The principal of each Certificate shall be paid to the Owner thereof on the maturity date thereof upon presentation and surrender of such Certificate at the office of the Paying Agent/Registrar.

(d) If the date for the payment of the principal of or interest on the Certificates is not a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

(e) Unclaimed Payments of amounts due hereunder shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owners of the Certificates to which such Unclaimed Payments pertain. Subject to Title 6 of the Texas Property Code, any Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment date shall be applied to the next payment or payments on the Certificates thereafter coming due and, to the extent any such money remains three years after the retirement of all outstanding Certificates, such money shall be paid to the County to be used for any lawful purpose. Thereafter, neither the County, the Paying Agent/Registrar nor any other person shall be liable or responsible to any Owners of such Certificates for any further payment of such unclaimed moneys or on account of any such Certificates, subject to Title 6 of the Texas Property Code.

Section 3.04 Execution and Registration of Certificates.

(a) The Certificates shall be executed on behalf of the County by the County Judge, countersigned by the County Clerk, and registered by the County Treasurer, by their manual or facsimile signatures, and the official seal of the Commissioners Court shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Certificates shall have the same effect as if each of the Certificates had been signed manually and in person by each of said officers, and such facsimile seal on the Certificates shall have the same effect as if the official seal of the Commissioners Court had been manually impressed upon each of the Certificates.

(b) In the event that any officer of the County whose manual or facsimile signature appears on the Certificates ceases to be such officer before the authentication of such Certificates or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Certificates.

In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Certificate delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be evidence that the Certificate has been duly approved by the Attorney General of the State of Texas, that it is a valid and binding obligation of the County, and that it has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one Initial Certificate representing the entire principal amount of all Certificates, payable in stated installments to the Representative or its designee, executed by the County Judge and County Clerk, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Representative or its designee. Upon payment for the Initial Certificate, the Paying Agent/Registrar shall cancel the Initial Certificate and deliver to DTC on behalf of the Representative a single typewritten Certificate for each maturity of the Certificates, in the aggregate principal amount thereof, registered in the name of Cede & Co., as nominee of DTC.

Section 3.05 Ownership.

(a) The County, the Paying Agent/Registrar and any other person may treat the person in whose name any Certificate is registered as the absolute owner of such Certificate for the purpose of making and receiving payment of the principal thereof, for the further purpose of making and receiving payment of the interest thereon, and for all other purposes (except that interest will be paid to the person in whose name such Certificate is registered on the Record Date or Special Record Date, as applicable), whether or not such Certificate is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Certificate shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Certificate to the extent of the sums paid.

Section 3.06 Registration, Transfer, and Exchange.

(a) So long as any Certificates remain outstanding, the County shall cause the Paying Agent/Registrar to keep at its office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Certificates in accordance with this Order.

(b) The ownership of a Certificate may be transferred only upon the presentation and surrender of the Certificate at the office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Certificate shall be effective until entered in the Register.

(c) The Certificates shall be exchangeable upon the presentation and surrender thereof at the office of the Paying Agent/Registrar for a Certificate or Certificates of the same maturity and interest rate and in a denomination or denominations of any integral multiple of \$5,000, and in an aggregate principal amount equal to the unpaid principal amount of the

Certificates presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Certificates exchanged for other Certificates in accordance with this Section.

(d) Each exchange Certificate delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Certificate or Certificates in lieu of which such exchange Certificate is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Certificates. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Certificate.

Section 3.07 Cancellation.

All Certificates paid in accordance with this Order, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance with this Order, shall be cancelled and proper records shall be made regarding such payment, exchange, or replacement. The Paying Agent/Registrar shall then return such cancelled Certificates to the County or may in accordance with law destroy such cancelled Certificates and periodically furnish the County with certificates of destruction of such Certificates.

Section 3.08 Temporary Certificates.

(a) Following the delivery and registration of the Initial Certificate and pending the preparation of definitive Certificates, the proper officers of the County may execute and, upon the County's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Certificates that are printed, lithographed, typewritten, mimeographed, or otherwise produced, in any denomination, substantially of the tenor of the definitive Certificates in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions, and other variations as the officers of the County executing such temporary Certificates may determine, as evidenced by their signing of such temporary Certificates.

(b) Until exchanged for Certificates in definitive form, such Certificates in temporary form shall be entitled to the benefit and security of this Order.

