

## Travis County Commissioners Court Agenda Request

**Meeting Date:** September 10, 2013

**Prepared By/Phone Number:** Diana Ramirez (512) 854-9694

**Elected/Appointed Official/Dept. Head:** Leslie Browder, County Executive

**Commissioners Court Sponsor:** Judge Samuel T. Biscoe

**AGENDA LANGUAGE:** Consider and take appropriate action on proposed Fiscal Year 2014 Budget Rules and proposed change to Travis County Code Section 10.061 regarding Travel

### **BACKGROUND/SUMMARY OF REQUEST AND ATTACHMENTS:**

Every year, the Planning and Budget Office reviews and updates the Budget Rules for the upcoming fiscal year. PBO obtains input and suggestions from the County Auditor's Office, the County Attorney's Office and various other offices throughout the County. The proposed FY 2014 Budget Rules are attached (Attachment 1).

This year, PBO is recommending primarily technical changes to the FY 2014 Budget Rules as well as many small corrections and updates to comply with current practice and further incorporate SAP terminology and procedures. The primary changes are:

1. The travel related budget rule and appendix have been combined and streamlined so as not to duplicate the County Auditor's Travel Guidelines. In addition, PBO is working with the Auditor's Office, Human Resources Management Department, County Attorney's Office and the Travis County Code Committee to revise the Travis County Code that deals with travel. That portion of the work will be brought to you for action on September 17, 2013. The Code Committee will be recommending that the whole Subchapter be repealed except for Section 10.061(a) which currently reads:

Travis County employees and officials who are required to travel in the performance of county business will be reimbursed as provided for in these policies. It shall be the responsibility of the county auditor to monitor the financial compliance with these travel policies.

These changes to the County Code are being recommended to ensure that only the overarching Commissioners Court policy regarding travel is included in the Code. This avoids the current problem of the Code reflecting out of date details such as specific travel reimbursement rates. While the proposed Fiscal Year 2014 Budget Rules still include some language related to Travel, the main purpose of the budget rule for travel is to point County staff to the County Auditor's Travel Guidelines.

**AGENDA REQUEST DEADLINE:** All agenda requests and supporting materials should be submitted as a pdf to the County Judge's office, [agenda@co.travis.tx.us](mailto:agenda@co.travis.tx.us) by **Tuesdays at 5:00 p.m.** for the next week's meeting.

2. Rule #20, Discretionary Fund Reimbursements, has been combined with the travel rule because the rule addresses travel issues funded from discretionary funds.

3. Rule #15, Long Distance and Cellular Phone Expenses has been replaced with "Wireless Policy". The proposed Rule #15 requires offices and departments to comply with Chapter 39, Wireless Communications Policy, of the Travis County Code. This chapter is currently being revised by the Wireless Communications Committee and is expected to be brought to Commissioners`Court for review in the coming weeks.

4. Appendix 4, Jury Meals and Jury Sequestration in Criminal Cases has been deleted. The section of the appendix that dealt with jury meals was obsolete and did not reflect current practice. The section on jury sequestration was moved to Appendix 3, Additional Guidance.

5. Budget Rule #3, Budget Control was revised to clarify the budget control levels for various types of capital projects.

6. The "Insurance and FSA Administration Fees" section of Rule #18, County Auditor's Budget Adjustment Authority and Appendix 3, Section G, Personnel Position List were deleted from the rules because the sections are obsolete.

#### **STAFF RECOMMENDATIONS:**

This item does not need Commissioners Court action on September 10<sup>th</sup>. However, PBO will be recommending approval of the proposed changes to these documents on September 17, 2013.

#### **ISSUES AND OPPORTUNITIES:**

PBO will continue working with the County Auditor's Office and other County offices and departments to further streamline the budget rules to ensure that administrative practices and procedures are not part of the rules.

#### **FISCAL IMPACT AND SOURCE OF FUNDING:**

There is no fiscal impact associated with the approval of the budget rules.

## INTRODUCTION

The Fiscal Year 2014 budget rules and policies were adopted by the Travis County Commissioners Court on September xx, 2014. The rules and policies are adopted to ensure that the implementation of the budget is consistent with Commissioners Court policies and applicable laws.

## BUDGET RULES

⇒ **Rule #1. The Travis County Budget Order Is the Sole and Complete Authority.**

During Fiscal Year 2014, the Travis County Budget Order is the sole and complete authority for expenditure of County funds and for the use of County resources that are subject to appropriation by the Travis County Commissioners Court.

⇒ **Rule #2. Expenditures in Excess of Budget Are Prohibited.**

Expenditures and contractual obligations in excess of the amount authorized in an office's or department's budget are prohibited. Offices and departments cannot expend more funds in any budget control group than the amount adopted in the budget. If additional funding is sought, the office or department must have the budget amended by Commissioners Court.

Expenditures must not:

1. Result in insufficient funding to meet the obligations of the office or department during the remainder of the fiscal year;
2. Commit the County to additional funding in the next fiscal year; or
3. Use either one-time funding or one-time savings for ongoing commitments.

An office or department that incurs an expenditure for which it does not have sufficient funds must reallocate existing funds to cover the shortfall. This may require reductions in personnel. Mandated services must be given highest priority.

⇒ **Rule #3. Budget Control Is Authorized at the Office or Department Level. The Budget Is Managed at the Budget Control Group Level.**

The budget is controlled at the office or department level. Throughout the year, the budget is managed either at the fund center control group or funded program level of the office or department, and further managed at the commitment item control group level. A budget control group means one or more similar accounts or fund centers (cost centers) that are grouped together. This includes budget control groups for capital accounts in the 52xxx range in General Fund (Capital Acquisition Resources), Certificates of Obligation funds and Bond funds cost centers. In the SAP system,

transfers between accounts and fund centers will not be necessary for accounts, fund centers or funded programs that are within the same budget control group.

For Certificate of Obligation funds and Bond funds, each project initially funded in FY 2014 and beyond must have a unique Work Breakdown Structure (WBS) or Internal Order (I/O). These WBS and I/O projects will be budgeted and controlled as funded programs.

A WBS element is used to collect and manage costs for performing tasks within a project that can occur over one or more years. Internal Orders are used to monitor costs and revenues for activities and programs that are short-term or finite in nature.

