The claims have been audited for eligibility and all were eligible in the period covered by the claim.

All claims over \$25,000 (3 this week totaling \$160,473.28) have been audited for data entry accuracy and the following information is correct for each claim audited: date of service, eligibility, nature of service, name of and amount billed by provider, amount billed by date and amount paid by UHC.

Fifteen percent (15%) of all claims under \$25,000 (\$147,428.32) have been audited for data entry accuracy and the following information is correct for each claim identified for this random review: date of service, eligibility, nature of service, name of and amount billed by provider, date and amount paid by UHC.
