

Travis County Commissioners Court Agenda Request

Meeting Date: November 19, 2013

Prepared By/Phone Number: Lori Clyde/854-4205 Elected/Appointed Official/Dept. Head: Cyd Grimes

Commissioners Court Sponsor: Judge Biscoe

Agenda Language: Approve Modification No. 11 to Interlocal Contract No. 4400000350 (H.T.E. Contract no. IL030285LC), City Of Austin, for the Operation and Maintenance of the Combined Transportation, Emergency & Communications Center (CTECC).

➤ Purchasing Recommendation and Comments: Purchasing concurs with department and recommends approval of requested action. This procurement action meets the compliance requirements as outlined by the statutes.

The CTECC program is an interlocal cooperative effort involving partners from the City of Austin, Texas Department of Transportation, Capital Metro and Travis County. All four entities, along with citizens of central Texas currently benefit from ongoing operations at CTECC. This facility houses regional public safety/service systems related to two-way radio communications, computer-aided dispatch, 9-1-1, mobile data, joint emergency operations, and intelligent transportation. County emergency management activities presently operate out of CTECC, as do Sheriff Dispatch functions.

Travis County Emergency Services recommends approval of this modification. Given that this agreement automatically renews annually, the requested action will be an internal administrative change for informational purposes and to confirm contractual spending authority for Travis County's portion of the shared program budget this fiscal year.

County representatives on the Operating and Governing Boards, the CTECC General Manager, as well as other city and county resource staff support the recommendation.

Travis County's FY13 CTECC O&M share is \$2,025,152.00.

Subject:

CTECC O&M Expense Authority for FY-2014, Contract Year Twelve

Proposed Motion:

APPROVE MODIFICATION NUMBER ELEVEN TO AUTOMATIC-RENEWAL CONTRACT 4400000350 (IL030285LC), INTERLOCAL AGREEMENT WITH THE CITY OF AUSTIN FOR THE OPERATION AND MAINTENANCE OF THE COMBINED TRANSPORTATION, EMERGENCY & COMMUNICATIONS CENTER ("CTECC") IN FY-2014. (TCES)

Summary & Staff Recommendation:

The CTECC program is an interlocal cooperative effort involving partners from the City of Austin, Texas Department of Transportation, Capital Metro, and Travis County. All four entities, along with citizens of central Texas currently benefit from ongoing operations at CTECC. This facility houses regional public safety/service systems related to two-way radio communications, computer-aided dispatch, 9-1-1, mobile data, joint emergency operations, and intelligent transportation. County emergency management activities presently operate out of CTECC, as do Sheriff dispatch functions.

The Travis County Emergency Services ("TCES") recommendation is to approve the contract modification. Given that this agreement automatically renews annually, the requested action will be an internal administrative change for informational purposes and to ratify contractual spending authority for Travis County's portion of the shared program budget this fiscal year.

County representatives on the Operating and Governing Boards, the CTECC General Manager, as well as other city and county resource staff support the recommendation.

Commissioners Court previously approved a similar item as Modification No. 10 for FY-2013.

There appear to be no issues or concerns with approving the requested action, as this is a routine and expected item that occurs each year.

Budgetary Impact:

The necessary funding of \$2,025,152 for Travis County's FY-2014 CTECC O&M share is a budgeted TCES expense in 1470010001, 511530.
