The principal of each Bond shall be paid to the Owner thereof on the due date (whether at the

maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the office of the Paying Agent/Registrar.

(d) If the date for the payment of the principal of or interest on the Bonds is not a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

(e) Unclaimed Payments of amounts due hereunder shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owners of the Bonds to which such Unclaimed Payments pertain. Subject to Title 6 of the Texas Property Code, any Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains three years after the retirement of all outstanding Bonds, such money shall be paid to the County to be used for any lawful purpose. Thereafter, neither the County, the Paying Agent/Registrar nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6 of the Texas Property Code.

#### Section 3.04 Execution and Registration of Bonds.

(a) The Bonds shall be executed on behalf of the County by the County Judge, countersigned by the County Clerk, and registered by the County Treasurer, by their manual or facsimile signatures, and the official seal of the Commissioners Court shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the Commissioners Court had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the County whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be evidence that the Bond has been duly approved by the Attorney General of the State of Texas,

and that it is a valid and binding obligation of the County, and that it has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the Purchaser or its designee, executed by the County Judge and County Clerk, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser a single typewritten Bond for each maturity of the Bonds, in the aggregate principal amount thereof, registered in the name of Cede & Co., as nominee of DTC.

#### Section 3.05 Ownership.

(a) The County, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and redemption premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon, and for all other purposes (except that interest will be paid to the person in whose name such Bond is registered on the Record Date or Special Record Date, as applicable), whether or not such Bond is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

#### Section 3.06 Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the County shall cause the Paying Agent/Registrar to keep at its office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000, and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the County and shall be entitled

to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the County nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, within 45 calendar days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

#### Section 3.07 Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled and proper records shall be made regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall then return such cancelled Bonds to the County or may in accordance with law destroy such cancelled Bonds and periodically furnish the County with certificates of destruction of such Bonds.

#### Section 3.08 Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the County may execute and, upon the County's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the County executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Order.

(c) The County, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and shall authenticate and deliver in exchange therefor Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction, or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the County harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar, and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the County and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed, or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the County and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

**Section 3.10 Book-Entry Only System.**

(a) The definitive Bonds shall be initially issued in the form of a separate typewritten fully registered Bond for each of the maturities thereof. Upon initial issuance of the Bonds, the ownership of such Bonds shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the County and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the County and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond evidencing the obligation of the County to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(c) The Representations Letter previously executed and delivered by the County, and applicable to the County's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

**Section 3.11 Successor Securities Depository; Transfer Outside Book-Entry Only System.**

In the event that the County determines that it is in the best interest of the County and of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the County shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such

successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

Section 3.12 Payments to Cede & Co.

Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representations Letter of the County to DTC.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01 Redemption Before Maturity.

The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02 Optional Redemption.

(a) The County reserves the option to redeem Bonds maturing on and after March 1, 2024 in whole or any part, before their respective scheduled maturity dates, on March 1, 2023 or on any date thereafter, at a price equal to the principal amount of the Bonds called for redemption plus accrued interest to the date fixed for redemption.

(b) If less than all of the Bonds are to be redeemed pursuant to an optional redemption, the County shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(c) The County, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03 Partial Redemption.

(a) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(b) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Order, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

(c) The Paying Agent/Registrar shall promptly notify the County in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

**Section 4.04 Notice of Redemption to Owners.**

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the business day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The County reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the County retains the right to rescind such notice at any time prior to the scheduled redemption date if the County delivers a certificate of the County to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

**Section 4.05 Payment Upon Redemption.**

(a) Before or on each redemption date, the County shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar

from the County and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption to the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.06 Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.04 of this Order, and subject, in the case of an optional redemption under Section 4.02, to any conditions or rights reserved by the County under Section 4.04(c), the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the County fails to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the County shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same by the County.

ARTICLE V

PAYING AGENT/REGISTRAR

Section 5.01 Appointment of Initial Paying Agent/Registrar.

The County is hereby declared to be the issuer-registrar with respect to the Bonds as defined and provided for in Section 1203.021, Texas Government Code, and the County Treasurer is hereby appointed as the initial Paying Agent/Registrar for the Bonds on behalf of the County.

Section 5.02 Qualifications.

