**Form # 3: PROGRAM WORK STATEMENT**  
for FY 2014 Social Service Contracts funded by Travis County

Date prepared: 09/23/13

**Instructions:** Please answer the following questions as they pertain to only those programs and services in which Travis County invests. Note: the information contained in this document will be used in reports to the Travis County Commissioners Court and the community.

Agency: *Workforce Solutions Capital Area Workforce Board* Program: *Child Care Local Match*

1. Program goals and objectives:

*Briefly describe the goals and objectives of the services purchased by Travis County in this contract.*

The goal of the program is to purchase child care to serve eligible low-income families in Travis County. Travis County funds are matched through federal funds allocated through the Child Care and Development fund (CCDF).

2. Program clients served:

*Describe the eligibility requirements to participate in the program or in each component of the program (for example: Travis County residency, income level, age).*

To participate in the program, a child must

- Be under 13 years of age or be a child with disabilities under 19 years of age;
- Reside in Travis County/City of Austin;
- Reside with parents who require child care in order to work or attend a job training or educational program; and
- Reside with parents who meet participation requirements: 25 hours per week of work or job training or an educational program for a one-parent household, 50 hours for a two-parent household.
- Reside with a family who meets the program's income requirements: County funds and the federal match will be used to serve children whose family income does not exceed 200% of the Federal Poverty Guidelines, unless funds are reallocated at the 6-month or 9-month benchmark; any reallocated funds will be used to serve children whose family income does not exceed 85% of the State Median Income.

3. Program services and delivery:

*Describe the Travis County funded services and how they are provided by the agency. Provide enough detail so that the contract reviewer is able to have a comprehensive understanding of your services and how they are delivered to clients.*

The funds will be used to purchase direct child care services provided by Texas Rising Star child care providers. Providers will be selected through a process conducted by the City of Austin. Using the quarterly expenditure reports, at the sixth and ninth month benchmarks, Workforce Solutions may reallocate any projected lapse in funding. Reallocated funding will be used to serve other CCDF low-income families living in Travis County with incomes up to 85% of state median income, who meet all program requirements described in Item #2.

Travis County funds will be used for child care assistance for eligible children meeting Workforce Solutions Capital Area Workforce Board's (WFS) eligibility criteria described in Item #2.

4. Service coordination and collaboration strategies:

Describe how the agency coordinates its services with services being provided by other agencies and describe how the agency collaborates with other agencies. If you are not currently collaborating with other agencies, what is your plan for increasing collaboration?

This program is a collaborative effort between Travis County, the City of Austin, and Workforce Solutions Capital Area Workforce Board (WFS). Using locally-generated funds from the County and the City, WFS leverages matching federal funds to more than double the amount of funding available for child care assistance to eligible families.

5. **OUTPUT** Performance Measures (replace the blue text and shaded spaces below with the actual wording of your measures and their corresponding 12-month goal amounts):  
 Please enter the output performance measures to be reported for your program. You must report the number of unduplicated clients served by funding source and at least one other output. Actual total program performance data for these outputs will be reported in the quarterly program performance reports.

<u>OUTPUT # 1</u>	<u>Travis County Annual Goal</u>	<u>All Other Funding Sources Annual Goal</u>	<u>TOTAL (Travis County + All Other) Annual Goal</u>
Number of unduplicated clients served	47	265	312

(If approved for additional Output measures, copy and paste the blocks above and re-number accordingly)

6. **OUTCOME** Performance Measures (replace the blue text in the left column below with the actual wording of your measures' numerators, denominators, and outcome rates):

In the middle column's shaded blocks, include the corresponding 12-month goal amounts and percentages (as applicable) for each line. If an Outcome will NOT be reported every quarter, in the right column indicate for which quarterly report(s) you WILL be reporting that measure (for example, you might report for Q2 and Q4 only).

<u>Total Program Performance – OUTCOME # 1</u>	<u>Total Program Annual Goal</u>	<u>If not reported every Quarter, in which Quarter(s)?</u>
Amount of federal funds leveraged	1,459,424	

(If approved for additional Outcome measures, copy and paste the blocks above and re-number accordingly)

7. **Community planning activities:**  
 Describe your agency's involvement in community planning activities that are specific to the services provided under this contract.

**COMMUNITY PLANNING ACTIVITIES:**

- A. **Early Childhood Stakeholders – School Readiness Action Plan Leadership Team:** This steering group uses a results-based accountability framework to map strategies designed to strengthen Travis County's early childhood community.
- B. **City of Austin Early Childhood Council:** TMC's QC3 Program Coordinator and/or Workforce Solutions Capital Area Workforce Board's childcare quality improvement staff attends all meetings and present information at the Council's request.
- C. **Child Care Community Input:** TMC seeks provider and community input in developing/implementing child care quality improvement activities. Workforce Solutions board and TMC staff participate in a variety of community early childhood activities, committees and boards. The

board routinely seeks advice from these partners regarding the board's administration of the subsidy program in Travis County.

