PBO Recommendation:

This is the annual contract for the SAVNS grant in ITS. The grant provides resources for the VINE system that notifies victims of offender status. There is no grant match or continuing obligations for the County. PBO recommends approval of this contract.

1. Brief Narrative - Summary of Grant: What is the goal of the program? How does the grant fit into the current activities of the department? Is the grant starting a new program, or is it enhancing an existing one?

This grant will provide for the reimbursement of costs associated with Travis County's continuing participation in the Statewide Automated Victim Notification Service (SAVNS). This system, VINE, will allow for victims to access information as well as receive automatic notification of a change in the status of an offender.

2. Departmental Resource Commitment: What are the long term County funding requirements of the grant?

The department is committed to providing access to inmate data to the state through the contract vendor for access to victims. Current indication is that withstanding any revision to the funding provided to the state, the program will continue.

3. County Commitment to the Grant: Is a county match required? If so, how does the department propose to fund the grant match? Please explain.

No matching funds are required as the county is only seeking reimbursement of costs associated with vendor fees.

4. Does the grant program have an indirect cost allocation, in accordance with the grant rules? If not, please explain why not.

N/A

5. County Commitment to the Program Upon Termination of the Grant: Will the program end upon termination of the grant funding: Yes or No? If No, what is the proposed funding mechanism: (1) Request additional funding or (2) Use departmental resources. If (2), provide details about what internal resources are to be provided and what other programs will be discontinued as a result.

There is no formal commitment required of the County to continue this grant.

6. If this is a new program, please provide information why the County should expand into this area.

Continuing program.

7. Please explain how this program will affect your current operations. Please tie the performance measures for this program back to the critical performance measures for your department or office.

Offender information, court information, and notifications are provided through the VINE state-wide system. This program will provide a service to victims of crimes that allow victims to access an all-inclusive system from one toll-free number or on-line, and to register for notifications of changes in status of an offender.

**SAVNS MAINTENANCE GRANT CONTRACT BETWEEN
THE OFFICE OF THE ATTORNEY GENERAL
AND TRAVIS COUNTY**

OAG Contract No. 1446434

THIS GRANT CONTRACT is executed between the Office of the Attorney General of Texas (OAG) and Travis County (GRANTEE) for certain grant funds. The Office of the Attorney General and GRANTEE may be referred to in this contract individually as a "Party" and collectively as the "Parties."

SECTION 1. PURPOSE OF THE CONTRACT

The purpose of the OAG Statewide Automated Victim Notification Service (SAVNS) grant program is to maintain Texas counties and other entities in a statewide system that will provide relevant offender release information, notification of relevant court settings or events, promote public safety and support the rights of victims of crime. To ensure a standard statewide service to all interested entities, including GRANTEE, the OAG makes grant funds available for eligible expenses related to services delivered to GRANTEE by the vendor, certified by the OAG, to provide certain SAVNS services to the GRANTEE.

The OAG published a Request for Offer (RFO) for Statewide Automated Victim Services May 15, 2013. After an evaluation of offers, the OAG identified and certified a single vendor to provide statewide automated victim notification services. The initial term of the Vendor Certification is from September 1, 2013 to August 31, 2015. The OAG may exercise its option to extend the term for up to two renewal terms, consisting of two years each. The Vendor Certification includes the offer to perform the "Requested Scope of Services – Statement of Work Requirements and Terms and Conditions Applicable to the Vendor Certification" as well as the Pricing Model as provided in the BAFO. The vendor certified to provide the services is Appriss, Inc., ("Certified Vendor"), a Kentucky corporation authorized to do business in Texas.

SECTION 2. SERVICE PERIOD (TERM) OF THE CONTRACT

2.1 Service Period (Term). The Service Period (Term) of this contract shall commence on September 1, 2013, and unless terminated earlier as provided by another provision of this contract, this contract will terminate August 31, 2014.

2.2 Option to Extend Term. This contract may be extended for an additional term by a written amendment executed with the same formalities as this contract. Extending the term does not increase the contract amount. Any increase in the contract amount must also be by written amendment executed with the same formalities as this contract.

SECTION 3. GRANTEE'S CONTRACTUAL SERVICES

3.1 Grantee Services Agreement. GRANTEE will execute a "Services Agreement," a contractual agreement, with the Certified Vendor to provide services consistent with the OAG Vendor Certification documents. The Services Agreement will include terms and conditions that are intended to provide the GRANTEE such rights and remedies as are necessary to ensure the delivery of the services from the Certified Vendor in accordance with the Scope of Services as stated in this contract and the OAG Vendor Certification documents.