### **Budget Adjustments:**

A budget adjustment is required for any proposed changes to the budget across budget control groups or across offices or departments. An authorized official (elected or appointed official, county executive or other manager) must approve submission of the budget adjustment. An authorized official may delegate an employee to create budget adjustments by submitting an SAP help ticket.

Budget adjustments are not allowed to or from fund centers designated as Capital Acquisition Resources (CAR) accounts to fund centers outside of CAR accounts. The CAR accounts are used for capital expenditures and one-time equipment expenditures that do not fit within the definition of capital assets, such as computers that have a unit cost of less than \$5,000.

Budget adjustments that would result in a negative revised budget in any commitment item are not allowed.

Offices and departments process all budget adjustments through SAP. Instructions for using SAP are available at <http://TCSAPhelp>. Exceptions to processing budget adjustments using SAP are determined by the County Auditor or PBO (such as the use of paper budget adjustment forms for LCRA Fund Transfers approved quarterly by the Commissioners Court).

<p>⇒ <b>Rule #4. An Office's or Department's Personnel Obligations on an Annualized Basis May Not Exceed the Amount Appropriated in the Budget.</b></p>
---

Offices or departments are responsible for making overall personnel decisions that do not exceed the total personnel appropriation and personnel budget control groups in the budget. Personnel decisions include hiring decisions and internal promotions and applications of career ladders.

Offices and departments can only rely on the fixed amount of funds in the total budget adopted for Fiscal Year 2014 when submitting a budget for Fiscal Year 2015 even if the office or department has made personnel decisions on an annualized basis that are

greater than their personnel budget control groups for that fiscal year. In these situations, offices and departments are expected to make appropriate reductions to their budget to ensure they meet this requirement.

### **Negative Salary and Benefit Accounts**

If an office or department incurs a negative balance in a salary or employee benefit budget control group, it must submit a budget adjustment to PBO as soon as possible and before the next payroll submission date to correct the deficiency for the remainder of the current fiscal year. At the end of the fiscal year, the County Auditor's Office is authorized to cover any shortages in salary or employee benefit budget control groups through budget adjustments, where applicable, as noted under Budget Rule #18.

### **Overtime**

Employees may not be authorized to work overtime unless overtime is budgeted (either in the original or revised budget) for the office or department to pay for that work.

The following exception applies:

1. there is a workload increase for a short period of time
2. the workload increase needs to be performed by current employees in that short period of time
3. the increased workload would negatively impact the critical operations of the office or department if not performed

Unbudgeted overtime must be declared an emergency by an elected county or district official and must be reported to the County Auditor, PBO and the Commissioners Court within five (5) days of the occurrence.

**Any overtime obligation that has a negative balance must be covered by the office or department through a budget adjustment before the next payroll submission date. The office or department must use the existing budget to cover any deficit. At the end of the year, the County Auditor's Office is authorized to cover any overtime deficit as noted under Budget Rule #18.**

### **Medical Insurance Benefit Funds**

Any year-end balances in the *Medical Insurance Benefit* obligations remain within the funds in which they are budgeted and accrue to ending fund balance (after consideration of any Benefit Savings - 504020-504030 obligations). Balances in restricted fund sources, such as grants, special revenue funds and bond funds may be transferred only to the extent allowed by the rules governing the use of the funds.

Due to changes mandated by the *Affordable Care Act*, the County expenses employee health care using an actuarially-determined contribution rate based on the coverage actually selected instead of the County-wide blended composite rate. The budget is

revised based on type and level of health care selected by each employee for the Adopted Budget. Vacant positions are budgeted at the County-wide blended composite rate.

This change could result in savings or overages in an office's or department's budget at the end of the fiscal year. Appropriate adjustments are made through the year-end closing process. This change does not affect the use of medical insurance benefit savings that continue to fall to the ending fund balance.

### **Law Clerk Positions in the County Attorney's Office**

The County Attorney's Office has an approved number of authorized full-time equivalents (FTEs) for Law Clerk positions. Depending on the business needs of the office, the number of full-time and part-time positions for these Law Clerks may vary throughout the year, as long as the overall authorized FTEs and associated budget is not exceeded.

<b>⇒ Rule #5: Automatic Budget Adjustments Must Meet Specific Criteria.</b>
---

Local Government Code Section 111.070 (c) (2) allows the Commissioners Court to authorize PBO to process budget adjustments and send them directly to the County Auditor's Office for auditing and posting to the financial system without further approval subject to the terms and conditions approved by the Commissioners Court.

The Commissioners Court has authorized PBO to approve transfers as automatic budget adjustments if they move funding within an office's or department's current budget, and the transfers meet the following criteria:

1. Do not involve any reserve obligations within a fund or office or department, except for arbitrage rebate disbursements as established in the exception to Budget Rule #7, unless the Commissioners Court voted to approve the transfer as an automatic budget adjustment;
2. Do not move budget between funds (a reclassification of expenditures may be permitted in special circumstances);
3. Do not use CAR, Certificates of Obligation, State Highway Bonds or Voter Approved Bond funds:
  - a. to make purchases or execute projects not already approved by the Commissioners Court
  - b. in a manner that is inconsistent with applicable bond covenants or Certificate of Obligation transcripts and the corresponding Official Statements (where applicable);

4. Do not move funds out of a budget control group that may have insufficient funding to meet the obligations of the office or department through the remainder of the fiscal year;
5. Do not move funds out of a central budget control group or central obligation (see Appendix 1);
6. Do not move funds into or out of the Wellness Clinic Fund Center in the Employee Health Benefits Fund;
7. Do not move funds from a Medical Insurance Benefit obligation (506030) except to another Medical Insurance Benefit obligation;
8. Do not move funds from budgeted salary and benefits savings obligations (504010-504050)
9. Do not move funds out of "operating transfers" (590000-595999 or 490000-495999), with the exception of County Contribution to Grants (595010) without Commissioners Court approval;
10. Do not move funds from programs or accounts that have recently received significant additional resources or are recommended to increase significantly in the upcoming fiscal year. Funds may be moved within these programs without Commissioners Court approval, but funds may not be moved from these programs or accounts without Commissioners Court approval;
11. Do not move funds from the following budget control groups (unless allowed by the exception noted below):

511460-511480, Utilities

511630, Rent-Building & Land

511800, External Placement Prisoners/Juveniles

514000-514999, Court and Law Enforcement Related Expenditures

500010-500020, Salaries-Elected/Appointed Officials

500030-500040, Salaries-County Executives

500050-500060, Salaries-Regular Employees

500090-500100, Salaries-Associate Judges

501010-501020, Salaries-POPS

502010, Overtime

502015, Extra Hours Paid Over 40

503030-503060. Law Enforcement Additional Pay  
503090, Performance Pay  
506010-506060, Standard Benefits

Note: County Executives who oversee multiple departments are authorized to move funds between the departments that they oversee in accordance with these budget rules.

