

Travis County Commissioners Court Agenda Request

Meeting Date: March 12, 2013

Prepared By: Paul Scoggins **Phone #:** 854-7619

Division Director/Manager: Anna Bowlin, Division Director of Development Services and Long Range Planning

Department Head: Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Daugherty, Precinct Three

AGENDA LANGUAGE: Approve setting a public hearing on Tuesday, April 2, 2013 to receive comments regarding a request to authorize the filing of an instrument to vacate three public utility and drainage easements located over and across Lot 6A, Block 41 of the Resubdivision of Lots 3 Thru 9, Lots 26 Thru 29, Block 41 And Lots 7 Thru 13, Block 42, Austin Lake Hills, Section One AND over and across Lot 6 and Lot 28, Block 41 of Austin Lake Hills, Section One – Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

TNR staff has received a request to authorize the filing of an instrument to vacate three public utility and drainage easements (PU&DEs) located over and across Lot 6A, Block 41 of the Resubdivision of Lots 3 Thru 9, Lots 26 Thru 29, Block 41 And Lots 7 Thru 13, Block 42, Austin Lake Hills, Section One. The easements are also located over and across Lot 6 and Lot 28 of the original plat - Austin Lake Hills, Section One. The easements are schematically shown on the resubdivided lot of Lot 6A and are dedicated by plat note on the original plat. The subject lot fronts on Miami Drive, a street maintained by Travis County.

Professional engineer Robert Thompson has stated and sealed that the subject easements are not necessary for drainage and recommends they be vacated. The utility companies operating in the area have stated they have no objection to vacating the subject easements. Staff foresees no opposition to this request.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff and staff finds the vacation requests meets all Travis County standards. As such, TNR staff recommends setting the public hearing.

ISSUES AND OPPORTUNITIES:

According to the request letter the property owner requests the vacation of the easements for the purpose of placing a mobil home and carport on the property. Vacating the subject easements will allow the property owner to move forward with the plans without potentially encroaching on said easements.

FISCAL IMPACT AND SOURCE OF FUNDING:

None.

ATTACHMENTS/EXHIBITS:

1101 - Development Services Long Range Planning - Re-sub of Lots 3 - 9, Lots 26 - 29, Blk 41 and Lots 7 - 13, Blk 42 of Austin Lake Hills, Section One and Austin Lake Hills, Section One

ORDER OF VACATION

STATE OF TEXAS §

COUNTY OF TRAVIS §

WHEREAS, the property owner requests the vacation of three public utility and drainage easements located over and across Lot 6A, Block 41 of the Re-subdivision of Lots 3 Thru 9 And Lots 26 Thru 29, Block 41 and Lots 7 Thru 13, Block 42 of Austin Lake Hills, Section One as recorded at Volume 56, Page 40 And over and across Lot 6 and Lot 28, Block 41 of Austin lake Hills, Section One as recorded at Volume 12, Page 61 of the Real Property Records of Travis County, Texas;

WHEREAS, an independent Professional Engineer has submitted a letter recommending the vacation of the subject easements;

WHEREAS, Travis County staff has stated that there are no objections to the vacation of the drainage easements as described in the attached field notes and sketch;

WHEREAS, all utility companies known to be operating in the area have indicated they have no need for the easements requested to be vacated as described in the attached field notes and sketch;

WHEREAS, the Travis County Transportation and Natural Resources Department recommends the vacation of the subject public utility and drainage easements as described in the attached field notes and sketch;

WHEREAS, the required public notice was posted and the Travis County Commissioners Court held a public hearing on April 2, 2013 to consider the proposed action; and

NOW, THEREFORE, by unanimous vote, the Commissioners Court of Travis County, Texas, orders that the three public utility and drainage easements located over and across Lot 6A, Block 41 of the Re-subdivision of Lots 3 Thru 9 And Lots 26 Thru 29, Block 41 and Lots 7 Thru 13, Block 42 of Austin Lake Hills, Section One And over and across Lot 6 and Lot 28, Block 41 of Austin lake Hills, Section One, as shown on the attached sketch and described in the attached field notes, are hereby vacated.

ORDERED THIS THE _____ DAY OF _____ 2013.

 REGISTERED PUBLIC SURVEYOR

February 1, 2013

This is a request for public utility easements to be vacated at:

1605 Miami Dr.
Austin, TX 78733

Legal Description:
Lor 6-A, Block 41
Austin Lake Hills Section 1
Vol. 56, Pg 40

This request is to vacate the ten foot PUE located at the rear of the property to place a mobile home on and the five foot PUE on both sides of the property for current/future carport area.

