PROFESSIONAL SERVICES AGREEMENT ("PSA")

STATE OF TEXAS §

COUNTY OF TRAVIS §

This Agreement (this "Agreement") is made and entered into by and between Travis County, Texas, a political subdivision of the State of Texas ("County") and Doucet & Associates, Inc. ("Consultant") (each a "Party" and collectively the "Parties").

County desires to obtain professional engineering services for the design of the Deer Creek Substandard Road Improvements (the "Project");

Consultant has the professional ability and expertise to fulfill the requirements of the Project, and to counsel County in the selection and analysis of cost-effective alternatives.

In consideration of the mutual covenants and agreements set forth in this Agreement, the amount and sufficiency of which are acknowledged, County and Consultant agree as follows:

**SECTION 1
EMPLOYMENT OF THE CONSULTANT**

- 1.1 The County Executive of the Travis County Transportation and Natural Resources Department ("TNR") (the "County Executive") has designated a primary Project representative to act on behalf of County with respect to the work to be performed under this Agreement (the "County Project Manager"). The County Project Manager, in consultation with the County Executive, has the authority to interpret and define County's policies and decisions with respect to Consultant's services. The County Project Manager may designate representatives to transmit instructions and receive information. The County Project Manager will supervise the performance of Consultant's services under this Agreement. Consultant must cooperate fully with the County Project Manager in the performance of services under this Agreement.
- 1.2 County is contracting with Consultant as an independent contractor. Consultant shall perform professional engineering services as described in this Agreement. If any dispute arises under this Agreement, Consultant and the County Project Manager specifically agree to make a good faith effort to resolve the dispute directly between them. If they are unable to resolve the matter to Consultant's satisfaction, Consultant may appeal the dispute by following the procedures described in Paragraph 11.9 of this Agreement.
- 1.3 County will provide Consultant convenient access to all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relating to existing facilities and to the Project. Consultant shall make copies of needed information and promptly return all originals. The cost of such copies will be a reimbursable expense. Consultant shall return his copies of this material to County upon completion of the Project, if the County Project Manager instructs the Consultant to do so.
- 1.4 County cannot and does not warrant or guarantee the accuracy of all information that it provides to Consultant. Consultant may rely on professional sealed documents to the extent

that the original professional would have been held liable for the information contained in those documents, in accordance with industry standard practice. Information provided in record or an as-built document that is critical to the current design work should be field-verified by Consultant in accordance with his professional judgment. Consultant may rely on other Project information provided by County, such as program data or design criteria, in accordance with industry standards, unless this Agreement provides otherwise.

- 1.5 If the County Project Manager observes or otherwise becomes aware of any fault or defect in the Work Product, as defined in Section 7, the County Project Manager will give prompt written notice of the fault or defect to Consultant. Consultant shall correct any such fault or defect at no cost to County.
- 1.6 The Travis County Commissioners Court orders this Agreement for professional engineering services exempt from the County Purchasing Act pursuant to Texas Local Government Code § 262.024(4) as an item for procurement of professional services.
- 1.7 Project Management; Key Personnel. Consultant shall provide management for the Project in accordance with the Organizational Chart set forth as **Appendix B**, attached hereto and made a part hereof. Personnel included in the Organizational Chart shall be considered "Key Personnel" for purposes of this Project. Project Manager must be a Professional Engineer registered in the State of Texas. Except in the event that the Key Personnel individual is no longer employed by (or otherwise under the direction and control of) Consultant, none of the Key Personnel may be withdrawn from the Project without County's prior written approval; provided, however, Consultant shall have the right to change Key Personnel if Consultant complies with the following conditions: (1) Consultant provides County with at least fifteen (15) business days prior written notice that Consultant intends to replace a Key Personnel individual; (2) the notice is accompanied by a copy of the resume of any proposed replacement Key Personnel, together with documentation demonstrating that the proposed replacement has equal or greater experience and qualifications than the original Key Personnel individual; and (3) Consultant permits County to interview the proposed replacement Key Personnel individual for the purpose of satisfying itself that the proposed replacement is acceptable. County will notify Consultant within seven (7) days of conducting the interview of any objection to the proposed replacement, and will either request additional assurances regarding the proposed replacement or require Consultant to submit the name and qualifications of another replacement Key Personnel individual. Such process will continue until Consultant proposes a replacement Key Personnel individual acceptable to County. County agrees not to unreasonably withhold such acceptance. In the event a Key Personnel individual leaves the employment of Consultant unexpectedly and without advance notice, Consultant will immediately notify County upon learning of the departure and will comply with the requirements of this section.