**Exceptions to Budget Rule #5:**

1. If a position is vacant and documentation of the vacancy accompanies a budget adjustment, offices and departments can automatically move funds within their office or department. Upon PBO approval of departmental justification, budget may be moved from the following commitment items:

500050-500060 and 506010-506060, Salaries - Regular Employees and Standard Benefits  
501010-501020 and 506010-506060, Salaries - POPS and Standard Benefits  
500090-500100 and 506010-506060, Salaries – Associate Judges and Standard Benefits

if the adjustment moves them to:

- a) The same commitment items in a different fund center when a position is reassigned to another fund center;
- b) 500070, Salaries-Temporary Employees to temporarily fill a vacant regular position;
- c) Any of the following Services budget control group commitment items to temporarily fill a vacant regular position:

511950, Temp Personnel Services–Clerical/Managerial/Exec  
511120, Other Medical Services  
511040, Nursing Services  
511050, Pharmacist Services

- d) 502010, Overtime for an employee performing the duties of a vacant position
- e) 502015, Extra Hours Paid Over 40
- f) 500080, Salaries - Visiting Judges, if backfilling for a vacant Judge position;
- g) Juvenile Probation services commitment items;

- h) 511680, Advertising/Public Notification Services, related to advertising for vacant positions in offices or departments that advertise independently of HRMD;
- 2. An automatic budget adjustment that moves funds from 503090, Performance Pay to salary budget control groups may be executed based on approved compensation awards. Sufficient funds must exist in the budget control group from which funds are moved to pay expenditures for the remainder of the fiscal year.
- 3. An automatic budget adjustment may be executed if the funds requested to be moved are from Grant funds and the change is allowed by the grantor.
- 4. An automatic budget adjustment may be executed if the funds requested to be moved are from Bond funds and the change is allowed by the bond provisions.
- 5. An automatic budget adjustment may be executed that moves funds for approved grant matches between Funds Management and Grants Management SAP modules if the transfer results in a zero net impact for the office or department.
- 6. An automatic budget adjustment may be executed to implement changes among budget control groups related to interlocal agreements.
- 7. An automatic budget adjustment may be executed to transfer budget to 502010, Overtime as allowed in Budget Rule #4, Overtime.
- 8. If an office or department provides documentation of a change in duty rotation from one fund center to another within its office or department, personnel budget adjustments may be approved as automatic budget adjustments to reflect the move.
- 9. A budget adjustment transferring budget from an operating budget commitment item to 511710, Cellular Allowance and related Standard Benefit commitment items to implement a cell phone allowance may be treated as an automatic adjustment.

Automatic budget adjustments may also be processed at PBO's discretion to:

- a) correct administrative or technical errors.
- b) correct projected negative balances in personnel budget control groups.
- c) implement a Commissioners Court vote to process a budget adjustment as automatic.
- d) correct errors to budget adjustments previously submitted to and approved by Commissioners Court if the Court's intent in approving the transfer is clearly documented and the correction is consistent with that intent.

- e) implement an interdepartmental transfer relating to a centrally budgeted commitment item or where one department procures goods or services on behalf of another department.

Automatic budget adjustments are generally processed in two working days from receipt by PBO to allow for PBO review (24 hours) and County Auditor's Office auditing and posting (24 hours). Budget adjustments may take longer if there are any questions or issues that arise during the review process.

⇒ **Rule #6. Budget Adjustments That Do Not Meet the Criteria to be Considered Automatic Must Be Properly Authorized and Submitted for Action by Commissioners Court.**

Budget adjustments that are not considered automatic budget adjustments as described in Budget Rule #5 must be approved by Commissioners Court. These adjustments generally involve moving funds from one budget control group to another, augmenting a budget with funding from Reserves (including Earmarks), establishing a new budget, or changing the approved capital list.

**Budget adjustments that require Commissioners Court approval must be submitted to PBO with sufficient documentation by Thursday at 5:00 PM, at least 12 days before the Commissioners Court voting session at which they are to be considered.** Budget adjustments that require County Attorney, County Auditor or Bond Counsel review (such as those related to Certificates of Obligation or bond funds) should be submitted earlier than that to ensure sufficient time for review before Commissioners Court action.

In emergencies, the County Executive for PBO or the Budget Director may schedule a budget adjustment for a transfer, amendment, or discussion item as an add-on budget adjustment. Add-on budget adjustments can be placed on the agenda no later than 72 hours before the item is to be considered by the Commissioners Court, or the Friday before the Tuesday that the item is to appear on the Commissioners Court's agenda.

Budget adjustments that PBO posts for a Commissioners Court voting session require approval by Commissioners Court before they are audited and posted by the County Auditor's Office.

**Transfer Budget Adjustments.** Transfers are intra-office or intra-department budget adjustments that do not meet the criteria for an automatic budget adjustment outlined in Budget Rule #5. If PBO concurs with these items, PBO places them on the Commissioners Court agenda as Transfers. If PBO does not concur or if there are issues that need to be discussed with Commissioners Court, PBO places the budget adjustment on the Commissioners Court agenda as a Discussion item.

Transfer budget adjustments also include modifications to the adopted capital projects and purchases list regardless of the need to move the funds to another account.

**Amendment Budget Adjustments.** Amendments are budget adjustments involving the movement of funds from any reserve account to an office or department expenditure commitment item or between offices or departments.

If PBO concurs with these items, PBO places them on the Commissioners Court agenda as Amendments. If not, or if there are issues that need to be discussed with Commissioners Court, PBO places the budget adjustment on the Commissioners Court agenda as a discussion item.