3.2 Grantee Maintenance Plan. GRANTEE agrees to establish and follow a "Maintenance Plan." The Maintenance Plan, at a minimum, will be designed to accomplish the following: make available offender information that is timely, accurate and relevant to support the SAVNS services; verify the Certified Vendor's performance according to Services Agreement; satisfactorily discharge GRANTEE's obligations as described in the Services Agreement other than payment of invoices; and identify and dedicate GRANTEE staff, resources and equipment necessary to maintain the SAVNS services in the Services Agreement.

3.3 GRANTEE Service Levels. In addition to other service levels that the GRANTEE may impose, GRANTEE will inspect, monitor and verify the performances required of the Certified Vendor as provided in the Services Agreement as well as this contract. GRANTEE will execute a Services Agreement or a Service Agreement (Renewal Notice) with the Certified Vendor, for the term of this contract. GRANTEE will verify that input data (the jail and court data elements used by the SAVNS system) is entered accurately and in a timely basis.

GRANTEE will allow on-site monitoring visits to be conducted by OAG or its authorized representative.

3.4 Cooperation with Statewide Stakeholders. GRANTEE will reasonably cooperate with and participate in Statewide Stakeholders meetings and efforts to monitor and improve the SAVNS services on a statewide basis. GRANTEE may reasonably agree to designate third-parties to assist the OAG, GRANTEE and the other Statewide Stakeholders, in the overall monitoring, inspection and verification of the Certified Vendor's performances.

3.5 Scope of Services. For the purpose of this contract, the requirements, duties and obligations contained in Section 3 of this contract are collectively referred to as the "Scope of Services". As a condition of reimbursement, GRANTEE agrees to faithfully, timely and in a good and workman-like manner implement and maintain the services in compliance with the Scope of Services.

GRANTEE must submit a written request by the governing body on GRANTEE's letterhead, with original signature, to change an Authorized Official. GRANTEE, by an email, fax or GRANTEE letterhead signed by the Authorized Official, may request a change to the Grant Contact or the Project Financial Officer.

Such fiscal and programmatic management shall include accountability for all funds and materials received from the OAG; compliance with OAG rules, policies and procedures, and applicable federal and state laws and regulations; and correction of fiscal and program deficiencies identified through self-evaluation and/or the OAG's monitoring processes. Ignorance of any contract provisions or other requirements referenced in this contract shall not constitute a defense or basis for waiving or failing to comply with such provisions or requirements.

4.1.5 Security and Confidentiality of Records. GRANTEE shall establish a method to

secure the confidentiality of records and other information relating to services provided in accordance with applicable federal and state law, rules and regulations. This provision shall not be construed as limiting the OAG's access to such records and other information.

4.2.3 Other Program Reports. GRANTEE shall cooperate fully in any fiscal or programmatic monitoring, auditing, evaluating, and other reviews pertaining to services rendered by GRANTEE which may be conducted by the OAG or its designees. GRANTEE shall submit contract or self-evaluations of performance and other reports requested by the OAG in appropriate format and on a timely basis and make available at reasonable times and for reasonable periods, records, books, reports, and supporting documents for reviewing and copying by the OAG or its designees.

4.2.4 "Problem Log." GRANTEE shall establish a "Problem Log" that records all problems noted with the SAVNS system, including, but not limited to, system down time, system outages, and equipment failure. The Problem Log will provide when the problem was identified, to whom the problem was referred, and steps taken to resolve the problem and when the problem was resolved.

4.3 Financial Matters

4.3.1 Annual Budgets. With regard to the use of funds pursuant to this contract, GRANTEE will immediately review the budget for the fiscal year and the allowable expenditures, as shown on Exhibit A.

4.3.2 Requests for Reimbursement. REFER TO SECTION 4.3.5. FOR MORE INFORMATION ON REIMBURSEMENT RIGHTS AND PROCESSES - GRANTEE agrees to allow the OAG to pay the Certified Vendor directly, instead of the GRANTEE, for any reimbursements due the GRANTEE under this contract. OAG grant funds are paid on a cost reimbursement basis. Any payments made by the OAG shall not exceed the actual and allowable allocable costs of GRANTEE to obtain services from the Certified Vendor for services within the "scope of services" of this contract. GRANTEE will submit to the OAG requests for reimbursement for the actual and allowable allocable costs incurred by GRANTEE to obtain services from the Certified Vendor for services within the "scope of services" of this contract. The payment will be generated no later than the 30th day after the 5th day of the month following the end of the quarter, as defined above. If an invoice is submitted after the 5th day of the month following the end of the quarter, the invoice may not be paid until the next quarter, as defined above. The OAG will follow up at least once with any GRANTEE that has not returned its paperwork by the designated deadline for any quarter. The OAG will contact the GRANTEE by the 10th day of the next month following the end of each quarter.

