AGENDA LANGUAGE: Receive comments regarding a request to authorize the filing of an instrument to vacate a ten foot wide public utility easement located along the southern side lot line of Lot 6 of the 1626 Park Addition subdivision – Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

TNR staff has received a request to authorize the filing of an instrument to vacate a ten foot wide public utility easement (PUE) more specifically described as an electric easement located along the southern side lot line of Lot 6 of the 1626 Park Addition subdivision. The easement is schematically shown on the original plat. The subject lot fronts on Old Austin-San Antonio Road, a street maintained by Travis County.

The electric company operating in the area has stated they have no objection to vacating the subject easement. Staff foresees no opposition to this request.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff and staff finds the vacation request meets all Travis County standards. As of this memo, staff has not received any inquiries in regards to this request. As such, TNR staff recommends the request.

ISSUES AND OPPORTUNITIES:

According to the request letter the property owner requests the vacation of the easement for of redeveloping this lot with the property to the south. A permit for the project has been applied for under permit #12-2335.