**Discussion of Budget Adjustments.** Budget adjustments become discussion items on the Commissioners Court agenda when PBO determines that the request warrants further consideration. These items could originate as Automatic, Transfer, or Amendment budget adjustments. Typically, these are items with which PBO does not concur.

Discussion items may have any of the following characteristics:

- appear to be a programmatic change not consistent with Court policy;
- warrant further consideration due to the office's or department's or County's financial condition;
- raise issues that may need additional programmatic or policy review before a decision is made.

**New Budget Adjustments.** Budget adjustments that establish a new budget for new revenue that is not included in the Adopted Budget must be approved by Commissioners Court. New Budget adjustments submitted by an office or department that establish a new revenue and new expenditure budget must also include as an electronic attachment the revenue certification memo from the County Auditor's Office.

Grants: Commissioners Court approval for a new budget related to a grant is handled through the approval process for the grant contract discussed later in these rules.

Intergovernmental Contracts: New Budget adjustments that establish a new revenue and new expenditure budget must include as an electronic attachment the date and agenda item number under which Commissioners Court approved the intergovernmental contract.

New Source of Unanticipated Revenue (e.g., Donations): New Budget adjustments that establish a new revenue and new expenditure budget must include as an electronic attachment the date and agenda item number under which Commissioners Court approved the acceptance of the new source of unanticipated revenue (e.g., donation), along with a summary of any restrictions to the expenditures of the revenue.

**Other Budget Adjustments.** Other budget adjustments include the creation or change in the number of Permanent or Special Project Temporary positions in an office or department, regardless of the need to move or augment the budget.

Any other issues related to budget that PBO believes should be considered by the Commissioners Court that do not fall within the automatic, transfer, amendment or discussion categories are placed under this category.

⇒ **Rule #7: Unused Capital Funds May Not Be Reallocated Without Commissioners Court Approval.**

Capital project funds, including all CAR accounts funds, may be used only for the purchases approved by the Commissioners Court. In addition, if the capital project funds are proceeds from a debt issuance, they may only be used in accordance with applicable bond covenants, Official Statements, and Commissioners Court transcripts and require legal and accounting review that is coordinated by PBO.

An office or department cannot automatically transfer appropriated funds left over after a capital project is completed or a capital asset is purchased to another project or purchase without Commissioners Court approval. In addition, funds cannot be transferred between projects or used to make purchases not specifically approved and itemized during the FY 2014 budget process without approval of Commissioners Court.

PBO periodically reviews CAR accounts and may ask offices and departments to transfer realized savings from completed projects and purchases to the CAR Reserve.

**Exception to Rule #7:**

PBO has the authority to process budget transfers from realized capital project savings in Capital Acquisition Resources (CAR) accounts that do not exceed \$15,000 per project as automatic transfers unless a policy issue surfaces that PBO believes requires the decision of the Commissioners Court. Requests to use these savings must include a summary of the approved project/item budget, total expenditures, and total project/item purchase savings.

To comply with arbitrage rebate requirements and make disbursements to the IRS, PBO may transfer unused funds within a bond fund, including reserves, but must notify the Commissioners Court at its next regular meeting if that is done.

⇒ **Rule #8. Remaining Bond Funds From the 1984 Voter Approved Capital Improvement Projects Are Expended on Precinct One Road and Bridge Projects.**

Bond funds that have not been expended after the completion of all of the 1984 Voter Approved Road Capital Improvement Projects, including right-of-way litigation

associated with those projects, shall be expended on Road and Bridge Projects in Precinct One.

⇒ **Rule #9. Encumbrances and Pre-Encumbrances That Are No Longer Needed Must Be Liquidated.**

Pre-Encumbrances are reservations of funds made with SAP shopping carts. Pre-Encumbrances are converted into an Encumbrance when a purchase order is created from that shopping cart. Encumbrances are reservations of funds made with purchase orders, funds reservations, or travel commitments and must be covered by an appropriation. The encumbrances are liquidated when the related expense is recognized. Offices and departments are expected to keep track of their encumbrances and keep them timely. Unnecessary encumbrances tie up County resources.

The County Auditor is authorized to automatically liquidate outstanding encumbrances for purchase orders that are deemed "completed" (i.e., all items have been received, invoiced, and payment for the full expenditure has been forwarded to the provider). Travel is considered "completed" once the travel reimbursement request has been received and the expenditure forwarded to the provider.

Offices or Departments should review open encumbrances quarterly. Authorized office or department personnel should review this encumbrance report, which includes Shopping Carts, Funds Reservations and Purchase Orders, and determine if any encumbrances can legally be unencumbered. Offices or departments must notify the Purchasing Office of any encumbrances that need to be liquidated and submit notification to the County Auditor's Office that the encumbrances have been reviewed no later than 20 days after the end of the quarter. Office or department personnel can generate an open encumbrance report from the SAP financial system.

Type OT ("Other") funds reservations do not carry forward to the following fiscal year. A limited number of exceptional cases will be reviewed by PBO and only those with appropriate supporting justification and documentation (such as the Minutes of a Commissioners Court vote) will be allowed to carry forward to the next fiscal year.

⇒ **Rule #10. An Encumbrance Reserve is Established Each Year to Pay for Contractual Obligations Made in the Previous Fiscal Year for Goods and Services to be Received in the New Fiscal Year.**

After the previous fiscal year's accounting records are closed, the County Auditor applies a portion of the estimated budgeted reserve to pay the expenditures for goods and services ordered in the previous fiscal year but not received by fiscal year end; the remaining amount becomes the actual amount available for the new fiscal year expenditures for contractual obligations incurred during the previous fiscal year. The amount budgeted for this reserve is the maximum, not to exceed amount, estimated at the time this budget was adopted.

PBO approves all encumbrances that will re-appropriate to the new fiscal year as carry forwards in the individual office's or department's accounts for the purpose and for the vendor to which the contractual obligation and encumbrances were originally applied. The County Auditor will move any funds associated with canceled prior year encumbrances from the office's or department's budget to the County's Allocated Reserve for re-appropriation by the Commissioners Court.