g. If the GRANTEE does not submit the required invoice and verification prior to the quarterly deadline defined above, the OAG will process payment in accordance with Section 4.3.5 (f).

h. If GRANTEE does not submit the required invoice and verification to the OAG within 45 days of the next month following the end of any quarter, the OAG will determine what steps will be taken next, including placing the grant contract on financial hold or terminating the grant contract. If an OAG grant contract is placed on financial hold or terminated, the GRANTEE remains responsible for any contractual obligation it has with Certified Vendor. The OAG will not be responsible for collection efforts on behalf of the Certified Vendor.

4.3.6 Close-Out Invoice. GRANTEE shall submit a final invoice not later than the earlier of (1) forty-five (45) calendar days after termination of this contract; or (2) forty-five (45) calendar days after the end of each state fiscal year.

4.3.7 Refunds and Deductions. If the OAG determines that an overpayment of grant funds under this contract has occurred, such as payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, the OAG may seek a refund from GRANTEE and/or the Certified Vendor. The OAG may offset and deduct the amount of the overpayment from any amount due to be paid, but not yet paid by the OAG under this contract. The OAG may choose to require a payment directly from GRANTEE and/or the Certified Vendor rather than offset and deduct a specified amount. GRANTEE and/or the Certified Vendor shall refund any overpayment to the OAG within thirty (30) calendar days of the receipt of the notice of the overpayment from the OAG unless an alternate payment plan is specified by the OAG.

4.3.8 Purchase of Equipment; Maintenance and Repair; Title upon Termination. GRANTEE shall not give any security interest, lien or otherwise encumber any item of equipment purchased with contract funds. GRANTEE shall permanently identify all equipment purchased under this contract by appropriate tags or labels affixed to the equipment. GRANTEE shall maintain a current inventory of all equipment or assets, which is available to the OAG at all times upon request.

GRANTEE will administer a program of maintenance, repair, and protection of equipment or assets under this contract so as to ensure the full availability and usefulness of such equipment or assets. In the event GRANTEE is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the assets provided under this contract, it shall use the proceeds to repair or replace said equipment or assets.

To the extent that the OAG reimburses GRANTEE for its purchase of equipment and supplies with funds from this contract, GRANTEE agrees that upon termination of the contract, title to or ownership of all such purchased equipment and supplies, at the sole option of the OAG, shall remain with the OAG.

5. OBLIGATIONS OF THE OFFICE OF THE ATTORNEY GENERAL

5.1 Monitoring. The OAG is responsible for closely monitoring GRANTEE to ensure the effective and efficient use of grant funds to accomplish the purposes of this contract.

5.2 Maximum Liability of OAG. The maximum liability of the OAG in this contract is contained in the attached Exhibit A. Any change to the maximum liability must be supported by a written amendment to this contract. The OAG and GRANTEE agree that any act, action or representation by either party, their agents or employees that purports to increase the maximum liability of the OAG is void, unless a written amendment to this contract is signed by both parties. GRANTEE agrees that nothing in this contract will be interpreted to create an obligation or liability of the OAG in excess of the funds as stated in the attached Exhibit A.

5.3 Payment of Authorized Costs. In accordance with the terms of this contract, the OAG will pay costs pursuant to this contract. The OAG is not obligated to pay unauthorized costs.

5.4 Contract Not Entitlement or Right. Reimbursement with contract funds is not an entitlement or right. Reimbursement depends, among other things, upon strict compliance with all terms, conditions and provisions of this contract.

5.5 Funding Limitation. GRANTEE agrees that funding for this contract is subject to the actual receipt of grant funds (state and/or federal) appropriated to the OAG and such funds are sufficient to satisfy all of OAG's duties, responsibilities, obligations, liability, and for reimbursement of all expenses, if any, as set forth in this contract or arising out of any performance pursuant to this contract. GRANTEE agrees that the grant funds, if any, received from the OAG are limited by the term of each state biennium and by specific appropriation authority to the OAG for the purpose of this contract. **GRANTEE agrees that notwithstanding any other provision of this contract, if the OAG is not appropriated the funds or if the OAG does not receive the appropriated funds for the purpose of this grant program, or if the appropriated funds made for the purposes of this grant program, are deemed, in the sole discretion of the OAG, required to be reallocated to fund other state programs or purposes, the OAG is not liable to pay the GRANTEE any remaining balance on this contract.**

SECTION 6. TERMINATION

6.1 Termination for Convenience. Either Party may, at its sole discretion, terminate this contract in whole or in part, upon thirty (30) calendar days written notice to the other party.

