Travis County Commissioners Court Agenda Request

Meeting Date: July 30, 2013

Prepared By: Paul Scoggins **Phone #:** (512) 854-7619

Division Director/Manager: Anna Bowlin, Division Director of Development Services and Long Range Planning

Department Head: *Carl B. Jordan*
Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Daugherty, Precinct Three

AGENDA LANGUAGE: Consider and take appropriate action on a request to authorize the filing of an instrument to reject the dedication and abandon the public streets known as Lenape Trail, Lenape Cove, Superview Drive, and Indian Scout Trail, all originally dedicated by The Overlook Estates, Phase 1 subdivision - a subdivision in Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

A Commissioners Court hearing for this rejection of dedication and abandonment of public streets request was originally held on May 22, 2012. However, action was not taken at that time. The Court requested that the applicant meet with neighboring property owners who showed concern and/or opposition during the hearing.

Staff has since received a letter from the developer's attorney (Terrence L. Irion) requesting the item be re-scheduled for Court. Due to the time that has lapsed from the original hearing, staff required public notice to be posted and a new hearing be set.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff which finds the request meets Section 82.206(c) of the Travis County Standards for Construction of Streets and Drainage in Subdivisions. As such, TNR staff recommends the proposed action.

ISSUES AND OPPORTUNITIES:

Since the hearing of May 22, 2012, additional meetings were held between the developer and the concerned neighboring property owners. It is staff's understanding that the meetings were inconclusive. As of this memo, staff has received additional inquiries in response to the public notice postings. The responses/opinions have been mixed.

If the request is approved, the developer will then move forward with submitting plans to get permitting for privacy gates at either end of the project.

FISCAL IMPACT AND SOURCE OF FUNDING:

None.

RE: Application for Conversion of Existing Public Dedicated Street to Private Street
Overlook Estates Phase I

Dear Paul:

Commissioner Daugherty is going to request that Judge Biscoe put an item for rejection of dedication and abandonment of public street on Linape Trail, Linape Cove, Sugarview Drive and Indian Scout Trail on the next agenda. This item was posted for action on May 22, 2012 and left pending by the Commissioners Court. It was Item 24 on that Agenda. Please confirm that there are no outstanding items that you need to complete the agenda packet (all material from Item 24 on the May 24, 2012 Agenda should be sufficient).

The support letter that we had from ESD #3 stated, "Security gates, if installed at the main entrances of the development shall have an approved KNOX emergency override electric key switch installed in an approved location. The key switch may be ordered at our office during standard business hours. The security gate if installed shall also have an additional means of operation during a power loss condition." Applicant intends to install security gates that meet this specification.

Please advise if there is any additional submittals you will require for the agenda packet prior to June 25. Thank you for your attention to this matter.

Sincerely

Terrence L. Irion

Travis County Commissioners Court Agenda Request ²⁴

Meeting Date: May 22, 2012

Prepared By: Darla Vasterling **Phone #:** 854-7564

Division Director/Manager: Anna Bowlin, Division Director of Development Services ^{AB}

Department Head: Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Huber, Precinct Three

AGENDA LANGUAGE: Consider and take appropriate action on a request to authorize the filing of an instrument to reject the dedication and abandon the public streets - Lenape Trail, Lenape Cove, Superview Drive, and Indian Scout Trail, all originally dedicated by the plat of The Overlook Estates Phase 1, a subdivision in Precinct Three.

BACKGROUND/SUMMARY OF REQUEST:

On May 20, 1986, the Travis County Commissioners Court passed an Order authorizing the filing for record of the plat of The Overlook Estates 1. In that document the developer Spindletop Savings Association President David L. Parsley signed a statement which dedicated the streets, shown on the plat, to the public.

In a letter from the Law Office of Terrence L. Irion, dated March 27, 2012, Mr. Irion presents the Declaration of Covenants, Conditions, and Restrictions, for the subdivision, which show that the Association shall maintain, repair, and replace, as necessary, all private improvements in the public right of way and/or the roads themselves, should they become private.

The Attorney for the developers, Mr. Irion requests that the streets of this subdivision be declared private by action of the Travis County Commissioners Court. Therefore the Travis County Commissioners Court shall have the Public Hearing on this date of May 22, 2012, in regards to rejecting the dedication and abandoning these streets.

STAFF RECOMMENDATIONS:

The request has been reviewed by TNR staff and staff finds the request meets Section 82.206(c) of the Travis County Standards for Construction of Streets and Drainage in Subdivisions. As such, TNR staff recommends rejecting the dedication and abandoning the streets of this subdivision.