**Exception to Rule #10:**

Capital project funds (Bonds, COs, and CAR) and Grant funds are excluded from the requirement to transfer liquidations from prior year encumbrances to the County's Allocated Reserve unless the project is complete.

⇒ **Rule #11. A Pre-Encumbrance Reserve May be Established Each Year if Deemed Necessary. Amounts Included in this Reserve Are Limited and Generally Only Include Resources for Those Pre-Encumbrances (Shopping Carts) That Are in the Process of Converting to a Purchase Order. PBO Must Approve Any Use of These Reserve Funds.**

PBO approves all pre-encumbrances that will be re-appropriated to the new fiscal year as budget carry forwards in the budget of the individual office or department for the specified purpose.

The County Auditor submits the list of pre-encumbrances to PBO for review and approval. Any pre-encumbrances that are not approved to carry forward to the new fiscal year will be rejected back to the office or department and the funds will be unencumbered and transferred to the Allocated Reserve.

⇒ **Rule #12. Use of the Central Support Services Accounts Is Restricted to 500 or Fewer Mailing Labels, Address Mailings or Copies Unless the Mailing or Copy Is: (1) Required by Law; or (2) Specifically Approved by the Commissioners Court.**

The Travis County Reprographics Service Center (TCRSC) must keep one file copy of all documents printed and indicate the number of copies made. TCRSC resources cannot be used to print more than 500 copies a month of the same letter, newsletter or notice unless the additional copies are: (1) required by law; or (2) specifically approved by the Commissioners Court.

The TCRSC may only print official documents of Travis County government or those authorized by the Commissioners Court. Offices or departments placing printing orders must affirm on the work order that the materials ordered are for official Travis County business. Projects shall be printed as 2-sided unless 1-sided is specified and the office or department provides a reason.

If a non-county agency submits a work order for printing services, the work order must have a copy of the contract authorizing TCRSC to do the printing.

⇒ **Rule #13. Offices and Departments May Only Authorize the Payment of Travel Costs Incurred by County Employees, Officials and Other Authorized Persons that is Necessary and Related to Official Travis County Business.**

Travis County only pays for travel that is necessary and related to official Travis County business.

Employees must obtain office or department approval for their travel before expenses are incurred. Travel that is not encumbered prior to the expense being incurred may require Commissioners Court approval.

Travis County may pay travel vendors directly or reimburse County employees, officials and other authorized persons who have traveled for County business.

Employees are responsible for any costs associated with failing to cancel travel arrangements in a timely manner. Exceptions are granted on an individual basis for reasons such as illness or emergency.

Certain grants limit the amount and type of reimbursable travel expenditures. Travelers must work with the County Auditor's Grant Analyst to verify that any proposed travel is in accordance with the grant agreement before travel begins.

Any requests to travel outside the continental United States require Commissioners Court approval. Travel relating to criminal extradition, investigation, prosecutions, or similar situations is exempted from this rule.

Elected and appointed officials may establish travel policies for their own offices or departments and may reimburse at a rate less than the County rate. Such variations from the policy may result in tax consequences for the traveler.

### **Reimbursement Rates**

Reimbursements rates for Fiscal Year 2014 follow IRS standard rates effective at the time of travel. At the time of the adoption of these Budget Rules, the following Internal Revenue Service (IRS) reimbursement rates are in effect:

Mileage for a private vehicle is \$0.5655 per mile for employees and \$0.14 per mile for volunteers.

Meals are reimbursed using the US General Services Administration (GSA) domestic per diem rates, which vary by the travel destination. Reimbursement for actual meal expenses, with receipts, is \$60 a day plus 15% gratuity.

The County Auditor is responsible for managing the travel reimbursement process. All travelers must follow the County Auditor's Travel Guidelines, located on the County intranet, Travis Central, under the *Resources* page. These guidelines provide detailed instructions on how to submit a travel encumbrance request, how to submit a travel reimbursement expense report, the necessary supporting documentation that must accompany the travel encumbrance request and travel reimbursement expense report, the reimbursement rates for various travel categories, and submission deadlines.

### **Expenses Not Eligible for Reimbursement**

Expenses not eligible for reimbursement include:

Extracurricular activities such as golf, tennis, entertainment, movies, tours, sports events, or non-business events along with any related costs for such extracurricular activities (e.g., transportation to an extracurricular activity)

First class travel

Items for which a detailed receipt is not available (e.g., hotel mini bar items)

Alcoholic beverages

Fines or penalties for violation of the law (e.g., parking tickets, speeding tickets)

Expenses related to a traveling companion (e.g., spouse)

Mileage for County owned vehicles

Personal expenses

Complimentary expenses (i.e., an expense paid for, or provided by, an organization or entity outside the County, by virtue of the Traveler's business activities or employment.

Food and beverages provided at meetings, training for County staff, retreats or training provided on County property. This does not apply if the expense is grant allowable.

Meals and lodging when the traveler was not required to be out of the Metropolitan Statistical Area (MSA) overnight. Meals that are included in a conference registration fee are excluded from this prohibition. The MSA includes Bastrop, Caldwell, Hays, Travis and Williamson counties.

### **Travel from Discretionary Funds**

To qualify for General Fund and/or Other Fund reimbursement, offices and departments that choose to pay for travel related expenditures and Advance Payments initially out of

Discretionary Funds are required to follow all appropriate County rules, policies and statutes (budget rules, travel policies, and purchasing statutes) and obtain written approval from the Purchasing Agent prior to making the expenditure.

Reimbursement from General Funds and/or Other Funds is disbursed after the expense has been incurred (purchase or travel completed), the discretionary fund has paid the expenditure, and compliance with the budget rules/purchasing policies is verified.

### **Other Special Situations**

Offices and departments must work with the County Auditor's Office when making travel arrangements where alternate transportation mode, accommodations, or schedule are proposed.

Reimbursement of food and beverages for a group are allowed in certain instances when county employees are deployed to perform emergency or public safety duties.

⇒ **Rule #14. The Commissioners Court May Approve the Use of County Funds to Pay for Travel Arrangements, Food and Non-Alcoholic Beverages to Entertain Applicants When Recruiting Nationally for Top Level Positions.**

Commissioners Court approval must be granted before travel for a job applicant to be reimbursed. The job applicant is reimbursed for the actual expense incurred not to exceed the rates used for County personnel. The County does not use per diem rates for non-County employees. Meals may only be reimbursed up to \$60 per day plus 15% gratuity if receipts are submitted.