6.2 Termination for Cause. In the event that GRANTEE fails to perform or comply with an obligation of the terms, conditions and provisions of this contract, the OAG may, upon written notice of the breach to GRANTEE, immediately terminate all or any part of this contract.

6.3 Termination Not Exclusive Remedy; Survival of Terms and Conditions. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law, or under this contract.

Termination of this contract for any reason or expiration of this contract shall not release the Parties from any liability or obligation set forth in this contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination. The following terms and conditions, (in addition to any others that could reasonably be interpreted to survive but are not specifically identified), survive the termination or expiration of this contract: Subsections 4.1.5, 4.3.5, 4.3.6, 4.3.7, 4.3.8; Section 7; Subsections 11.1, 11.2, 11.3, 11.9, 11.10; and Subsections 12.1, 12.2, 12.4, and 12.5.

6.4 Refunds to OAG by GRANTEE. If the GRANTEE terminates for convenience under Section 6.1, or if the OAG terminates under Sections 6.1 or 6.2 before the purpose of this contract is accomplished, then the OAG may require the GRANTEE and/or the Certified Vendor to refund all or some of the grant funds paid under this contract, for the funds representing the number of months of SAVNS services previously invoiced and paid by the OAG under this contract.

6.5 Notices to Certified Vendor. Any termination of this contract will also be forwarded by the terminating party to the Certified Vendor.

SECTION 7. RECORDS RETENTION AND ACCESS; AUDIT RIGHTS.

7.1 Duty to Maintain Records. GRANTEE shall maintain adequate records to support its charges, procedures, and performances to OAG for all work related to this Contract. GRANTEE also shall maintain such records as are deemed necessary by the OAG, OAG's auditor, and auditors of the State of Texas, the United States, or such other persons or entities designated by the OAG, to ensure proper accounting for all costs and performances related to this contract.

7.2 Records Retention. GRANTEE shall maintain and retain for a period of four (4) years after the submission of the final expenditure report, or until full and final resolution of all audit or litigation matters which arise after the expiration of the four (4) year period after the submission of the final expenditure report, whichever time period is longer, such records as are

necessary to fully disclose the extent of services provided under this contract, including but not limited to any daily activity reports and other records that may show the basis of the charges made or performances delivered.

7.3 Audit Trails. GRANTEE shall maintain appropriate audit trails to provide accountability for updates to mission critical information, charges, procedures, and performances. Audit trails maintained by GRANTEE will, at a minimum, identify the supporting documentation prepared by GRANTEE to permit an audit of the system by tracing the activities of individuals through the system. GRANTEE's automated systems must provide the means whereby authorized personnel have the ability to audit and to verify contractually required performances and to establish individual accountability for any action that can potentially cause access to, generation of, or modification of confidential information. GRANTEE agrees that GRANTEE's failure to maintain adequate audit trails and corresponding documentation shall create a presumption that the services or performances were not performed.

7.4 Access. To the extent permitted by law, GRANTEE shall grant access to and make available copies of all data extracts described in Section 3.5, as well as all paper and electronic records, books, documents, accounting procedures, practices, and any other items relevant to the performance of this contract and the operation and management of GRANTEE to the OAG, the State of Texas, the United States, or such other persons or entities designated by OAG for the purposes of inspecting, auditing, or copying such items. All records, books, documents, accounting procedures, practices, and any other items, in whatever form or media, relevant to the performance of this contract shall be subject to examination or audit in accordance with all contract performances and duties, all applicable state and federal laws, regulations or directives, by the OAG, the State of Texas, the United States, or such other persons or entities designated by OAG. GRANTEE will direct any contractor to discharge GRANTEE's obligations to likewise permit access to, inspection of, and reproduction of all books and records of the subcontractor(s) that pertain to this contract.

GRANTEE shall provide physical access, without prior notice, and shall direct any contractor and subcontractor to likewise grant physical access to all program delivery sites to representatives of the State of Texas and/or the OAG and its designees.