(c) The County, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Certificates in definitive form; thereupon, upon the presentation and surrender of the Certificate or Certificates in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar cancel the Certificates in temporary form and shall authenticate and deliver in exchange therefor a Certificate or Certificates of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Certificate or Certificates in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09 Replacement Certificates.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Certificate, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Certificate of like tenor and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of such Certificate to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Certificate is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Certificate has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Certificate of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction, or theft of such Certificate;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the County harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar, and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the County and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed, or wrongfully taken Certificate has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Certificate, may pay such Certificate if it has become due and payable or may pay such Certificate when it becomes due and payable.

(e) Each replacement Certificate delivered in accordance with this Section shall constitute an original additional contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

Section 3.10 Book-Entry Only System.

(a) The definitive Certificates shall be initially issued in the form of a single separate fully registered Certificate for each of the maturities thereof. Upon initial issuance of the Certificates, the ownership of such Certificates shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the County and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the County and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Certificates, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register, of any amount with respect to principal of or interest on the Certificates. Notwithstanding any other provision of this Order to the contrary, the County and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Register as the absolute owner of such Certificate for the purpose of payment of principal of and interest on the Certificates, for the purpose of giving notices with respect to such Certificate and other matters with respect to such Certificate, for the purpose of registering transfer with respect to such Certificate, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Certificates only to or upon the order of the respective Owners, as shown in the Register, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payment of principal of and interest on the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Certificate evidencing the obligation of the County to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(c) The Representations Letter previously executed and delivered by the County, and applicable to the County's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Certificates.

Section 3.11 Successor Securities Depository; Transfer Outside Book-Entry-Only System.

(a) The County will faithfully perform, at all times, any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Certificate; the County will promptly pay or cause to be paid the principal of and interest on each Certificate on the dates and at the places and in the manner prescribed in such Certificate; and the County will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

ARTICLE X

PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

Section 10.01 General Tax Covenants.

The County intends that the interest on the Certificates will be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Code, and the applicable regulations promulgated thereunder (the "Regulations"). The County covenants and agrees not to take any action, or knowingly omit to take any action within

its control, that if taken or omitted, respectively, would (i) cause the interest on the Certificates to be includable in the gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation or (ii) result in the violation or failure to satisfy any provisions of Sections 103 and 141 through 150 of the Code and any applicable Regulations that are applicable to the Certificates. In particular, the County covenants and agrees to comply with each requirement of this Article X; provided, however, that the County will not be required to comply with any particular requirement of this Article X if the County has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Certificates or (ii) that compliance with some other requirement set forth in this Article X will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in this Article X.

Section 10.02 No Private Use or Payment and No Private Loan Financing.

The County covenants and agrees that it will make such use of the proceeds of the Certificates, including interest or other investment income derived from Certificate proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Certificates will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. Moreover, the County will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations.

Section 10.03 No Federal Guaranty.

The County covenants and agrees that it has not taken and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Certificates to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

Section 10.04 Certificates Are Not Hedge Bonds.

The County covenants and agrees that it has not taken and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, that, if taken or omitted, respectively, would cause the Certificates to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations.

Section 10.05 No-Arbitrage Covenant.

The County covenants and agrees that it will make such use of the proceeds of the Certificates including interest or other investment income derived from Certificate proceeds, regulate investments of proceeds of the Certificates, and take such other and further action as may be required so that the Certificates will not be “arbitrage bonds” within the meaning of

section 148(a) of the Code and the Regulations. Moreover, the County will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

Section 10.06 Arbitrage Rebate.

If the County does not qualify for an exception to the requirements of section 148(f) of the Code, the County will take all necessary steps to comply with the requirement that certain amounts earned by the County on the investment of the “gross proceeds” of the Certificates (within the meaning of section 148(f)(6)(B) of the Code) be rebated to the federal government. Specifically, the County will (i) maintain records regarding the investment of the gross proceeds of the Certificates as may be required to calculate the amount earned on the investment of the gross proceeds of the Certificates separately from records of amounts on deposit in the funds and accounts of the County allocable to other bond issues of the County or moneys which do not represent gross proceeds of any Certificates of the County, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Certificates which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Certificates or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the County will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

Section 10.07 Information Reporting.

The County covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Certificates are issued, an information statement concerning the Certificates, all under and in accordance with section 149(e) of the Code and the Regulations.

Section 10.08 Record Retention.

