

Travis County Commissioners Court Agenda Request

Meeting Date: November 26, 2013

Prepared By/Phone Number: Jason G. Walker/44562; Marvin Brice, CPPB, Assistant Purchasing Agent

Elected/Appointed Official/Dept. Head: Cyd Grimes

Commissioners Court Sponsor: Judge Biscoe

Agenda Language: Approve contract award for Tuscany Way South Extension (South), IFB No. B1307-009-JW, to the sole bidder, Capital Excavation Company

- **Purchasing Recommendation and Comments:** Purchasing concurs with department and recommends approval of requested action. This procurement action meets the compliance requirements as outlined by the statutes.
- The Tuscany Way South Extension (South) project is for the extension of Tuscany Way, from US 290 East to Springdale Road, which will be 2700' in length, consisting of curb and gutter, and sidewalk, similarly to the existing section north of US 290 East. Through this extension, Tuscany Way will run continuously from Ferguson Lane (at Sprinkle Road) to Springdale Road (south of US 290 East).
- For trucks traveling north on US 290 East, this connection will provide an alternate route so as they won't have to travel through the Walnut Place neighborhood, as well as reducing the "cut through" traffic through the neighborhood.
- Subject IFB opened on October 2, 2013, with one (1) bid received in response to the solicitation. The sole bidder is Capital Excavation Company with a base bid of \$3,386,675.96. A second contractor attempted to submit a bid, however, the time stamp by our e-procurement system, Bidsync, was 2:02:16 P.M. Bids for this project were due by 2:00 P.M., therefore Bidsync did not accept this bid.
- Additionally, efforts to learn why there were no other bids received, were made by contacting contractors who had attended the pre-bid. One of these contractors returned a phone call to state that they had other on-

going projects, and had determined their resources were such that they wouldn't be able to complete this project within the stated timeline.

- While the Base Bid amount of \$3,386,675.96 is about 6% greater than the Engineer's estimate, it is still within acceptable limits, as determined by the department. TNR recommends for contract award Capital Excavation Company for the Base Bid amount of \$3,386,675.96.
- **Contract Expenditures:** Within the last N/A months \$0.00 has been spent against this contract/requirement.

MEMORANDUM

October 30, 2013

TO: Marvin Brice, C.P.P.B., Assistant Purchasing Agent

FROM: Steven M. Manilla, P.E., County Executive - TNR
(Handwritten signature of Steven M. Manilla)

SUBJECT: Tuscany Way South Road Improvements, Precinct One
Recommendation to Award Construction Contract

Requested Agenda Item

TNR hereby requests that the Purchasing Department place an item on the Commissioners Court Agenda to award the construction contract for the proposed extension of Tuscany Way South in Precinct One, from US 290 East to Springdale Road, to the lowest responsive and responsible bidder, Capital Excavation Company.

Motion:

Consider and take appropriate action on the recommendation to award a roadway construction contract for the proposed extension of Tuscany Way South in Precinct One, from US 290 East to Springdale Road, to the lowest responsive and responsible bidder, Capital Excavation Company.

Summary and Recommendations

The existing two-lane Tuscany Way South terminates at a cul-de-sac approximately 100 linear feet south of the newly constructed US 290 East service road. The proposed Tuscany Way roadway extension is a 2700 linear feet of four-lane divided arterial roadway with curb and gutter, and sidewalk, similar to the existing section north of US 290 East, and extending from US 290 East to Springdale Road in Precinct One. With this extension, Tuscany Way will be continuous from Ferguson Lane at Sprinkle Road to Springdale Road south of US 290 East. This connection will provide an alternative route for trucks traveling north of US 290 East without having to go through the Walnut Place neighborhood on Springdale Road and vice versa, and will also reduce the cut through traffic through the neighborhood.

The project is consistent with the local transportation plan. The Capital Area Metropolitan Planning Organization (CAMPO) is the designated transportation planning organization for the Austin-area. CAMPO produces the long-range transportation plan and included in the plan is a network of arterial roadways that are considered essential for meeting the transportation needs of this area.