SECTION 2 BASIC SERVICES OF CONSULTANT

- 2.1 Consultant shall be responsible for the complete design and documentation of the work described or referenced in this Agreement, and shall prepare the Work Product, , which must be acceptable to the County Project Manager. Consultant shall also serve as County's

professional consultant during the Project phases to which this Agreement applies, and shall consult with and give advice to County during the performance of the Project.

2.2 Consultant shall perform the "Basic Services," which means:

2.2.1 all elements of labor, materials and equipment required for the Project, which must be rendered to the satisfaction of the County Project Manager and the Commissioners Court and in accordance with the requirements, policies, and standard practices of Travis County;

2.2.2 the detailed Scope of Services for the Project as specified in **Appendix A**, attached to and made a part of this Agreement for all purposes (the "Scope of Services");

2.2.3 all Project technical and management expertise stated in the Qualifications Statement submitted by Consultant in response to the RFQ attached to this Agreement as Appendix C and made a part of this Agreement for all purposes;

2.2.4 the Work Product, as defined herein, which Consultant shall submit to County for review at regular intervals, as specified in the Project Schedule to be provided by Consultant. The requirements applicable to the Project Schedule are specified in Exhibit 3.

2.3 Consultant shall use all applicable codes in performing the Basic Services for the Project. The standards, codes, specifications, or other technical, design or professional requirements that apply to this Project are the latest edition in effect on the date on which this PSA is executed, unless Consultant and County expressly agree otherwise. The applicable codes for this Project include, but are not limited to:

For TNR (non-building) projects:

- a. International Building Code
- b. National Fire Code
- c. National Plumbing Code
- d. National Mechanical Code
- e. City of Austin Energy Guidelines/Codes, or applicable electric service provider's guidelines/codes
- f. Travis County Design Standards for Construction of Streets and Drainage in Subdivisions
- g. AASHTO A Policy on Geometric Design of Highways and Streets
- h. Texas Manual of Uniform Traffic Control Devices for Streets and Highways (current edition and revisions)
- i. Texas Department of Transportation Construction Manual
- j. City of Austin Drainage Criteria Manual (current version and updates)
- k. Texas Department of Transportation's Standard Specifications for Construction of Highways, Streets and Bridges, 2004
- l. National Environmental Policy Act (NEPA)
- m. Architectural Barriers, Texas Department of Licensing and Regulation
- n. Americans with Disabilities Act (ADA) Regulations
- o. Army Corps of Engineers Regulations

- p. Edwards Aquifer Regulations
- q. Texas Commission on Environmental Quality applicable regulations

2.4 As part of the Basic Services, Consultant shall report to the County any suspected hazardous materials in the areas of proposed construction. Hazardous materials assessment and abatement work will be provided by County under separate contract.

