Location: Carson Creek Ranch

Address: 9501 Sherman Rd - Austin, 78742

Description: A scenic 58 acre ranch nestled on the banks of the Colorado River. Area is mostly industrial or agricultural as it is in the low flight path of Bergstrom Airport. There is a small number of residences the nearest being more a half mile away from the directions of the event's PA system. We received no noise complaints over the course of the event last year.

County Liason/ Security Director: Scott Davidson (The Electric Company) - 1901 E. 51st St - Stage 4 - Austin, 78723

512-656-2184

Event Production Manager: Ryan Miller 512-659-0104 rmillier205@me.com

Promoter: Euphoria Partners 2014, GP : 706 Rolling Brook Ln, Cedar Park TX 78613

Land Owner: Joan Havard - 8801 Willowick Dr - Austin, TX 78759 - 512-758-9076

Expected attendance: 5,000 per day. Max attendance 5,000. While it is not expected, no more than 5,000 tickets will be issued for the event and we will publicize that the event is sold out. We anticipate 1000-1500 guests to camp on site in a secured area- if it appears this number may be exceeded we will notify the county promptly and will adjust accordingly.

Scheduled to perform: Bassjackers, Beats Antique, Bonobo (DJ Set), Boombox, Borgore, Bro Safari, Earphunk Plays Daft Phunk, The Floozies, Gareth Emery, The Motet Plays Jamiraquai, Keys N Krates, Koan Sound, Lotus, Opiuo, Simon Patterson, TJR, Zeds Dead

Nature of performances: All performers will be playing music on one of 3 stages, roughly 45 mins to 60 min sets. The original statue from 1989 requests names and addresses of performers and their agents. This information is not shared with the promoters and with over 60 bands from all over the world, acquiring this information would prove very difficult.

Sanitation Health: We are plan to supply a minimum of 80 Port-o-potties provided a local vendor on site at the event with 15 ADA units. All units will be serviced and pumped nightly. Adequate pump sinks will be provided and maintained with water and paper towels. There will also be several restroom trailers on site, each with running water.

For food service and bar will have required sinks for hand washing. All food vendors are self-contained food trucks and trailers with county and city permitting. We have also arranged for onsite gray water, and grease trap storage maintained by a sanitation vendor. Vendors have been notified that no external gas tanks will be allowed on site. We are expecting 12-15 food vendors.

Traffic Control: **See Map Attached...** Traffic Control is a high priority for the event producers.

We look forward to discussions with TXDOT on how to improve the traffic plan from last year's events at the site. Until those meetings we will present the traffic plan from last year.

We will be very specific with instructions to our attendees. After meeting with TXDot, County, and city ROW officials, we agreed that my suggestion to have patrons heading eastbound on 183 and 71 both merge onto 71 and exit Spirit of Texas Dr. then loop under Hwy 71 to go westbound to access a safe merging right turn on Old Bastrop Hwy. From here they will turn Right on Dalton and proceed to the festival entrance at Giraffe Pen Rd. If deemed necessary, we plan to utilize message boards to relay event traffic the safest route into the site.

Message Boards will read:

Our event site will have 2 separate entrances, one for local traffic, production, and emergency use only (Sherman Road) and one for public use Giraffe Pen Rd. Dalton Rd will be our main point of entry and we have secured parking on land owned by Jimmy Evans Construction next to the event site. There is .42 mile of road on Giraffe Pen Road to accommodate cars queuing into the parking lot and more if we line up cars from the furthest point from the road. If deemed necessary, we will work with Travis County Sherriff's office to hire staff in patrol cars to be a presence at these vital points of entry.

Directions to the site will be detailed and specific and guests will be strongly encouraged to follow the agreed upon routes. We feel the presence of Travis Co Sheriffs will assist this along with ample legible approved signage that will guide event goers safely to and out of the site to main arteries and keeping traffic out of neighborhoods. Parking at the site will be done quickly and payment for parking will be done after the car is parked to minimize delays.