ISSUES AND OPPORTUNITIES:

On March 3, 2012, developers and engineers met with the neighborhood, in order to inform them of the proposed change in status of the roads in this subdivision. Mr. Irion has reported, in his letter dated March 27, 2012, that most of the residents who attended the meeting were not opposed to the change. Although it is possible that one or two may speak against this action, no one has contacted staff in this regard. One resident of Ridge at Thomas Springs requested another sign at Thomaswood Lane and Thomas Springs Drive.

The applicant has submitted Statements from utility companies, the City of Austin Transportation, the emergency services district, and the school district stating that they have no objection to this subdivision converting to private streets. Additionally, the applicant has submitted the homeowners association of incorporation, the bylaws of the association, and the covenants, restrictions, and restrictions showing that there is a body in place to maintain the streets.

Some of the lots have been sold and the applicant is collecting letters of approval of conversion from public to private streets.

RE: The Overlook Estates Phase I – Request to convert publicly
dedicated right-of-way to private streets

Dear Ms. Vasterling:

Attached please find an electronic copy of the completed application package to convert the above referenced public street to a private street. This application package has been approved by the City of Austin and all public utility service providers including AT&T, PEC, Time Warner Cable and Austin Water Utility. It has also been approved by Fire Department which services this area, ESD No. 3.

Request is made that the item be scheduled on the agenda of the Commissioner's Court for the next available meeting.

I am also attaching with this letter The Overlook Estates Phase I Homeowners Association, Inc. Certificate of Filing; a copy of The Overlook Estates Phase I Declaration of Covenants, Conditions and Restrictions, which includes a private street maintenance covenant.

When Phase Two of the Street is extended to The Ridge at Thomas Springs, a fire access gate will be installed to specifications approved by ESD No. 3.

On March 3, 2012, a neighborhood meeting was held onsite in The Overlook and all lot owners in The Ridge at Thomas Springs were invited to attend to learn more about the plans for The Overlook Development and the private street conversion. I am attaching photos of the tent meeting and also of the notices that were placed at the entrance to The Ridge at Thomas Springs notifying the neighbors of the meeting. Letters were also sent to the property owners immediately adjacent to The Overlook Subdivision. Nineteen residents attended the meeting. All seemed to generally support or at least not oppose the emergency access only connection to the extension of Linape Trail into The Ridge at Thomas Ridge Springs Subdivision with the exception of one lady who owns a 5 acre out parcel (not part of either subdivision) and one woman on Rawhide Trail. A copy of the sign-in sheet for the meeting is also attached for your reference.

Mr. Vasterling
March 27, 2012

Having satisfied all the requirements of the County Ordinance for conversion of public dedicated street to private streets, the Applicant respectfully requests that this item be put on the Commissioner's Court agenda for consideration.

Respectfully submitted,

Dear Ms. Vasterling:

Please find a copy of the typical letter being sent to lot owners in the Ridge at Thomas Springs. As best we can tell, there is no homeowners association so there is no association contact to whom such a letter can be directed.

Thank you for your attention to this matter.

Hirsch Gaynelle Baker
7310 Linape Trail
Austin, Texas 78736-2803

Dear Ms. Baker:

I represent the owners of the Overlook Estates Phase 1 Subdivision, which was platted and recorded in 1986, but which is just now being developed in phases. The first phase of construction which is being completed at this time will build out the streets and utility infrastructure to serve approximately 35 lots along Linape Trail from Circle Drive. The road construction of this phase will stop short of extending Linape Trail to The Ridge at Thomas Springs.

A subsequent phase will eventually build Linape Trail to the street stub-out at The Ridge at Thomas Springs, but no time table has yet been set for this subsequent construction.

The purpose of this letter is to inform you that the owners have requested conversion of the plat dedicated public streets in The Overlook Estates to private streets with the right to install a privacy gate at the entrance on Circle Drive. The conversion to private street request to Travis County will be subject to extension of Linape Trail to the common boundary line with The Ridge at Thomas Springs with the construction of an emergency access gate to allow public emergency service provider access through the street connection. The gate will be installed with a Knox box accessible by all public emergency service providers.

If you have any questions regarding this future emergency access or the privatization of Linape Trail through The Overlook Estates, please contact either Keith Schoenfelt at The Overlook Joint Venture (512) 626-3504 or the undersigned.

Also, we have not been able to identify any neighborhood association officers for The Ridge at Thomas Springs. If you know of an association contact within your neighborhood, please advise and I will be happy to provide a copy of this letter your association.