If the job applicant is hired, moving expenses and employment agency fees may also be paid for these positions if approved in advance by the Commissioners Court and receipts are submitted. Offices and departments must notify Payroll before any expenses are paid. To be non-taxable, reimbursement requests must be submitted to the County Auditor with receipts no later than 60 days after the expenses are incurred. If reimbursement requests are submitted over 60 days after the expenses were incurred, the amount of the reimbursement must be reported to the IRS as income for the job applicant.

⇒ **Rule #15. Offices and Departments must Comply with Chapter 39, Wireless Communications Policy, of the Travis County Code.**

⇒ **Rule #16. Grants From Public or Private Sources Received During the Fiscal Year Are Budgeted by the Commissioners Court Upon Certification of the Revenue by the County Auditor. Applications For Grants Must Be Submitted in Accordance with the Rules in Appendix 2.**

⇒ **Rule #17. County Offices and Departments must Comply with Chapter 40, Use of County-Owned Passenger Vehicles While Off-Duty, of the Travis County Code.**

⇒ **Rule #18. The County Auditor Has the Authority to Adjust Budgets Without Prior Approval From the Office or Department Under Some Circumstances. Such Adjustments Are Included on the Weekly Consent Motion Submitted to Commissioners Court.**

### **Negative Personnel and Benefits Balances**

For expenditures incurred during the last two pay periods of the fiscal year and for the Year End Annual Compensated Absences, the County Auditor may transfer funds automatically to cover projected shortages in salary and benefits budget control groups. The County Auditor may transfer:

- (1) projected surplus salary and benefit funds within an office or department; or among offices or departments;
- (2) funds from the General Fund reserve, Special Revenue Fund reserves, Capital Projects reserves, or Internal Service Fund reserve, whichever is appropriate.

The County Auditor must present a list of these adjustments to PBO for approval by Commissioners Court.

### **Adjustments for Invoice Deficits of \$10 or Less**

To avoid invoice processing delays, the County Auditor is authorized to transfer funds automatically throughout the fiscal year to cover an invoice amount that exceeds the remaining budget control group appropriation by \$10 or less. These funds are transferred from within the budget of the office or department incurring the invoice from any operating expenditure commitment item with sufficient unencumbered funds. In the case of Grants, these automatic transfers must be approved by the Auditor's Grant Financial Analyst.

### **Payment of Interest**

The County Auditor is authorized to transfer funds automatically within an office's or department's budget throughout the fiscal year to cover the interest cost payable on overdue invoices to comply with the Prompt Payment Act. These funds are transferred from within the budget of the office or department incurring the interest from any expenditure budget control group with sufficient unencumbered funds. In the case of Grants, Bond funds, and other funds that do not allow interest payments, the interest is charged to the office or department general fund budget.

⇒ **Rule #19. All Expenditures for Reimbursable Agreements Within Fund 4050 that Have Been Approved by Commissioners Court and for Which Revenue Has Been Certified by the County Auditor Are Authorized Until Resources From the Funding Entity Are Available for Reimbursement.**

Some approved agreements budgeted in Fund 4050 (Contractual Capital Projects) by the County require expenditure of County funds until those expenditures are reimbursed by the funding entity. Offices and departments should request an advance payment rather than agree to a reimbursement arrangement whenever possible. If the total of expenditures and encumbrances of the fund result in a deficit fund balance, the office or department is required to request a transfer into the fund from other office or department resources.

⇒ **Rule #20. Reimbursements for Business Related Expenditures Made 60 Days After the Expense is Incurred or Paid Become Taxable Income for the County Employee or Official Making the Request.**

Reimbursement requests for business related expenditures must be submitted to the County Auditor's Office in a form and format prescribed by the Auditor's Office. Requests must include the supporting documentation appropriate to the type of expenditure. If the reimbursement request is submitted more than 60 days from the date of incurring the expense or payment of the expense, the reimbursement will be reported as taxable income for the County employee.

**Salaries of elected officials are set during the budget process and in compliance with notice and hearing requirements in the Local Government Code. For an elected official, a reimbursement that becomes taxable income is not allowed because Texas law does not allow mid-year increases in salary.**

**For appointed officials, whose salaries are set through an Order of their authorizing board, a reimbursement that becomes taxable income may only be paid if it complies with the Order.**

## **APPENDIX 2 GRANTS**

In an effort to better coordinate the grant-seeking activities of the County and track the outstanding commitments to provide County matching funds, PBO, the County Attorney's Office, and the County Auditor's Office must review grant applications, contracts, permissions to continue, and other related items before a grant is placed on the agenda for Commissioners Court approval. Please note that any grant related item that requires Commissioners Court approval must be coordinated through PBO and comply with the following grant rules.

### **The following applies to all grants:**

- All grant items for Commissioners Court consideration must be submitted to PBO, the County Auditor's Office and County Attorney's Office electronically by **Tuesday at 5:00 PM**, 14 days prior to the planned Commissioners Court meeting at which the office or department wishes the grant to be included on the agenda.
- All grant items must include a grant summary sheet. (The summary form is available electronically from PBO, contact the appropriate Budget Analyst.)
- All grant documents should be submitted electronically. Documents that require signatures from Commissioners Court should be submitted in hard copy to PBO at the time (i.e., the same day) the documents are submitted electronically.
- The entire item, including all terms, conditions and instructions, should be submitted for review. Changes cannot be made to the item after it has been approved by the Commissioners Court, with the exception of minor typographical corrections.

### **Review of Grant items**

- The County Auditor's Office reviews the application for fiscal requirements.
- The County Attorney reviews it for legal requirements.
- PBO also reviews the item and grant summary sheet, including the stated performance measures, and submits the grant, with a recommendation for inclusion on the Commissioners Court agenda once it is ready.

### **Other Departments involved with the Grant process**

- **Purchasing:** Grant purchases are not exempt from County purchasing laws. Offices or departments must coordinate with the Purchasing Office when procuring either services or commodities using grant funds. In addition to County purchasing laws, purchases must comply with all applicable federal or state laws and contractual restrictions required in the grant. Purchase of items with a unit cost exceeding \$5,000 must be capitalized. This applies to any items located on County property for which the County is liable, regardless of the source of funding.