Each Paying Agent/Registrar shall be a commercial bank, a trust company organized under the laws of the State of Texas, or any other entity duly qualified and legally authorized to serve as and perform the duties and services of paying agent and registrar for the Bonds.

Section 5.03 Maintaining Paying Agent/Registrar.

(a) At all times while any of the Bonds are outstanding, the County will maintain a Paying Agent/Registrar that is qualified under Section 5.02 of this Order.

(b) If the Paying Agent/Registrar resigns or otherwise ceases to serve as such, the County will promptly appoint a replacement.

Section 5.04 Termination.

The County, upon not less than sixty (60) days' notice, reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated written notice of such termination.

Section 5.05 Notice of Change to Owners.

Promptly upon each change in the entity serving as Paying Agent/Registrar, the County will cause notice of the change to be sent to each Owner by United States mail, first class, postage prepaid, at the address thereof in the Register, stating the effective date of the change and the name and mailing address of the replacement Paying Agent/Registrar.

Section 5.06 Agreement to Perform Duties and Functions.

By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar is deemed to have agreed to the provisions of this Order and that it will perform the duties and functions of Paying Agent/Registrar prescribed herein

Section 5.07 Delivery of Records to Successor.

If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar.

ARTICLE VI

FORM OF THE BONDS

Section 6.01 Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of the Paying Agent/Registrar, and the Assignment form to appear on each of the Bonds, (i) shall be substantially in the form set forth in this Article, with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Order, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the County or by the officers executing such Bonds, as evidenced by their execution thereof.

unless the Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provided for, and to pay interest on such principal amount from the later of the Bond Date specified above or the most recent interest payment date to which interest has been paid or provided for until payment of such principal amount has been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2014.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the office in Austin, Texas, of the County Treasurer of Travis County, Texas, as Paying Agent/Registrar, or, with respect to a successor paying agent/registrar, at the designated payment/transfer office of such successor. Interest on this Bond is payable by check dated as of the interest payment date, and will be mailed by the Paying Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the registered owner; provided, however, such registered owner shall bear all risk and expense of such other banking arrangement. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month next preceding such interest payment date; provided, however, that in the event of nonpayment of interest on a scheduled interest payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the County. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days (as hereinafter defined) prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each registered owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing such notice.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the City of Austin, Texas, are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which banking institutions in the City of Austin, Texas, are required or authorized to close (a "Business Day"), and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$10,755,000 (herein referred to as the "Bonds"), issued pursuant to a certain order of the County (the "Order") for the purpose of providing funds for improvement of County parks as described in the Order, and to pay the costs of issuing the Bonds.

The County has reserved the option to redeem the Bonds maturing on or after March 1, 2024 in whole or in part before their respective scheduled maturity dates, on March 1, 2023 or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the County shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lots the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

Notice of such redemption or redemptions shall be given by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the county in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bond or portion thereof shall cease to accrue.

In the Order, the County reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the County retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the County delivers a certificate of the County to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding, and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the County nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The County, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the County nor the Paying Agent/Registrar shall be affected by notice to the contrary.

It is hereby certified and recited that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent

to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that ad valorem taxes upon all taxable property in the County have been levied for and pledged to the payment of the debt service requirements of the Bonds, within the limit prescribed by law.

In witness whereof, the County has caused this Bond to be executed by the manual or facsimile signature of the County Judge, countersigned by the manual or facsimile signature of the County Clerk, and registered by the manual or facsimile signature of the County Treasurer and the official seal of the Commissioners Court of the County has been duly impressed or placed in facsimile on this Bond.

## ARTICLE IX

### PARTICULAR REPRESENTATIONS AND COVENANTS

#### Section 9.01 Payment of the Bonds.

On or before each Interest Payment Date for the Bonds and while any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such principal of and interest on the Bonds as will accrue or mature on the applicable Interest Payment Date, maturity date or date of prior redemption. #### Section 9.02 Other Representations and Covenants.

(a) The County will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Bond; the County will promptly pay or cause to be paid the principal of and interest on each Bond on the dates and at the places and in the manner prescribed in such Bond; and the County will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

(b) The County is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the County in accordance with their terms.