7.5 Location. Any audit of documents listed in Section 7.4 shall be conducted at the GRANTEE's principal place of business and/or the location(s) of the GRANTEE's operations during the GRANTEE's normal business hours and at the OAG's expense. GRANTEE shall provide to OAG and such auditors and inspectors as OAG may designate in writing, on GRANTEE's premises (or if the audit is being performed of a subcontractor, the subcontractor's premises if necessary) space, office furnishings (including lockable cabinets), telephone and facsimile services, utilities and office-related equipment and duplicating services as OAG or such auditors and inspectors may reasonably require to perform the audits described in this Section 7.

7.6 State Auditor. In addition to and without limitation on the other audit provisions of this contract, pursuant to Section 2262.003 of the Texas Government Code, the State Auditor's Office may conduct an audit or investigation of GRANTEE or any other entity or person receiving funds from the State directly under this contract or indirectly through a subcontract

under this contract. The acceptance of funds by GRANTEE or any other entity or person directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor's Office, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. Under the direction of the Legislative Audit Committee, GRANTEE or other entity that is the subject of an audit or investigation by the State Auditor's Office must provide the State Auditor's Office with access to any information the State Auditor's Office considers relevant to the investigation or audit. GRANTEE further agrees to cooperate fully with the State Auditor's Office in the conduct of the audit or investigation, including providing all records requested. GRANTEE shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through GRANTEE and the requirement to cooperate is included in any subcontract it awards. The State Auditor's Office shall at any time have access to and the right to examine, audit, excerpt, and transcribe any pertinent books, documents, working papers, and records of GRANTEE related to this contract.

7.7 OAG Records Retention and Access; Audit Rights. The OAG will maintain adequate records to support payments made by the OAG to the Certified Vendor relating to the reimbursement requests by GRANTEE under this contract. The payment records will be maintained in accordance with the applicable State Records Retention provisions. The OAG shall grant access to GRANTEE and make available copies of payment records made by the OAG to the Certified Vendor relating to the reimbursement requests under this contract. The OAG shall maintain appropriate audit trails to provide accountability for payments made to the Certified Vendor relating to reimbursement requests under this contract.

PBO Recommendation:

The Juvenile Probation Department is requesting Commissioners Court approval of the grant award from the Office of the Governor, Criminal Justice Division for the existing Juvenile Assessment Center Grant Program. The program provides juveniles with a comprehensive Adolescent Severity Inventory (substance abuse examination), a mental status examination, and screening for developmental disabilities at the front end of the referral process to the department so they can be directed to the appropriate services at Travis County Juvenile Probation Department in a timely manner.

This is the continuation of an existing grant that was first approved in FY 99. The required grant match is met through the department's existing budget –and pays for a Chemical Dependency Counselor. No additional resources are needed. In addition, the grant does not require the service level be continued after termination of the grant cycle.

PBO recommends approval of this application request.

1. Brief Narrative - Summary of Grant: What is the goal of the program? How does the grant fit into the current activities of the department? Is the grant starting a new program, or is it enhancing an existing one?

The JABG program's purpose is to develop programs that promote greater accountability in the Juvenile Justice System. Screening and assessing youth at the front end of the referral process to Travis County Juvenile Probation (TCJPD) ensures proper service delivery and case management for youth with substance abuse issues, mental health disorders, and/or developmental delays. Proper screening and further assessments when indicated affords juveniles a greater opportunity to change their life-course when given proper support at onset of the activity in the juvenile justice system. The goal of the program is to screen and assess all youth who are referred to TCJPD in a timely fashion and direct them to appropriate services that may be needed to reduce substance abuse, address mental health issues, and /or address developmental delays in order to divert them from a path of serious, violent and chronic delinquency. Based on an annual calculation of juvenile crime data in Travis County, the Juvenile Probation Department is eligible for \$61,334 in this grant award.

2. Departmental Resource Commitment: What are the long term County funding requirements of the grant?

N/A; there are no long term County funding requirements.

3. County Commitment to the Grant: Is a county match required? If so, how does the department propose to fund the grant match? Please explain.

The Juvenile Accountability Block Grant program requires a grantee match of at least 10%, which is calculated on the total project costs, not on the amount requested from CJD.

4. Does the grant program have an indirect cost allocation, in accordance with the grant rules? If not, please explain why not.

A 2% indirect cost rate has been calculated at \$1,203.

5. County Commitment to the Program Upon Termination of the Grant: Will the program end upon termination of the grant funding: Yes or No? If No, what is the proposed funding mechanism: (1) Request additional funding or (2) Use departmental resources. If (2), provide details about what internal resources are to be provided and what other programs will be discontinued as a result.