Egress from the site would require a right turn onto Dalton Ln from Giraffe Pen Road Sheriffs on site can assist to keep traffic flowing for the out at the end of the night to expedite exit off the property. Patrons will process left on Hergotz and Left on Thompson to the light at US 183 led by visible signage in plain view out of the ROW with property owner's permission. From this point patrons can go left or right onto the highway. I will work with Brian Craig with the city of Austin to time this light during mass exit times to minimize backups at this location.

Once off major arteries 30x30 directional signs will be placed along Dalton Ln for Ingress to let patrons know where to turn. For Egress 30x30 signs will guide patrons from the event back to the highway and will be placed at each turn on the exit strategy. Finally, TXDot has asked that plastic drums be places in front of a service pole near the turn for Dalton Lane. We will comply with this safety request.

Medical: To provide medical care for patrons at our event we are contracting event specialist EMT group, Capital Medical Services. We will staff a minimum of 1 EMT and 1 Paramedic 24 hours a day when patrons are on site from a highly visible medical station. This staffing number will increase based on programming and ticket sales numbers. Capital

Medical Service will also provide a standby ambulance service and the additional personnel to staff it during hours the festival grounds are open. Capital Medical Service will also utilize a stretcher-bearing ATV vehicle to patrol and transport patients within the grounds.

Security: We have contracted with Vigilant Security and Event Services as our private security provider. Working under the direction of our Public Safety Director, Vigilant security will provide licensed, uniformed level 1 guards for access control, loss prevention and public safety 24 hours a day while patrons are on site. There will be a minimum of 20 security officers staffed during peak hours. All security and event staff will be equipped with 2-way radios with established communications protocols and chain of command. In addition to those officers working traffic and cash-room roles, two peace-officers dedicated to internal security and crowd management will be retained during hours of operation of the festival grounds. Level 1 Security officers will maintain a 24-hour presence within the camping and festival grounds.

Minors in Attendance: A legal guardian who is attending the festival with them must accompany all persons under the age of 18 or they will not be admitted. All attendees over 21 who have verifiable proof of their age and who choose to drink will be issued a wristband to clearly differentiate from those underage and to prevent underage drinking.

Tents on Premise: Per request of Travis County, we have notified all tent providers that Flame Retardant Certificates must be permanently attached to any tent on the premises and they have confirmed that our requests can be filled with such tents. Only one tent will be used for cooking in the backstage area and will not be accessible by the public. Exit signs and extinguishers will be provided at any tent in which it is deemed necessary.

Power: Power for the event will mostly be from onsite Diesel Generators, you will find the locations of the generators. These are:

1. Behind the main stage (175 KVA)
2. Behind the Large Tent Stage (125 KVA)
3. Next to General Store and campgrounds (95KVA)
4. Behind Sponsor Tent (95 KVA)
5. Near tent #6 at entry way (95KVA)
6. Existing power will be used via a code compliant subpanel and distro located at power pole next to the pavilion.

Whenever possible generators are placed behind fences out of the public view. In the case of example 4 and 5, those generators will be fenced and scrimmed to keep public out. Generators will arrive to the site fully fueled with the estimated amount needed for the weekend. Should refueling be required we will bring in a fuel truck from off site after event hours to replenish supplies. The fuel truck will leave the premises following this action.

ALL REQUESTS ARE SUBJECT TO APPROVAL: Local background checks are done on individuals requesting security for private functions. Requests are only filled if there are officers available, we cannot guarantee your request will be filled. Officers are not allowed to work out of Travis County, unless approved by the Sheriff or the Sheriff's designee.

- SUBMISSION OF APPLICATION TIMELINE:**
- Events that will have less than 500 attendees must be submitted at least 14-business days prior to event.
 - Events that will have 500 – 1,000 attendees must be submitted at least 30-business days prior to event.
 - Events that will have 1,000 or more attendees must be submitted at least 60-business days prior to event.