One bid was received and that was from Capital Excavation Company. Purchasing and TNR have determined the bid to be responsive and the bidder responsible. This bid was about 6% more than the Engineer's estimate, which is within acceptable limits. A copy of the bid is attached.

TNR recommends award of the construction contract to Capital Excavation Company for the Base Bid option for the sum of \$3,386,675.96

Budgetary and Fiscal Impact

The project is funded jointly by the City of Austin and Travis County.

\$3,386,675.96 of the budgeted funds has been reserved in the following account for this contract award:

STATE OF TEXAS §

COUNTY OF TRAVIS §

This Agreement for Construction Services (the "Construction Contract" or "Contract") is made and entered into this day by and between Travis County, Texas, a political subdivision of the State of Texas (the "County") and Capital Excavation Company (the "Contractor") and will be binding upon their respective executors, administrators, heirs, successors, and assigns.

WHEREAS, the County desires to enter into a contract for the construction of PROJECT NAME in Travis County, Texas, in accordance with the provisions of state statutes and conforming to the Contractor's Notice of Construction, Bid Proposal (including the Bidding Documents, Bid Form, and any Addenda or Amendments thereto), General Conditions, Supplementary Conditions, and the Specifications and Plans marked TUSCANY WAY EXTENSION (SOUTH) (B1307-009-JW), all of which are incorporated herein.

WHEREAS, the Contractor has been engaged in and now does comparable work and represents that it is fully equipped, competent, and capable of performing the above- desired and outlined work, and is ready and willing to perform such work in accordance with all provisions of the abovementioned Specifications and Plans marked (B1307-009-JW).

NOW THEREFORE, in consideration of the County's promise to pay the amount below as totaled in the Bid Proposal hereto attached and made part of this Contract, the Contractor agrees to do at his own proper cost and expense all the work necessary for the construction of TUSCANY WAY EXTENSION (SOUTH) in Travis County, Texas in accordance with the provisions of the aforementioned Contractor's Notice of Construction, the Bid Proposal as awarded by the Commissioners Court, and the Specifications and Plans marked (B1307-009-JW) to the satisfaction of the County Executive of the Transportation and Natural Resources Department of Travis County, Texas.

This contract document, the Contractor's Notice of Construction, the Bid Proposal (including the Bidding Documents, the Bid Form, and any Addenda or Amendments thereto), and the Specifications and Plans marked (B1307-009-JW) represents the entire and integrated contract between the County and the Contractor and supersedes all prior negotiations, representations, or agreements, either oral or written. This Contract may be amended only by written instrument signed by both the County and the Contractor.

The said Contractor further agrees to be available for work within 14 calendar days, and to complete the work within 356 working days, after receiving a written "Notice to Proceed".

Travis County, Texas, in consideration of the full and true performance of the said work by said Contractor, hereby agrees and binds itself to pay to said Contractor the total contract amount of \$3,386,675.96 consisting of \$2,978,189.96 for materials to be incorporated into the Project or completely consumed at the job site and services required by or integral to the performance of the contract and \$408,486.00 for all other charges, including the cost of other services, overhead, materials which do not become part of the finished project or are reusable, and machinery or equipment and its accessory, repair, or replacement parts, and in the manner provided for, within 30 calendar days from the receipt of an acceptable invoice. This division of the contract amount is made for sales tax purposes only. The Contractor must maintain internal records to verify the division. The Contractor must make these records available upon the request of the Travis County Auditor.

This contract will be construed according to the laws of the State of Texas. The performance for this Contract must be in Travis County, and venue for any action will lie in Travis County, Texas. The Contractor warrants that the completed project must be adequate for the purposes intended.

Notwithstanding anything to the contrary herein, if Contractor is delinquent in payment of taxes at the time of invoicing, Contractor hereby assigns any payments to be made for service rendered under this Contract to the Travis County Tax Assessor-Collector for the payment of said delinquent taxes.

NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESSED OR IMPLIED, TO AMEND THIS CONTRACT, EXCEPT SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE COMMISSIONERS COURT OF THE COUNTY.

The forfeiture provisions of the contract imposed pursuant to the Travis County Ethics Policy may be waived in whole or in part by the Travis County Commissioners Court.