SECTION 3 CONSTRUCTION COST

- 3.1 The construction cost is the total cost to County of all elements of the Project designed or specified by Consultant (the "Construction Cost").
- 3.2 The Construction Cost includes the cost, at current market rates, including a reasonable allowance for overhead and profit: (i) of labor, materials and any equipment that the Consultant has designed, specified, selected, or specially provided for Consultant; and (ii) of permitting fees and other fees and charges required by the City of Austin or other governmental authorities. The Construction Cost does not include the compensation of Consultant or other consultants.
- 3.3 Detailed estimates of the Construction Cost prepared by Consultant represent Consultant's best judgment as a design professional familiar with the construction industry. It is recognized, however, that neither Consultant nor County has control over the cost of labor, materials, or equipment; over the contractor's methods of determining bid prices; or over competitive bidding, market, or negotiating conditions.
- 3.4 Consultant may include contingencies for design, bidding, and price escalation to determine what materials, equipment, component systems, and types of construction are to be included in the Work Product, and may include in the Work Product alternate bids to adjust the Construction Cost to the fixed limit.
- 3.5 If the Bidding Phase (as described in the Scope of Services) has not commenced within one (1) month after Consultant submits the Work Product for that phase to County, Consultant shall adjust any Project budget or fixed limit of Construction Cost, if directed by County. This adjustment work will be considered an Additional Service, as defined in Section 4, if the delay was not caused by Consultant. The adjusted Project budget or fixed limit will reflect any change in the general level of prices in the construction industry between the date of submission of the Work Product and the date on which bids are sought.
- 3.6 If the Project budget or fixed limit of Construction Cost is exceeded by the lowest responsible bid, County may:
- (1) approve, in writing, an increase in the Project budget or fixed limit;
 - (2) authorize rebidding of the Project within a reasonable time;
 - (3) terminate this Agreement and abandon the Project; or
 - (4) revise the scope of the Project to reduce the Construction Cost.

- 3.7 If County chooses to proceed under clause 3.6(4), above, Consultant, without additional compensation, shall modify the documents that Consultant is responsible for preparing under the Basic Services portion of this Agreement, as necessary to comply with the fixed limit.
- 3.8 Consultant shall estimate the total Project budget, including reimbursables, contingencies, permit fees, and agency fees. The budget may not include: (1) hazardous material testing and removal, if any is required; or (ii) any costs for furniture, fixtures and equipment, unless otherwise provided in this Agreement. As part of the Basic Services, Consultant shall report to the County any suspected occurrence of hazardous materials in the areas of proposed remodeling or other construction work. Hazardous materials abatement work will be provided by County under separate contract.

SECTION 4 COMPENSATION AND PAYMENT SCHEDULE

- 4.1 In consideration of Consultant's performance of the Basic Services, Consultant will receive the Basic Services compensation described in Exhibit 1. County will pay the Basic Services compensation in accordance with the payment schedule specified in Exhibit 1.
- 4.2 For the performance of services not specifically described in the Basic Services (the "Additional Services"), Consultant will receive the Additional Services compensation described in Exhibit 1.
- 4.3 The County Project Manager will have authority to classify Consultant's services as "Basic or "Additional" services under this Agreement. The Project Manager may make this classification in consultation with the County Executive. In the event Consultant disagrees with the classification designated by the County Project Manager (and, if applicable, the County Executive), and those individuals are unable to resolve the disagreement directly, Consultant may refer the dispute to the Purchasing Agent, who will follow the procedures described in Paragraph 11.9.

SECTION 5 PERIOD OF SERVICE

- 5.1 Consultant shall perform the professional services described herein, whether "Basic" or "Additional" services, in accordance with the Project Schedule, attached to this Agreement as Exhibit 3. Consultant shall obtain County approval for any proposed modification to the Project Schedule.
- 5.2 This Agreement will become effective on the Effective Date, as defined on the signature page of this Agreement, and will remain in full force and effect for the period required for the complete design of, construction contract award for, and construction of the Project, including warranty periods and any extensions of time as provided in this Agreement (the "Project Completion Date"), unless sooner terminated as provided for in this Agreement.
- 5.3 If the performance by Consultant or County of either Party's obligations under this Agreement is interrupted or delayed by any occurrence not occasioned by its own conduct, whether such occurrence be an act of God or the result of war, riot, civil commotion, sovereign conduct, or

the act or conduct of any person or persons not a party to this Agreement, then that Party will be excused from such performance for a period of time that is reasonably necessary after such occurrence to remedy the effects of the occurrence. Upon the discovery of such an event, the Party whose performance is affected under this section shall notify the other Party, and the County Project Manager will call a special meeting to propose a program for resolution of the problem, and if necessary, to establish an estimated period of time of suspension or extension of the Project Completion Date. If Consultant makes a written request for an extension of time, the County Project Manager may grant the extension if the request is properly documented and justified by the circumstances.