OFFICER RESPONSIBILITIES: A Travis County Sheriff's Officer's primary responsibility while working in a secondary employment capacity, in uniform or plain clothed, is the enforcement of Federal and State laws and County ordinances: to protect life and property and to keep the peace. DEPUTIES ARE PROHIBITED FROM ENFORCING HOUSE RULES. House rules are defined as rules that are not specifically authorized by state or federal law, and are typically rules of the outside employment Contractor. Officers shall follow all Travis County Sheriff's Office (TCSO) Policies and Procedures.

Officers engaged in a secondary employment job will not refuse to assist any citizen requesting or needing assistance. Officers are expected to take necessary action in an attempt to assist citizens in need of help by calling on-duty officers, taking reports, effecting arrests, or providing any other services related with the duties of a peace officer.

CONTRACTOR'S RESPONSIBILITIES: The Contractor agrees to hold harmless TCSO and all TCSO personnel from losses of any kind caused while at the site of the secondary employment. All traffic control jobs must be approved by the jurisdictional authority, such as TXDOT or Travis County Transportation and Natural Resources before we allow our officers to work. *Scheduling officers DOES NOT constitute safety approval.*

REVOCAION FOR SECONDARY EMPLOYMENT APPLICATION/PERMIT: The Sheriff's designee will not approve any application by a prospective Contractor that does not meet the requirements of any TCSO Policies and Procedures. Examples for revocation are for informational purposes only and is not intended to be exclusive of other reasons not contained therein: a conflict of interest develops between the County and the outside Contractor; non-payment of employees; Contractor is arrested; the Contractor is under investigation by the District and County Attorney's Office, or any Law Enforcement Agency for violations of law; the Contractor refuses to cooperate with an investigation related to the secondary employment job; the job becomes controversial, such as labor or civil disputes; the Sheriff, acting personally or through a designee, reserves the right to deny any application for secondary employment of law-enforcement.

PAY RATES:
COUNTY-OWNED VEHICLES - \$20 per hour with a 2-hour minimum [A Vehicle User Agreement must be completed to utilize these emergency vehicles]
OFFICERS - \$40 per hour with a 4-hour minimum
 \$43 per hour with a 4-hour minimum - for Police Bicycle Certified Officers (these officers may be utilized for large events)

2014 Euphoria Fest Plan

Lone Star Latrine will be supplying the portable toilets, trash/recycling services, potable/non-potable water services, fencing, restroom, and shower trailers for the 2013 Pysch Fest.

Lone Star Latrine will load in the portable toilets, dumpsters, restroom/shower trailers, and fencing in designated areas prior to the start of event. Sight maps demonstrate locations of all equipment.

Lone Star Latrine will be on-call during complete duration of event. We will be in charge of servicing the toilets as needed, dumpsters, shower/restroom trailers, food service vehicles as needed. We will patrol the perimeter of the event staying on the outer access road away from the crowd. We will only service in the venue area at slower times during event in order to gain full access to equipment.

In the event of a waste spillage, I have attached the Lone Star Latrine waste spill contingency plan as well as our dumping policy with the COA.

If you should have any questions or concerns, please feel free to contact me.

Thanks,

Ryan Pierce

Austin, TX 78724
Office: 512-450-4240
- CEO – Ryan Pierce – 512-897-0288

Spill Plan:

- In the event of a chemical / waste spill, each truck is equipped with a vacuum pump and vacuum hose. They are also equipped with 2 gallons of bleach and 1 bag of oil dry in the case of a chemical spill.
- If chemical is spilled, drivers are instructed to pour 6 oz. of bleach on the spill. Driver then pours oil dry on top of bleach to soak up liquid.
- If waste is spilled, drivers are instructed to vacuum up all waste possible. They can also use bleach and oil dry as necessary to properly contain the spill.
- In the event a truck is damaged, the driver is instructed to call the office and have another truck dispatched to his current location.
- In the event the driver is unable to call the office, Lone Star Latrine trucks are outfitted with visible logos and phone numbers.