The County will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Certificates until six years after the last Certificate is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the County to retrieve and reproduce such books and records in the event of an examination of the Certificates by the Internal Revenue Service.

Section 10.09 Registered Form.

The Certificates will be issued in registered form.

Section 10.10 Continuing Obligation.

Notwithstanding any other provision of this Order, the County's obligations under the covenants and provisions of this Article X shall survive the defeasance and discharge of the Certificates.

ARTICLE XI

Each of the following occurrences or events for the purpose of this Order is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Certificates when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement, or obligation of the County, which default materially and adversely affects the rights of the Owners, including but not limited to their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Owner to the County.

Section 11.02 Remedies for Default.

(a) Upon the happening of any Event of Default, any Owner or an authorized representative thereof, including but not limited to a trustee or trustees therefor, may proceed against the County for the purpose of protecting and enforcing the rights of the Owners under this Order by mandamus or other suit, action or special proceeding in equity or at law in any court of competent jurisdiction for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Certificates then outstanding.

Section 11.03 Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right

to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XII

DISCHARGE

Section 12.01 Discharge.

The Certificates may be defeased, refunded or discharged in any manner permitted by applicable law.

ARTICLE XIII

The County shall notify the MSRB, in a timely manner, of any failure by the County to provide financial information or operating data in accordance with Section 13.02 of this Order by the time required by such Section.

Section 13.03 Limitations, Disclaimers and Amendments.

(a) The County shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the County remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the County in any event will give notice of any redemption calls and any defeasances that cause the County to be no longer an “obligated person.”

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Certificates, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The County undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the County’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The County does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COUNTY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COUNTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the County in observing or performing its obligations under this Article shall constitute a breach of or default under the Order for purposes of any other provisions of this Order.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the County under federal and state securities laws.

(e) The provisions of this Article may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the County, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking

into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (B) an entity or individual person that is unaffiliated with the County (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Certificates. The provisions of this Article may also be amended from time to time or repealed by the County if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the County's right to do so would not prevent underwriters of the initial public offering of the Certificates from lawfully purchasing or selling Certificates in such offering. If the County so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 13.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ARTICLE XIV

AMENDMENTS

Section 14.01 Amendment of Order. The County may, without the consent of or notice to Owners, from time to time and at any time amend this Order in any manner not detrimental to the interests of the Owners, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the County may, with the written consent of the Owners of a majority in aggregate principal amount of the Certificates then outstanding, amend, add to or rescind any of the provisions of this Order; provided, that without the consent of the Owners of all of the Certificates then outstanding, no such amendment, addition, or rescission shall:

- (a) affect the rights of the Owners of less than all of the Certificates then outstanding;
- (b) make any change in the maturities of the Certificates;
- (c) reduce the rate of interest borne by any of the Certificates;
- (d) reduce the amount of the principal payable on the Certificates;
- (e) modify the terms of payment of principal of or interest on the Certificates or impose any conditions with respect to such payment; or
- (f) change the minimum percentage of the principal amount of Certificates necessary for consent to such amendment.

Certificates owned or held by or for the account of or for the benefit of the County shall not be deemed to be outstanding for the purpose of amending this Order.

Section 14.02 Notice and Adoption of Amendment. If the County desires to amend this Order and such amendment requires the consent of the Owners pursuant to Section 14.01, the

County shall cause notice of the proposed amendment to be given in writing to each Owner of Certificates then outstanding. If, within thirty (30) days, or such longer period as shall be prescribed by the County, following the giving of such notice, the Owners of Certificates then outstanding in the aggregate principal amount required by Section 14.01 shall have consented to the amendment as herein provided, no Owner of a Certificate shall have any right to object to any of the terms and provisions contained therein, or in any manner to question the propriety of the execution thereof, and all the rights of all Owners of Certificates shall thereafter be determined, exercised, and enforced hereunder subject in all respects to such amendment.

Section 14.03 Consent of Owners Irrevocable. Any consent given by any Owner of a Certificate pursuant to the provisions of this Article shall be irrevocable and binding on all future Owners of the same Certificate from the date of such consent.

Section 14.04 Nonsubstantive Changes. The County Judge, in consultation with the County's bond counsel, is hereby authorized and directed to approve such nonsubstantive changes to this Order as may be required by the Attorney General of Texas in his approval of the Certificates herein authorized.

PASSED AND APPROVED this April 23 2013.