**RE: Vacation of Public Utility Easement (PUE)
Lot 6-A, Block 41, Re-subdivision of Lots 3-9, 26-29, Block 41 & Lots 7-13,
Block 42, Austin Lake Hills Section One (Volume 56, Page 40)**

Dear Mr. Manilla:

The subject lot apparently has a 5 foot public utility easement (PUE) along both side lot lines and a 10 foot PUE through the rear of the lot. These PUEs do not appear to have any use and therefore the owner would like to have the PUEs vacated. This letter is to address the lack of need for the PUE for drainage purposes. The owner of the lot has contacted the various utility providers regarding their interest and will provide documentation from those entities separately.

We visited the subject lot, reviewed the topography, and considered the usefulness of this PUE for drainage purposes. It does not appear to us that the subject PUE is useful for drainage purposes. It appears that the majority of the upslope water flows around this lot. The run-off from Lot 7A, south of this lot, discharges largely to the street (Miami Drive) with only a small portion discharging to the rear of this lot (Lot 6A). The run-off from Lot 27A, southeast of this lot, discharges largely to the north (to Lot 28A) with only a small portion of the rear corner (northwest corner) of Lot 27A discharging to the subject lot. The run-off from Lot 28A discharges largely to the north or to the northeast corner of the subject lot. Given those trends, no significant run-off appears to flow in the alignment of the rear 10 foot PUE and no run-off at all appears to flow in the alignment of the side lot PUEs. A PUE will remain along the actual rear lot line and, though also probably not necessary if it were not for the overhead electric line, can serve as the easement for what little water crosses the back of this lot. Additionally, in our experience, it is relatively customary to have one or a couple of lots cross drain across another lot (without an easement) before being picked up in a roadside swale; it is not uncommon to have parallel roadways at different elevations resulting in high lots draining across low lots. This appears to be the case in this instance. The roadways need maintenance, but with roadside swales along Miami Drive and Lancer Lane (the upslope roadway), it would appear that sufficient conveyance would exist for the local drainage in question.

It is probably worth noting that a "natural drainage easement" exists through Lot 28A behind and generally "uphill" of this lot and that lot (except for the "natural drainage" area) and that easement passes around this lot, crossing the next lot to the north. We believe that the existence of this easement further confirms the findings above.

Mr. Steven Manilla, P.E.
County Executive
Travis County TNR
February 18, 2013
Page 2

It also is probably worth noting that the rear PUE appears to have once been along the rear line of this lot (and therefore was likely only 5 feet in width). It appears that with the re-subdivision, the PUE alignment was maintained thus apparently putting all 10 feet (5 feet on each side of the rear line) on this one lot.

Based on the forgoing, it does not seem that the PUEs along the side lot lines of Lot 6A, nor the 10 foot PUE crossing the rear of Lot 6A, are necessary for drainage purposes and as they regard drainage purposes, can be vacated.

We hope that you find this information complete and sufficient. Please contact me at 512-328-0002 if you have any questions.

