AGENDA LANGUAGE: Consider and take appropriate action on a request to authorize the filing of an instrument to vacate two five foot wide public utility easements located along the common lot line of Lots 1363 and 1364 of Apache Shores, Section 3 – Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

TNR staff has received a request to authorize the filing of an instrument to vacate two five foot wide public utility easements (PUEs) located along the common lot line of Lots 1363 and 1364 of Apache Shores, Section 3. The easements are dedicated per plat note. The subject lots front on Broken Bow Trail, a street not maintained by Travis County.

The utility companies operating in the area have stated they have no objection to vacating the subject easements. Staff foresees no opposition to this request.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff and staff finds the vacation request meets all Travis County standards. As of this memo, staff has not received any inquiries in regards to this request. As such, TNR staff recommends the request.

ISSUES AND OPPORTUNITIES:

According to the request letter the purpose of this request is to eventually build a single family residence in the middle of the two lots. Vacating the subject easements will allow the property owner to move forward with the plans without potentially encroaching on said easements.

Request for vacating public utility easements

To whom it may concern:

I would like to have the public utility easements on our property in the middle of our double lot vacated. Our double lot consists of lots 1363 and 1364 on Broken Bow Trail in the Apache Shores Section 3, described in deed book volume 50 page 81, of T.C.P.R. Travis County, Texas. We are asking for the easement on either side of the common lot line between these two lots to be vacated.

The reason for the easement release request is that we want to build a single family residence in the middle of the two lots.

Attached you find the following documents:

- Survey for the easement to be vacated
- Letters of the 4 utility companies which serve that area, in which they state that they have no need for the retention of the easement
- Plat plan of that neighbourhood with the easement to be released and our two lots highlighted

Kind regards,

Elmar Bergeler