SECTION 6 COORDINATION WITH COUNTY

- 6.1 The Travis County Purchasing Agent (the "Purchasing Agent") acts as County's overall contract administrator. The Purchasing Agent may designate representatives to transmit and receive information. Consultant shall not commence work until the County Project Manager has thoroughly briefed Consultant on the scope of the Project. Consultant shall not commence work on the Project until receipt of a written notice to proceed issued by the Purchasing Agent upon the recommendation of the County Executive (the "Notice to Proceed"). Consultant shall not commence work on any subsequent phase of the Project, as such phases are described in the Scope of Services, until receipt of a written Notice to Proceed, which will be issued by the County Executive. The County Executive will copy the Purchasing Agent on all Notices to Proceed issued for subsequent Project phases.
- 6.2 At the beginning of each Project phase, and before written authorization to proceed with that phase is issued, Consultant shall submit to the County Project Manager the Project Schedule, as updated and adjusted as required for each phase. In addition, Consultant shall make monthly progress reports with comparisons to the Project Schedule.
- 6.3 In addition to Consultant's obligations described in the Scope of Services pertaining to meetings, at intervals not to exceed thirty (30) days, Consultant shall arrange for and attend progress meetings with County representatives and, as applicable, representatives of any other governmental authority having jurisdiction over the Project, to explain and receive feedback on the work-in-progress.
- 6.4 Consultant shall furnish all available data and reasonable assistance necessary to comply with established application, review, and approval processes for any permits, grants, or planning advances required for the Project. Consultant shall familiarize himself, and comply, with established application, review, and approval processes as necessary to ensure that reasonable compliance will cause no delay to the Project Schedule.
- 6.5 For the duration of the Agreement term, Consultant shall be responsible for advising County whether in Consultant's judgment it is feasible to proceed with the Project given any constraints affecting the Project.
- 6.6 Consultant shall cooperate and coordinate with County's staff and other consultants and contractors as reasonable and necessary in performance of this Agreement and as required by the County Executive, the County Project Manager, and the Purchasing Agent.

SECTION 7 WORK PRODUCT

- 7.1 The term "Work Product" means any reports, drawings, plans, specifications and any other documents created, obtained or assembled in connection with performance of this Agreement and with the services rendered in connection with the Project, including but not limited to any and all deliverables for each phase of the Project as described in the Scope of Services.
- 7.2 Consultant shall submit the Work Product for each phase of the Project on or before the dates specified in the Project Schedule. Upon receipt of the Work Product, County will check the submission for completion. A "Complete" submission means that all items listed, referenced and otherwise described in this Agreement relating to that phase of the Project have been included.
- 7.3 If the submission is Complete, County will notify Consultant and County's Technical Review Process, as defined in this Section, will begin. If the submission is incomplete, County will notify Consultant, who shall perform any professional services that are required to complete the Work Product for that phase. Consultant shall then resubmit the Work Product to County.
- 7.4 County's "Technical Review Process" means County's review of the Complete Work Product for substantial compliance with the technical specifications and requirements included in the Basic Services. If necessary, County will return the Complete Work Product to Consultant, who shall perform any professional services required for such compliance and resubmit the Complete Work Product to County.
- 7.5 The process described in paragraph 7.3 and 7.4 will be repeated until the Work Product is accepted by County. "Acceptance" means that in the County Project Manager's opinion, substantial compliance with the technical specifications and requirements has been achieved.
- 7.6 After Acceptance, Consultant shall perform any required modifications, corrections, redesigns, and additional work as requested by County and any other governmental entities having jurisdiction over the Project and as necessary to receive final approval by the County Project Manager. "Approval" means formal written recognition by County that the Work Product for that phase is Complete and that compliance with the technical specifications and requirements has been fully achieved.
- 7.7 The County Project Manager will have authority to classify Consultant's services as "Complete", "Accepted", or "Approved" under this Agreement. The Project Manager may make this classification in consultation with the County Executive. In the event Consultant disagrees with the classification designated by the County Project Manager (and, if applicable, the County Executive), and those individuals are unable to resolve the disagreement directly, Consultant may refer the dispute to the Purchasing Agent, who will follow the procedures described in Paragraph 11.9.