Sincerely,

THOMPSON LAND ENGINEERING, LLC

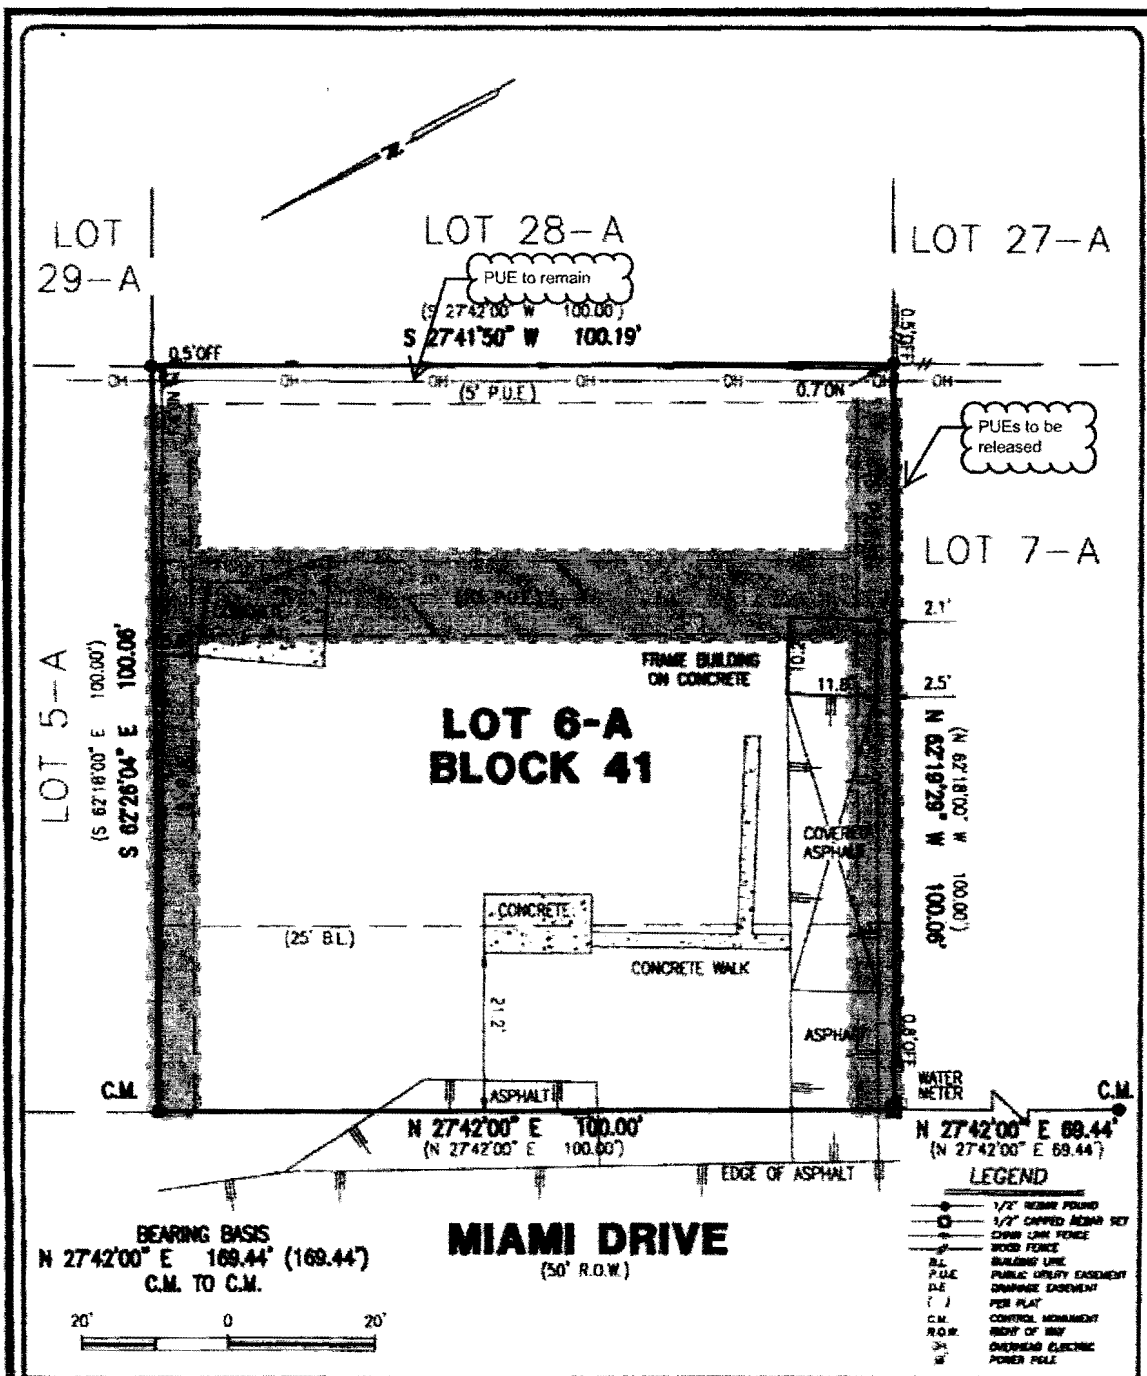

Robert C. (Ric) Thompson, M.S., P.E., C.F.M.

Re: 1605 Miami Drive.

Dear Mr. Medina,

Austin Water Utility (AWU) staff has evaluated your proposed request for the release of two 5 foot Public Utility Easement (PUE) of Lot 6-A, Resubdivision of Lots 3-9, 26-29, Block 41 & Lots 7-13, Block 42, Austin Lake Hills Section One record in Volume 56, Page 40 of the plat records of Travis County, Texas. AWU approves the requested release of these PUEs from a water and wastewater utilities standpoint.

If you have any questions regarding the response, please feel free to contact me at 512-972-0221.

Respectfully,

Angela Baez, Project Coordinator
