MEMORANDUM

TO: Honorable Sam Biscoe County Judge
FROM: Greg Hamilton, Sheriff 
SUBJECT: Mass Gathering Permit Filed by The Electric Company related to the April 26-28 Austin Psych Fest Event

The Travis County Sheriff's Office has received and reviewed the required paperwork related to the mass gathering permit filed by the Electric Company via Jason Hicks as required by statute and Travis County for the **April 26-28 , 2013 Austin Psych Fest** event located at 9501 Sherman Road, Austin TX 78742.

As the permit pertains to Title 9, Subtitle A, Chapter 751 of the Texas Health and Safety Code, Section 751.005 requires the Sheriff to investigate preparations for a mass gathering of persons that meet the criteria of the statute. The Sheriff is to submit to the County Judge a report stating whether the Sheriff believes that the minimum standards for ensuring public safety and order that are prescribed by state and local laws, rules and orders will be maintained.

The Travis County Sheriff's Office has reviewed the documents and plans submitted as part of the application to include the:

- Public Safety, Security and Staffing Plans
- Traffic Control Plan

After review of said plans, it is the opinion of the Travis County Sheriff's Office staff, and I as Travis County Sheriff, that these plans meet the minimum standards as listed in statute.

The Travis County Sheriff's Office understands that this plan will continue to be refined prior to the event and will continue to work with all public service entities involved in this event as well as local response agencies.

If you have any questions, please contact my office at 854-9770.
