**Subject:** RE: ESD #4 Reappointment

Mr. Davis, it has been my pleasure to serve as a commissioner for ESD #4. A lot of changes for forward progress has been made in ESD #4 since I have been serving as a Commissioner we were successful in remodeling station 401 in the Austin Colony neighborhood as well as helping to get an EMS unit out there. We also had a successful campaign in the last election with Proposition #1 with the increase sales tax. We have also participated in many community activities and we are loved by the community. It would be my great pleasure to continue to serve and be reappointed as commissioner for the Emergency Service District # 4.

Thank You,  
Gene Wills