The Department intends to request subsequent year continuation funding for the Juvenile Assessment Center through proposals submitted to the Federal and State government, as well as private foundations. As previously presented to the Court, the County will have the opportunity to consider investment in the assessment center as well as other areas of Substance Abuse Services only after all other sources of funding have been exhausted.

6. If this is a new program, please provide information why the County should expand into this area.

N/A

7. Please explain how this program will affect your current operations. Please tie the performance measures for this program back to the critical performance measures for your department or office.

The Juvenile Assessment Center will continue to improve systems of screenings and assessments which result in more appropriate treatment placement.

In FY11, Day Enrichment Program did not operate as a treatment facility and therefore is not included in the FY11 Actual Total. In FY 11, due to the way data was stored, we were unable to capture juveniles in Substance Abuse ISC if they had a subsequent, continuous stay in the Behavioral component of ISC.

PBO Recommendation:

The Juvenile Probation Department is requesting Commissioners Court approval of the year four contract of a four year grant with the Substance Abuse and Mental Health Services Administration (SAMSHA), Center for Substance Abuse Treatment (CSAT). Funding will allow the department to continue to enhance the capacity of the department's existing drug court to serve substance-abusing juvenile offenders through the integration and implementation of the Juvenile Drug Court: Strategies in Practice, and the Reclaiming Futures program model. The Strategies in Practice Model has been used to implement and operate juvenile drug courts and the Reclaiming Futures Model has been effective in combining community system reforms, substance abuse treatment improvement, and community engagement to help youth break the cycle of drugs and crime.

Funds for this grant total \$199,970, and will provide resources for additional substance abuse treatment resources for youth served by the program and related training for program staff. The department has also received a related grant for a four year period from the Office of Juvenile Justice and Delinquency Prevention (OJJDP) for two FTE to support the program.

There is no cash match required for this grant. This is the final year of the grant program, and the department has indicated that Travis County funding may be needed in future to maintain investment in the Juvenile Treatment Drug Court.

PBO recommends approval of the request.

1. Brief Narrative - Summary of Grant: What is the goal of the program? How does the grant fit into the current activities of the department? Is the grant starting a new program, or is it enhancing an existing one?

The purpose of this program is to enhance the capacity of existing drug courts to serve substance abusing juvenile offenders through the integration and implantation of the Juvenile Drug Court: Strategies in Practice, and the Reclaiming Futures program models. This is a four year project and future project dollars will be commensurate with the current amount. TCJPD is applying for continuation funding for the 4th year of this grant which will begin on 9/30/13.

There are two funding streams under one umbrella of the Substance Abuse and Mental Health Services Administration (SAMHSA). In 2007, the Office of Juvenile Justice and Delinquency Prevention (OJJDP) entered into a partnership with SAMHSA, Center for Substance Abuse Treatment (CSAT) to implement the Juvenile Drug Court/Reclaiming Futures Program.

With the combined funds of CSAT and OJJDP, services to Juvenile Treatment Drug Court (JTDC) participants are increased in the Department's Day Enrichment Program and enhance it to effectively serve youth with co-occurring disorders while increasing capacity in community based programs.

2. Departmental Resource Commitment: What are the long term County funding requirements of the grant?

This is the final year of a 4-year project; at the end of this grant Travis County will have the opportunity to invest in this program.

3. County Commitment to the Grant: Is a county match required? If so, how does the department propose to fund the grant match? Please explain.

No match required

4. Does the grant program have an indirect cost allocation, in accordance with the grant rules? If not, please explain why not.

A 2% indirect cost has been charged to this grant.

5. County Commitment to the Program Upon Termination of the Grant: Will the program end upon termination of the grant funding: Yes or No? If No, what is the proposed funding mechanism: (1) Request additional funding or (2) Use departmental resources. If (2), provide details about what internal resources are to be provided and what other programs will be discontinued as a result.

No. The Department intends to request subsequent year continuation funding for Drug Court through proposals submitted to the Federal and State Government, as well as private foundations. As previous presented to the court, the County will have the opportunity to consider investment in the Juvenile Treatment Drug Court.

6. If this is a new program, please provide information why the County should expand into this area.

N/A

7. Please explain how this program will affect your current operations. Please tie the performance measures for this program back to the critical performance measures for your department or office.

The Drug Court Program will be able to increase the number of youth participating. The impact will be recognized in improved compliance to rules of probation, reductions in recidivism, and lower rates of referral to TJJD.