- **Human Resources:** All positions requested as part of a grant **must** be identified using the existing job titles. If a proposed grant position does not exist within the existing job titles contact Human Resources early in the process so a classification, with pay grade, can be developed for the new position.
- **Facilities Management:** If the grant includes new FTEs, contact Facilities Management to ensure that there is sufficient space for the additional personnel. If space is not available, Facilities Management will develop an estimate of the cost necessary to accommodate the additional personnel.
- **ITS:** ITS will develop the costs necessary to accommodate the technology needs of additional personnel. Also, if the request has a significant technology cost, ITS should be contacted to develop costs to accommodate the grant needs. These needs may not be obvious; for example, a grant to purchase digital video equipment, requires significant additional electronic storage, which must be accommodated.

Please contact PBO if there are any questions about which departments should be contacted. Offices or departments are strongly encouraged to contact support departments early in the development of a new grant application to discuss the application and potential issues.

### **Permission to Continue (PTCs)**

A Permission to Continue is a request to continue a grant-funded program until a contract to renew the existing program can be fully executed. If a contract has not been signed prior to the effective end date of the grant and grant employees are requested to continue on the payroll, offices or departments must submit a PTC request. PTC applies only to the renewal of grants that have been received in previous years, and for which verbal assurance of continuation from the grantor has been received. Permissions to Continue:

- require a grant summary sheet and a memo from the department, submitted to PBO and the County Auditor
- are allowed for up to three months
- are for personnel costs or critical operating costs such as direct service delivery costs
- must be for personnel or critical operating costs that will qualify for reimbursement under the delayed grant
- must be approved by Commissioners Court prior to the end of the existing grant, generally at least two weeks prior to the grant's end date

A budget adjustment related to a Commissioners Court approved Permission to Continue is processed as an automatic budget adjustment, unless PBO determines that it merits further Commissioners Court review.

## **Grant Modification Approval**

Changes to dates, amounts or other minor modifications that require Commissioners Court approval (signature) follow the same procedure as original grant contract approval.

## **Performance Measures**

All grants should have performance measures, including relevant outcome measures. This includes a narrative description of the outcome impact to the program. This information is captured on the grant summary sheet.

- These measures should reflect the current activity of the office or department in the area where grant assistance is requested,
- The expected impact of the grant on the office's or department's activities.
- If the grant is for a new program, performance measures should be supplied for the new program.
- If the grant is renewing an existing grant, offices or departments should show the actual performance of the last complete grant cycle, the projected performance of the current grant and the projected performance of the current grant proposal.

Offices and departments are expected to report performance measures and updated information annually during the contract term.

## **Grant Responsibility**

Grants that involve multiple County departments need a single person to be responsible for the daily administration and management of the grant. Contact information for that person must be noted in the Grant Summary Sheet.

## **Direct Cost of Accounting and Audit**

Contact the County Auditor for assistance in estimating these costs. Include the estimate in the grant application if the costs are reimbursable. Offices and departments should seek reimbursement for direct accounting and audit costs when applicable.

## **Indirect Costs**

The Commissioners Court has adopted an indirect cost plan that includes an indirect cost rate for each office or department. All grant applications should request some indirect cost amount as part of any grant application, up to the rate included in the plan. The requirement to include an indirect cost rate as part of an application may be waived annually if:

- The total amount requested, without including indirect costs is less than \$50,000.
- If an office or department can provide evidence that including an indirect cost rate will result in rejection of a grant application.

See the Appendix for the approved indirect cost rate for most offices and departments as of August 27, 2013. This information is updated during the year and PBO notifies the departments of any changes. If your department is not listed in the Appendix, please contact your PBO Analyst.

### **Outstanding Grant Applications**

PBO maintains a summary of outstanding grant applications and matching fund commitments. This summary is submitted to Commissioners Court every week as part of the regular Grant Agenda Item. Departments that are notified of the denial of a grant application should inform PBO so that the outstanding grant application summary reflects only pending County commitments.

### **Revenue Certification & Budget Creation**

Once the contract has been signed by all parties, the office or department must:

- forward the originals of the signed contract to the County Clerk and the grantor.
- submit a copy of the fully executed contract to the County Attorney's Office, the County Auditor's Office, and the Purchasing Office.

The County Auditor certifies revenue upon receipt of the fully executed contract and a Grant Master Data Request Form (GMDR). The GMDR can be found on <http://TCSAPhelp>. Departments and offices should consult with Auditor's Office Grant Analysts if help is needed.

New grant budgets are processed as automatic budget adjustments after approval of the contract and the grant budget by Commissioners Court and certification of revenue by the County Auditor. For documentation purposes, a copy of the revenue certification memo from the County Auditor should be attached to the budget adjustment.

### **Budget Adjustments**

- All budget adjustments must comply with the grantor's requirements.
- Any budget adjustments requiring prior grantor approval are not processed until that approval is received.
- If a grantor de-obligates funding or a portion of funding, a budget adjustment must immediately be sent to PBO reducing each applicable revenue and expenditure commitment item.
- If changes are required to be approved by Commissioners Court, the change must also follow the same procedure as grant modifications.
- Budget is not transferred from a grant to another office or department for purchase of any items, including ITS for software licenses and phone lines. Expenses are reclassified against the grant for applicable expenditures with the proper supporting documents.
- Budget adjustment types "Supplement" and "Return" should include documentation regarding the nature of the requested action and the date, if any, when Commissioners Court approved the grant change.

PBO also has the discretion to place a Budget Adjustment that would otherwise be automatic on the Commissioners Court agenda for approval.

### **Personnel Actions in Grants**

Unless otherwise specified, offices and departments are expected to absorb the cost of personnel changes within the grant.

Offices and departments with grant positions should confirm with the County Auditor's Grant Personnel that grant resources are available for the starting salaries and salary adjustments for grant positions. This confirmation should be noted as part of the personnel action in SAP.

### **Authorization for Reimbursed Grants**

Many of the grants received by the County require expenditures of County funds until those expenditures are accepted and reimbursed by the grantor.