SECTION 8 REVISION TO WORK PRODUCT

- 8.1 After Approval by County of the Work Product for each Project phase, Consultant shall, without additional compensation, perform any professional services required as a result of Consultant's development of the Work Product that County has found to be in error or omission. In addition, if it is necessary to revise the Work Product in order to make the Project constructible, Consultant shall do so without additional compensation. However, after Approval by County, any revisions, additions, or other modifications made at County's request for the convenience of County that require Consultant to perform extra services and incur additional expenses will entitle Consultant to additional compensation for such extra services and expenses. This compensation will be paid as Additional Services in accordance with Exhibits 1 and 2. Consultant must obtain County's written authorization for Additional Services in advance in accordance with Exhibit 1.

SECTION 9 REIMBURSABLE EXPENSES

- 9.1 "Reimbursable Expenses" means expenses in addition to the compensation for Basic Services or Additional Services specified in Exhibits 1 and 2. Reimbursable Expenses includes actual expenditures made by Consultant in the interest of the Project for the expenses listed below:
- 9.1.1 Expense of reproductions, plotting of drawings, and/or other documents for other than the in-house use of Consultant. Postage, delivery expenses, and mileage for the Work Product(s) are also allowable as Reimbursable Expenses;
- 9.1.2 Expense of review and permitting fees as required by governmental authorities having jurisdiction over the Project.
- 9.2 Unless this Agreement has been amended or modified as provided in this Agreement, the payments made for each of the above-listed categories of Reimbursable Expenses may not exceed the amount shown in Exhibit 1.
- 9.3 County will pay Reimbursable Expenses monthly upon presentation of Consultant's statement of services rendered or expenses incurred. Consultant shall submit receipts for all reimbursable expenses with each invoice. County does not reimburse for sales taxes paid by Consultant. Consultant may obtain a Tax Exempt Certificate from the Travis County Purchasing Office.

SECTION 10 SUSPENSION AND TERMINATION OF AGREEMENT

- 10.1 **SUSPENSION.** County may suspend performance of this Agreement at any time for any reason without terminating this Agreement by giving Consultant written Notice of Suspension (a "Notice of Suspension"). The "Effective Date of Suspension" will be the date on which Consultant receives the Notice of Suspension, and the Suspension Period will begin on this date. Performance may be reinstated and this Agreement resumed in full force and effect within sixty (60) days of Consultant's receipt of written notice of reinstatement

from County. Upon the Effective Date of Suspension, Consultant shall follow the procedures described below:

10.1.1 Upon receipt of a Notice of Suspension, Consultant shall, unless the Notice otherwise directs, immediately begin to phase out and discontinue all services in connection with the performance of this Agreement and shall prepare a statement detailing the services performed under this Agreement prior to the Effective Date of Suspension. Consultant shall prepare copies of all completed or partially completed designs, plans, and specifications prepared under this Agreement prior to the Effective Date of Suspension, including but not limited to the Work Product, for possible delivery to County upon County's request.

10.1.2 During the Suspension Period, Consultant may submit the above-referenced statement to County for payment of the approved services actually performed under this Agreement, less previous payments.

10.2 **TERMINATION FOR CONVENIENCE.** County reserves the right to terminate this Agreement for reasons other than default by Consultant, including for any reason deemed by Commissioners Court to serve the public interest, or resulting from any governmental law, ordinance, regulation, or court order, by delivering to Consultant a written notice (a "Notice of Termination for Convenience"), which will take effect on the tenth day following receipt by Consultant ("Termination for Convenience"). In the event of Termination for Convenience, County and its officials, agents and representatives will not be liable for loss of any profits.

