Order Designating Main Early Voting Polling Place, Temporary Branch Early Voting Polling Place, and Hours for Early Voting on Weekdays for the May 27 Joint Primary Runoff Election

Texas Election Code section 85.002(b) permits the Travis County Commissioners Court to designate the main early voting polling place for county-wide elections. And Texas Election Code section 85.062(a)(1) permits the court to designate temporary branch early voting polling places for an election in which the county clerk is the early voting clerk.

The election code further establishes, under sections 85.005(a) and (c), that early voting will be conducted at the main early voting polling place for at least twelve hours on each weekday of the last week of the early voting period, and for other weekdays during the early voting period, the days and hours the county clerk's office is regularly open for business. And under section 85.064(b), early voting by personal appearance at each temporary branch early voting polling place established under Section 85.062(d) will be conducted on the days that early voting is required to be conducted at the main early voting polling place. The authority establishing those temporary branch early voting polling places will determine the hours during which voting is to be conducted on those days. But under section 85.064(c), early voting by personal appearance at temporary branch early voting polling places, other than those polling places designated under section 85.062(d), may be conducted on any one or more days and during any hours of the period for early voting by personal appearance.

The temporary branch early voting polling places designated by this order are located as prescribed by Texas Election Code section 85.062 (b)–(f).

Accordingly, under Texas Election Code section 85.001(a) and (c) and the above-referenced legal authorities, the Travis County Commissioners Court hereby designates for the May 27, 2014 Joint Primary Runoff Election the main early voting polling place, the temporary branch early voting polling places, and the temporary branch early voting polling places designated for the mobile early voting program, as set forth in Exhibit A, which is attached and incorporated into this order.

For the May 27, 2014 Joint Primary Runoff Elections, the main early voting polling place will be open for early voting by personal appearance on weekdays from 7:00 a.m. to 7:00 p.m., beginning on Monday, May 19, 2014 through Friday, May 23, 2014, except that the temporary branch early voting polling places specified in Exhibit A will be open for early voting by personal appearance during those days and hours specified in Exhibit A.