## ARTICLE X

### PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

#### Section 10.01 General Tax Covenants.

The County intends that the interest on the Bonds will be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Code and the applicable regulations promulgated thereunder (the "Regulations"). The County covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would (i) cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation or (ii) result in the violation or failure to satisfy any provisions of Sections 103 and 141 through 150 of the Code and any Regulations that are applicable to the Bonds. In particular, the County covenants and agrees to comply with each requirement of this Article X, provided, however, that the County will not be required to comply with any particular requirement of this Article X if the County has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) that compliance with some other requirement set forth in this Article X will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in this Article X.

#### Section 10.02 No Private Use or Payment and No Private Loan Financing.

The County covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the bonds will not be "private activity bonds" within the meaning of section 141 of the Code and the Regulations. Moreover, the County will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "private activity bonds" within the meaning of section 141 of the Code and the Regulations.

#### Section 10.03 No Federal Guaranty.

The County covenants and agrees that it has not taken and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the

meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

**Section 10.04 Bonds are not Hedge Bonds.**

The County covenants and agrees that it has not taken and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations.

**Section 10.05 No-Arbitrage Covenant.**

The County covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations. Moreover, the County will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

**Section 10.06 Arbitrage Rebate.**

If the County does not qualify for an exception to the requirements of section 148(f) of the Code, the County will take all necessary steps to comply with the requirement that certain amounts earned by the County on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code) be rebated to the federal government. Specifically, the County will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the County allocable to other bond issue of the County or moneys which do not represent gross proceeds of any bonds of the County, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the County will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

**Section 10.07 Information Reporting.**

The County covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar

quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

Section 10.08 Record Retention.

The County will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Bonds until six years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the County to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

Section 10.09 Registered Bonds.

The Bonds will be issued in registered form.

Section 10.10 Continuing Obligation.

Notwithstanding any other provision of this Order, the County's obligations under the covenants and provisions of this Article X shall survive the defeasance and discharge of the Bonds.

## ARTICLE XI

Each of the following occurrences or events for the purpose of this Order is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the County, which default materially and adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Owner to the County.

Section 11.02 Remedies for Default.

(a) Upon the happening of any Event of Default, any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the County for the purpose of protecting and enforcing the rights of the Owners under

this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 11.03 Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XII

DISCHARGE

Section 12.01 Discharge.

The Bonds may be refunded, discharged or defeased in any manner permitted by applicable law.

ARTICLE XIII

The County shall notify the MSRB, in a timely manner, of any failure by the County to provide financial information or operating data in accordance with Section 13.02 of this Order by the time required by such Section.

#### Section 13.03 Limitations, Disclaimers and Amendments.

(a) The County shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the County remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the County in any event will give notice of any bond calls and any defeasances that cause the County to be no longer an “obligated person”.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The County undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the County’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The County does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COUNTY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COUNTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON

ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the County under federal and state securities laws.

(e) The provisions of this Article may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the County, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (B) an entity or individual person that is unaffiliated with the County (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. The provisions of this Article may also be amended from time to time or repealed by the County if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the County's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the County so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 13.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

In addition, the County may, with the written consent of the Owners of a majority in aggregate principal amount of the Bonds then outstanding, amend, add to or rescind any of the provisions of this Order; provided, that, without the consent of the Owners of all Bonds then outstanding, no such amendment, addition, or rescission shall:

- (f) change the minimum percentage of the principal amount of Bonds necessary for consent to such amendment.

Bonds owned or held by or for the account of or for the benefit of the County shall not be deemed to be outstanding for the purpose of amending this Order.

Section 14.02 Notice and Adoption of Amendment. If the County desires to amend this Order and such amendment requires the consent of the Owners pursuant to Section 14.01, the County shall cause notice of the proposed amendment to be given in writing to each Owner of Bonds then outstanding. If, within thirty (30) days, or such longer period as shall be prescribed by the County, following the giving of such notice, the Owners of Bonds then outstanding in the aggregate principal amount required by Section 14.01 shall have consented to the amendment as herein provided, no Owner of a Bond shall have any right to object to any of the terms and provisions contained therein, or in any manner to question the propriety of the execution thereof, and all the rights of all Owners of Bonds shall thereafter be determined, exercised, and enforced hereunder subject in all respects to such amendment.

Section 14.03 Consent of Owners Irrevocable. Any consent given by any Owner of a Bond pursuant to the provisions of this Article shall be irrevocable and binding on all future Owners of the same Bond from the date of such consent.