10.2.1 Upon receipt of a Notice of Termination for Convenience and prior to the effective date of termination, Consultant shall, unless the Notice of Termination for Convenience otherwise directs, immediately begin to phase out and discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after receipt of a Notice of Termination for Convenience, Consultant shall submit a statement showing in detail the services performed under this Agreement prior to the effective date of termination.

10.2.2 Consultant shall deliver to County copies of all completed or partially completed designs, plans, specifications and other Work Product prepared under this Agreement prior to the effective date of termination as a precondition to any final payment due under this Agreement.

10.2.3 Upon satisfaction of the above conditions, County will pay Consultant for approved services actually performed under this Agreement prior to termination, less previous payments.

10.2.4 Consultant's failure to submit the required statement described in paragraph 10.2.1 and to comply with the above stated conditions will constitute a waiver by Consultant of any and all rights or claims to collect the fee to which Consultant may rightfully be entitled for services performed under this Agreement.

10.3 **TERMINATION FOR DEFAULT.** Either Party may terminate this Agreement for the failure of the other Party to perform any provisions of this Agreement, through no fault of the terminating Party ("Termination for Default") by delivering written notice of termination (a "Notice of Termination for Default") to the defaulting Party. The Notice of Termination for Default shall take effect on the tenth day following receipt by the defaulting Party. In the event of Termination for Default, County and its officials, agents and representatives will not be liable for loss of any profits.

Termination by Consultant:

- 10.3.1 In the event Consultant exercises its right to terminate for default by County, within thirty (30) days after receipt by County of Consultant's Notice of Termination for Default, Consultant shall submit a statement detailing the services performed under this Agreement prior to the effective date of termination.
- 10.3.2 Consultant shall deliver to County copies of all completed or partially completed designs, plans, specifications and other Work Product prepared under this Agreement prior to the effective date of termination as a precondition to any final payment due under this Agreement.
- 10.3.3 Upon satisfaction of the above conditions, County will pay Consultant for approved services actually performed under this Agreement prior to termination, less previous payments.
- 10.3.4 Consultant's failure to submit the required statement described in paragraph 10.3.1 and to comply with the above stated conditions will constitute a waiver by Consultant of any and all rights or claims to collect the fee to which Consultant may rightfully be entitled for services performed under this Agreement.

Termination by County:

- 10.3.5 Upon receipt by Consultant of a Notice of Termination for Default and prior to the effective date of termination, Consultant shall, unless the Notice of Termination otherwise directs, immediately begin to phase out and discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after receipt of a Notice of Termination for Default, Consultant shall submit a statement showing in detail the services performed under this Agreement prior to the effective date of termination.
- 10.3.6 Consultant shall deliver to County copies of all completed or partially completed designs, plans, specifications and other Work Product prepared under this Agreement prior to the effective date of termination as a precondition to any final payment due under this Agreement.
- 10.3.7 Upon satisfaction of the above conditions, County will pay Consultant for approved services actually performed under this Agreement prior to termination, less previous payments.

10.3.8 Consultant's failure to submit the required statement described in paragraph 10.3.5 and to comply with the above stated conditions will constitute a waiver by Consultant of any and all rights or claims to collect the fee to which Consultant may rightfully be entitled for services performed under this Agreement.

10.4 All references to time in this Agreement will be measured in calendar days unless otherwise specified.

SECTION 11 CONSULTANT'S RESPONSIBILITY AND LIABILITY

11.1 Consultant covenants to undertake no task for which a professional license or certificate is required unless Consultant or someone under Consultant's direction is appropriately licensed. In the event such licensed individual's license expires, is revoked, or is canceled, Consultant shall inform County of such event within five (5) working days.

11.2 Consultant shall be responsible for conformance with applicable federal and state laws, County permitting requirements, and city ordinances currently in effect.