**D. Comprehensive Quality Improvement Program Plan:** TMC is required to submit to the board an annual comprehensive local operating plan for implementing child care quality improvement activities (to include this funding) based upon TWC child care rules and Board policies established to implement the rules. The plan must be submitted to the Board for approval by November 30 of each program year. Included in the planning process are the following key elements:

- 1) **Needs Assessment.** Prior to development of the quality improvement initiatives program plan or any procurement of training, a survey of child care staff will be conducted to determine what training will be offered during the year. In addition, a survey of child care training professionals will be conducted to determine what training will be offered, the levels of training to be offered and assistance with locating appropriate trainers.
- 2) **Submittal to Stakeholders.** TMC staff will submit the plan (upon request) to:
  - a. The Austin Early Care and Education Council.
  - b. Child Care professional associations
  - c. Child Care Licensing
  - d. Success by 6
  - e. Other professional groups as identified.

**8. Program Evaluation Plan**

• **Performance evaluation:**

*Describe how the agency will evaluate the program's performance in achieving program goals. Note: if any survey(s) or questionnaire(s) are used in the evaluation of the program or its performance, please provide a brief description of survey procedures (for example: how the survey is distributed and to whom).*

Program performance will be evaluated based on review of quarterly performance reports submitted to Travis County, and through monitoring expenditure benchmarks.

• **Quality improvement:**

*Describe the process for identifying problems or other issues in service delivery, designing activities to overcome these problems, and following up to ensure corrective actions have been effective.*

The Board will submit monthly reports showing the amount of Travis County funds spent and the number of children served. These reports will be reviewed to ensure on-target service delivery, and to identify any problems. Information on quality assurance is shared openly and appropriate action is taken to resolve issues.

Then check all amounts on the sheet for accuracy, and make sure that the correct amounts and other information are carried forward into the remaining monthly "...Exp Rpt" spreadsheets. As each new month is completed in the contract term, you will repeat this step for the corresponding month's Expenditure Report. Be sure to verify the accuracy of all calculations and cumulative amounts, every time you invoice.

#### **PAYMENT REQUEST (Check/correct this form only AFTER completing the Expenditure Report)**

These spreadsheets are designed so that the amounts in each of the 4 Payment Request forms automatically calculate directly from the corresponding Expenditure Report - this means that the two Quarter 1 forms are linked, as are the two Quarter 2 forms, etc. In addition, all of the "...Exp Rpt" and "...Pay Req" forms are linked so that the correct cumulative amounts should automatically be carried forward into the appropriate cells for subsequent months. **IMPORTANT: All amounts in the Payment Requests should be calculated automatically - your main task for Payment Requests is to verify that all of the amounts are calculated and printed correctly.**

5) Verify that each "...Pay Req" spreadsheet includes a unique Invoice Number in the shaded block near the top - this number is also linked to the invoice number of the corresponding month's Exp Rpt form. This Number is a code representing your agency and program, the month invoiced, and ends in " 1 " to indicate it is the first or original invoice for that month. Important: if for any reason you later submit a different, revised or corrected, etc. invoice for that same month (which replaces or supplements the original invoice.) change the ending number to " 2 " on that second invoice, then to " 3 " on the third one as needed, etc.

**\*\*\* Reminder for steps 6, 7 and 8 below: Most items on the Payment Request should be input or corrected by first adjusting the corresponding linked data in that month's Expenditure Report \*\*\***

6) Next, review and (if needed) add/correct the appropriate agency and program information in section I, including the Payment Request Amount for the month being invoiced.

7) Check and correct (if needed) the amounts in Section II, ensuring that they are consistent with the corresponding amounts in the monthly "... Exp Rpt" spreadsheets.

8) Review the other "...Pay Req" spreadsheets to ensure that all of the information is accurately carried forward also.

9) To invoice for each upcoming month, repeat steps 3 and 5-8 listed above for the appropriate pair of monthly sheets, print both sheets, obtain the required signatures, and submit as usual with a completed Compliance Certification form.

**SUBMIT YOUR FORMS WITH ORIGINAL SIGNATURES TO: Caulia McMarion, HHS/VS, P. O. Box 1748, Austin, TX 78767**

**Note - NOT included here: Supplemental Final Payment forms** - If you have any unexpended funds remaining after your last monthly invoice and for which you will request payment, the appropriate Supplemental / Final Payment forms should be provided after September for your action. Otherwise, you will release any remaining unexpended funds back to the County as part of theseparate "Contract Annual Summary" (formerly known as "Close-Out") process.