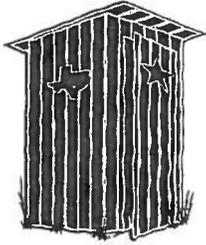

Dump Guidelines: Last updated 5/24/12

Below outlines the basic dump guidelines for dumping waste at a treatment plant. It is subject to change at anytime as ordered by supervisor. Note: emergency response situations will override all policies and procedures.

Dump Guidelines:

- A. Fill out proper manifest book before going to waste treatment plant.
- B. Proper documentation of manifest are as followed:
 - Document the generator info. (Where waste was collected)
 - Document the transporter info. (Who is hauling the waste)
 - Document any transfer info. if applicable.
 - Document the receiver info. (Where waste is being disposed of)
- C. Make sure truck is completely filled with waste.
- D. Approved waste accepted by Walnut Creek WWTP is as follows:
 - Chemical toilet waste
 - Septic tank waste
- E. Confirm hours of operation of waste treatment plant.
 - Mon. - Fri. - 7:00 to 7:00
 - Sat. - 7:00 to 3:00
 - Sun. - Closed
- F. Upon arrival at treatment plant, check in with proper plant personnel.
- G. Ensure that manifest book has been signed off by plant personnel.
- H. Hook-up proper hose from truck to plant attachment.
- I. Make sure hose is securely fastened!
- J. Turn on PTO valve. This is done by pushing in clutch and putting PTO switch to ON position.
- K. Ease off of clutch until PTO pump has engaged.
- L. Once PTO is running, move valve into reverse position. This will allow waste to be pumped out of truck.
- M. While unloading waste, a sample is required to be taken for all discharged waste and turned into Walnut Creek WWTP. (Sample bottles are provided by Walnut Creek.)
- N. After truck is completely emptied of waste, turn off PTO.
- O. Detach hoses and secure properly onto truck.

The Euphoria Music Festival is proposed to be held at Carson Creek Ranch, 9501 Sherman Road, Austin, Texas in Pct. 4. This is the site used in 2013 for the Psych Fest. This event will attract up to 5,000 people on three consecutive days. The music will begin at 12:00 Noon on April 25 and continue until 01:30 am the following morning. The music will begin again at 12:00 Noon on April 26 and continue until 01:30 am the following morning. All attendees should leave the property by 12:00 Noon on Sunday April 26. More detail surrounding daily schedule is included in the back up documentation.

Persons under age 18 will not be admitted unless they are accompanied by a legal guardian. Attendees who choose to drink must present a valid proof of age.

Food and Drink vendors will be on site.

Overnight campers will begin arriving at 07:30am on April 25. The event promoter expects up to 1,400 people to camp overnight at the site.

A fire watch will be provided by Travis County Fire Marshal at the expense of the applicant.

Travis County Fire Marshal Office has reviewed information submitted regarding this proposed event. This event is capable of meeting all life safety requirements. Final approval by Travis County Fire Marshal will be subject to an on-site inspection after the structures, generators and vendors are in place.

RE: Report regarding Mass Gathering – Euphoria Music Festival

The Euphoria event coordinators have submitted their traffic plan for routing their patrons to and from the Euphoria Music Festival to be held April 25-27, 2014. TNR staff has reviewed the proposed traffic plan as seen in the attached back up documentation and approves of the plan.

This plan is similar to the traffic plan used for a similar event held last year at this same location. All traffic coming to the event will be directed to SH71 which will proceed to exit Spirit of Texas Drive then loop under SH71 head westbound and turn right on Dalton Lane. From there they will proceed north on Dalton and turn right on Giraffe Pen Road which leads them to the festival entrance. Once exiting the event, traffic will be directed to turn north on Dalton and routed to Hergotz Lane then Thompson Lane at the traffic light on US183.