11.3 Acceptance and Approval of the Work Product by County will not release Consultant of any responsibility or liability for the accuracy and competency of Consultant's designs, working drawings, specifications, or other documents or work performed under this Agreement. Neither Acceptance nor Approval by County will be an assumption of responsibility or liability by County for any defect, error, or omission in the designs, working drawings, specifications, or other documents prepared by Consultant.

11.4 Notwithstanding anything in this Agreement to the contrary, Consultant shall perform all services and responsibilities required of Consultant under this Agreement using at least that standard of care that a reasonably prudent Consultant in Travis County, Texas, would use in similar circumstances. Consultant shall perform the duties set forth in this Agreement in a professional manner and nothing in this Agreement will be construed to relieve Consultant of this duty.

11.5 Upon County's request, Consultant shall immediately remove from association with the Project any employee of Consultant who, in the opinion of County, is incompetent or whose conduct becomes detrimental to the work or coordination with County.

11.6 Consultant shall place his Texas Professional Consultant's seal of endorsement on all documents and engineering data furnished to County, as required by law.

11.7 Consultant is an independent contractor under this Agreement. Neither Consultant nor any officer, agent, servant, or employee of Consultant will be classified as an employee or servant of County.

11.8 **INDEMNIFICATION.** CONSULTANT AGREES TO AND SHALL INDEMNIFY AND HOLD HARMLESS COUNTY AND ITS OFFICIALS, AGENTS, AND EMPLOYEES, FROM AND AGAINST ANY AND ALL CLAIMS, LOSSES, DAMAGES, ACTIONS, SUITS, AND LIABILITY OF ANY KIND,

WHETHER MERITORIOUS OR NOT, INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEY'S FEES FOR INJURY TO OR DEATH OF ANY PERSON, OR FOR DAMAGE TO ANY PROPERTY ARISING IN WHOLE OR IN PART FROM ANY NEGLIGENT ACT, NEGLIGENT ERROR, OR NEGLIGENT OMISSION OF CONSULTANT OR ANY OF CONSULTANT'S EMPLOYEES, AGENTS, REPRESENTATIVES, OR SUBCONTRACTORS ON ACCOUNT OF, ARISING OR RESULTING FROM, DIRECTLY OR INDIRECTLY, THE PERFORMANCE OF THIS AGREEMENT.

11.8.1 If any person, firm, corporation or other entity makes or brings any claim, or other action, against Consultant that relates to Consultant's performance under this Agreement, including proceedings before an administrative agency, Consultant shall give written notice to County of the following information:

- (i) the existence of the claim, or other action, within ten (10) working days after being notified of it;
- (ii) the name and address of the person, firm, corporation, or other entity that made a claim, or that instituted any type of action or proceeding;
- (iii) the alleged basis of the claim, action or proceeding;
- (iv) the court or administrative tribunal, if any, where the claim, action or proceeding was instituted; and
- (v) the name or names of any person against whom this claim is being made.

11.8.2 Except as otherwise directed, Consultant shall furnish to County copies of all pertinent papers received by Consultant with respect to these claims or actions and all court pleadings related to the defense of these claims or actions.

11.9 **CONTRACT ADMINISTRATION; UNRESOLVED DISPUTES.** The Purchasing Agent acts as the County representative in the administration of this Agreement. In case of an unresolved dispute, any document, notice, or correspondence not issued by or to the Purchasing Agent, or other authorized County person, is void unless otherwise stated in this Agreement. If Consultant does not agree with any document, notice, or correspondence issued by the Purchasing Agent, or other authorized County person, relating to the unresolved dispute, Consultant must submit a written notice to the Purchasing Agent, or other authorized County person, within ten (10) calendar days after receipt of the document, notice, or correspondence, outlining the exact point of disagreement in detail. 14.15.1 HUB Program Requirements.