- Expenditures funded from grant funds that are not allowed under the General Fund require a written letter of approval/authorization from the grantor.
- All expenditures for reimbursable grants that have been approved by the Commissioners Court and for which revenue has been certified by the County Auditor are authorized until grant funds are available for reimbursement. Offices or departments should request an advance payment rather than agree to a reimbursement arrangement whenever possible.

### **Vehicles Funded through Grant Funds**

If an office or department plans to purchase a vehicle using grant funds, all the associated costs for the vehicle, such as fuel and maintenance, need to be covered by the grant. If the grant does not cover these costs, the office or department should allocate non-grant resources to TNR to fund the fuel and maintenance and any other applicable cost.

Any additional funding requests for fuel and maintenance should be coordinated with the approval of the grantor.

Vehicles purchased with grant funds are not automatically added to the County's vehicle fleet. The office or department must specifically request that the vehicle be added to the fleet as part of its annual budget submission and include sufficient justification for the request.

### **Computer Equipment Funded through Grant Funds**

Computer and related IT equipment (desktop computers, laptops, mobile data computers) purchased with grant funds are not automatically eligible for replacement under the County's computer replacement policy. The office or department must

specifically request that the equipment be added to the replacement list as part of its annual budget submission and include sufficient justification for the request.

### **Software Licenses and Phone Lines**

If an office or department plans to charge software licenses or telephone lines to a grant, these charges must be supported by independent, third party invoices which clearly indicate the purchase and usage during the grant period. Internal documentation from the ITS department is not accepted.

If the proper documentation cannot be produced to support these costs, the department should allocate non-grant resources to ITS to fund the software licenses and phone lines. Any additional funding requests for software licenses and phone lines should be coordinated with the approval of the grantor.

### **Online Management of Grants**

If a grantor utilizes an online system for approvals or modifications to grants, PBO is authorized to act on behalf of the authorized official for approving or modifying grants in all of the following circumstances:

- The grant authorized official is a member of the Commissioners Court;
- The grant contract/application has been approved by Commissioners Court; and
- The change does not significantly change the scope of service of the grant from what was approved by Commissioners Court; and
- The online management authorization also applies to any de-obligation of unspent grant funds that are 5% or less of the original award.

The Auditor's Office frequently is required to enter the final grant closeout documents. The Auditor's Office is authorized to submit documents to the grantor, including final Financial Status Reports, which results in the de-obligation of the remaining funds in a grant.

Any items PBO determines warrant further consideration will be placed on the Commissioners Court agenda for approval.

## **APPENDIX 3 ADDITIONAL GUIDANCE**

### **A. TAX REFUNDS**

The County Auditor automatically debits contra-revenue commitment items (General Fund and Debt Service) to refund current and prior year tax appeals of appraised values. Interest refunds for prior year taxes are paid from a budgeted commitment item in General Administration.

The Tax Assessor Collector calculates the expenditure requirements for tax refunds.

### **B. CONTINGENT LIABILITIES**

The County Auditor has the authority to record contingent liabilities in accordance with Generally Accepted Accounting Principles to accurately reflect the financial position of the County. The Commissioners Court, County Attorney, Risk Manager, and other elected or appointed officials should notify the County Auditor in a timely manner of any potential contingent liabilities affecting any of the County funds on the County's financial records. The County Auditor notifies the Commissioners Court, the County Attorney and, where applicable, the Risk Manager of significant contingent liabilities that are recorded on the County's financial records.

### **C. INTERFUND TRANSFERS**

Interfund transfers are movements of money between budgetary funds. Those that are adopted in the budget process are summarized in the Budget Recapitulation as "Other Financing Sources." The transfers are subject to the following rules:

- The County Auditor may make "transfers in" to the funds controlled by Commissioners Court from non-budgetary government funds that are at the discretion of elected officials, the Corporations' Boards of Directors, or the State of Texas (i.e., CAPSO, DAPSO, CSCD, etc.) as directed by the appropriate official.
- The County Auditor may only make "transfers out" of funds if approved by Commissioners Court (budgetary funds) or approved by the responsible official (non-budgetary discretionary funds).
- The County Auditor transfers monies to the Special Funds for the full budgeted amount at the beginning of the fiscal year, unless otherwise specifically notified by PBO. If a calculation of the transfer must be made during the fiscal year, PBO performs the calculation and provides the County Auditor the amount to be transferred.
- The transfer is limited to funds available in the transferring fund. If funds are not available in the transferring fund, a transfer is made only up to the amount of available funds. If the receiving fund is at a deficit, the County Auditor, after review

and approval by PBO, is authorized to transfer in a sufficient amount to cover the deficit up to the budgeted amount.

#### **D. JURY SEQUESTRATION IN CRIMINAL CASES**

In the event of jury sequestration, the County Treasurer and County Auditor are authorized to advance the cost of sequestering in the amount ordered by the sequestering Judge to secure lodging. The amount expended for food and lodging shall follow the guidelines approved by Commissioners Court covering travel reimbursement for county employees. The need for jury sequestration may occur after the normal business hours of the county and without sufficient time to call an emergency session of the Commissioners Court. The normal procedures for claims processing may be adjusted accordingly.

#### **E. PERFORMANCE BASED PAY AND EMPLOYEE RECOGNITION**

The Performance Based Pay (PBP) system is a mechanism for providing financial compensation for outstanding performance, experience and achievement. Offices and departments award PBP consistent with the rules established by the Commissioners Court.

If an office or department has funds in an employee recognition commitment item, the recognition expense is not to exceed \$50.00 per employee. Amount of recognition expense should be limited to the cost of a plaque including engraving, lapel pins or other token of recognition. Food, refreshments, decorations, entertainment or other expenses associated with a ceremony, reception or dinner are not allowable expenses.

#### **F. COMPUTER SOFTWARE TRAINING**

All computer software training for Windows and Microsoft Office products is performed by ITS. No other office or department is authorized to solicit services for this training unless training sessions are not provided by ITS within 60 days. No payment for this training is made by the County Auditor without an accompanying written authorization from ITS.

## G. COUNTY BENEFITS

Fringe benefits of offices and departments are budgeted based on the calculated costs of each benefit. The current benefit calculation rates as of October 1, 2013, are shown below.