Sincerely,

Terrence L. Irion

RE: Letter of request to convert Publicly Dedicated Right-of-Way to Private Streets
Legal name of subdivision: The Overlook Estates Phase 1
TLE No.: 1103

Dear Mr. Manilla,

This letter is to request that the publicly dedicated right-of-way shown on the plat for The Overlook Estates Phase 1 (Lenape Trail, Superview Drive, and Indian Scout Trail) be converted to private streets. We are seeking the conversion for the following reasons.

- The limiting of traffic will provide a safer environment for the children since children can often wander into the street.
- Converting the streets to private will provide the subdivision with a better feeling of security.
- Converting the streets to private will allow to the installation of community landscaping, irrigation, and monumentation without a licensing agreement.
- All of the drainage from the subdivision goes to Barton Creek. All of the drainage from Circle Drive does not necessarily go into Barton Creek. Therefore, by limiting traffic in the subdivision (limiting the "cut through" traffic) it should help limit the pollutant load to the creek.
- The City of Austin would not accept the park lot as a public park. Therefore, converting the streets to private should help reduce any confusion about the park lot being a City or County maintained park.

Included in this application are the unsigned documents for the easements and the Homeowners Association's Declaration of Covenants, Conditions and Restrictions (Items 3, 4 & 5) for legal review. We are awaiting the Homeowners Association Certificate of Incorporation (Item 2). We have the signed letters from all the utility companies (Item 6) and the Emergency Services District (Item 7) stating that they have no objection to the streets converting to private. We are awaiting the same letter from AISD Transportation Director (Item 7) and expect to have it shortly. We are also awaiting the letter from the City of Austin concurring with the request but we understand that we have their approval verbally (Item 8). There is no access needed for adjacent property from the private street (Item 9).

Should you need additional information for the administrative aspects of processing this request, please contact myself or Gwen Gates at 328-0002. Should you need additional owner information or should you

**ORDER OF THE TRAVIS COUNTY COMMISSIONERS COURT
CONVERTING LENAPE TRAIL, LENAPE COVE, SUPERVIEW DRIVE, AND INDIAN
SCOUT TRAIL TO PRIVATE STREETS**

WHEREAS, the streets and roads in the Overlook Estates Phase 1, a subdivision recorded at Vol. 86, Page 152d - 153c, Travis County Plat Records, were dedicated to the public in 1986, and the new owners want to apply to the Commissioners Court to change the status of the streets from public to private; and

WHEREAS, the streets have not been accepted by Travis County; and

WHEREAS, on application by the attorney for the property owners of the Overlook Estates Phase 1, a request was received and a Public Hearing held on July 30, 2013, in the Travis County Commissioners Court ("the Court") to consider whether the following roads and streets, each of which connect directly or indirectly to Circle Drive (collectively, "the Public Roads") should be converted from public county roads and streets to private roads and streets through their abandonment by Travis County:

Lenape Trail, Lenape Cove, Superview Drive, and Indian Scout Trail hereinafter referred to collectively as ("the Streets"); and

WHEREAS, the Overlook Estates Phase 1 HOA, Inc., (OEP1HOA) a validly existing nonprofit corporation, will maintain the streets when the construction is complete and the Court is notified of completion of construction of the streets and drainage; and

WHEREAS, by virtue of the aforementioned actions, OEP1HOA, Inc. has assumed authority and responsibility to pay applicable taxes on and maintain the Streets and established easements for utilities, drainage, emergency service providers, and other public service providers so that abandonment of the Streets will not substantially impair the rights of the utilities, service providers, and any and all land owners who rely on or use the Streets for access; and

WHEREAS, the City of Austin, in whose extraterritorial jurisdiction the Streets are located, has consented to the conversion of the county streets and roads in its extraterritorial jurisdiction from public to private by adoption of Section 30-2-159, Austin/Travis County Subdivision Regulations; and

WHEREAS, the requisite 20-day notices were posted, and the Court held a public hearing to consider and provide an opportunity for public comment on this matter; and

WHEREAS, the Court finds that the abandonment of the Streets will not substantially interfere with the access rights of any affected land owner.

NOW, THEREFORE, THE COURT FINDS AND ORDERS THAT:

1. The recitals to this Order are true and correct and are incorporated herein.
2. The Streets are hereby classified as third class streets.
3. The Streets are hereby abandoned and the public's interest in the right-of-way is relinquished, except as to the easements for utilities, drainage, and public service agencies established by such declarations and agreements.

ORDERED by unanimous vote on _____, 2013.
