrative reorganization is the desired alternative.
- (b) **Assuming Phase A indicated that reorganization was appropriated, an organization chart would be developed which would result in the most functional and cost-effective approach.** In this phase no consideration will be given to the existing personnel and their current job positions. The idea is to develop the best, most streamlined organization we can, without deliberately creating or eliminating positions based on the personalities currently employed by the agency. The budget and performance impact of the reorganization would be considered in adopting a reorganization plan. When the plan is adopted, formal job descriptions would be written (or amended) for the entire agency.
- (c) **Analyze Effect on Current Employees.** Once an organization plan is adopted, the administrator of the department will report to the Commissioners Court what effect he/she believes the reorganization will have on current personnel. - (d) **Prepare Transition Plan.** In addition to our Reduction-in-Force (RIF) Policy, a transition plan would be prepared showing when the reorganization would actually take effect (perhaps in stages), what changes (office moves, equipment, etc.) need to be made prior to implementation, training and orientation sessions, budget changes, and so forth. Notice would be given to every employee explaining the effect of the reorganization on them and the date such change would occur.

Should the Coordinator for IGR submit an acceptable report to the County Judge, the County Judge shall schedule for Commissioners Court the consideration of the re-appointment.

This list will be used to notify interested persons of the Travis county committees, their purpose and current or upcoming vacancies, and to provide them with a contact for additional information. In addition to the mailing list, utilization of the county's media department, as well as featured media stories, would be made to further advertise committee information and vacancies.

(B) Application for appointment will be collected by any member of the Commissioners Court, with the original being provided to the County Judge's office for central record keeping purposes.

(C) Items regarding committee appointments will be routinely placed on the Commissioners Court agenda for action. Appropriate applications will be provided as back-up material prior to court action. The deadline for placing items on the Commissioners Court agenda will apply to the committee appointments as well.

No sooner than two weeks after such notice is sent, but preferably prior to the expiration of the term, the County Judge will sponsor a generically worded item on the Commissioners Court agenda indicating the name of the board or commission on which there is a vacancy. During the Commissioners Court meeting on this agenda item, any member of the Commissioners Court can nominate someone for the appointment, which will then be voted upon by the Commissioners Court.