14.15.1.1 In consideration of award of this Agreement to Consultant, Consultant agrees to maintain a subconsultant relationship with any HUB Subconsultants identified on the HISTORICALLY UNDERUTILIZED BUSINESS (HUB) DECLARATION Form provided with Consultant's Qualifications Statement and attached to this Agreement as Exhibit 7. Consultant shall make good faith efforts to meet or exceed the HUB participation goals in the Professional Services category for an overall 15.8% of the Agreement Sum for Minority-Owned Business Enterprises (MBE) and an Overall 15.8% of the Agreement Sum for Woman-Owned Business Enterprises (WBE) (*Sub-goals: 1.9% African-American, 9.0% Hispanic-American, 4.9% Native/Asian-American*). For purposes of this

Agreement, all references to "HUB" mean "certified HUB." To be considered as a "certified HUB," the subconsultant must have been certified by, and hold a current and valid certification with, any of the following three agencies: (1) The State of Texas; (2) the City of Austin; or (3) the Texas Unified Certification Program. Minimum good faith efforts include, to the extent practical and consistent with standard and prudent industry practices, the following:

- (a) dividing the Work into the smallest feasible portions, to allow for maximum HUB subconsultant participation;
- (b) providing to HUBs that exhibited genuine interest in bidding on a subcontract adequate information regarding the Project (i.e. plans, specifications, scope of work, bonding and insurance requirements and a point of contact within Consultant's organization);
- (c) notifying, in writing, three or more HUBs for each scope of work, allowing no less than five working days prior to bid submission, of the planned work to be subcontracted;
- (d) providing notice of opportunities to minority or women trade organizations or development centers to assist in identifying potential HUBs by disseminating the information to their members/participants.

14.15.1.2 Consultant may go beyond the good faith efforts listed above when soliciting HUB subconsultants.

14.15.2 Subcontractor/Subconsultant Tracking Software System.

14.15.2.1 The Travis County Purchasing Office has implemented an electronic subcontracting/subconsulting reporting system (the "Subcontractor Tracking Software System" or the "System") to assist the Travis County Purchasing Office in monitoring, tracking and reporting payments to Subcontractors/subconsultants. County understands and believes, based on discussions with representatives of the System vendor and review of documentation accompanying the System, that: (i) the System provides a paperless environment in which transactions are electronically stored and routed; "Payment" and "Payment Verification" alerts are provided by e-mail and fax; (ii) the System will facilitate electronic Subcontractor/subconsultant diversity management, which in turn will improve auditing while cutting costs and shortening the audit cycle from months to hours; (iii) the System will eliminate standard forms and streamline the current manual process of tracking payments to all first-tier Subcontractors/subconsultants by performing all such tracking procedures electronically; and (iv) the System will serve as a tool to improve efficiency, accountability, data accuracy, transparency, and overall communication.

14.15.2.2 Consultant shall designate, and shall require all Subcontractors/subconsultants to designate, a liaison responsible for handling all Subcontractor Tracking Software System reporting. On a monthly basis, Consultant shall record and submit electronically payments made to all Subcontractors/subconsultants for work completed through the end of the previous pay period; such electronic recording and submission must be completed no later than the

15th day after such payments are made. Consultant shall contractually require all Subcontractors/subconsultants to verify payments by entering such payment data in the System no later than 10 days following the day on which Consultant enters the Subcontractor/subconsultant payment information as required in this Agreement. Consultant shall attempt to resolve any payment discrepancies or disputes in good faith. Consultant shall not receive credit towards the HUB, M/WBE and DBE participation goals until reported payments have been verified by entering the payment data into the System as described in this Agreement or by providing to County payment documentation satisfactory to County.

14.15.2.3 Consultant shall report payment information pertaining to each Subcontractor/subconsultant that includes, but is not limited to, business name, certification status, work assignment, original subcontract sum, payment number, percentage and dollars paid during the reporting period. A "Comment" field is available for entering additional information and comments and includes the ability to attach documents.

14.15.2.4 Failure by Consultant to furnish the information required of it described in this paragraph 14.15.2 may result in cancellation of the contract award and Agreement termination in accordance with the procedures set forth in this Agreement. Additionally, if County determines that Consultant is in default of these mandatory reporting requirements, County may consider such conduct against Consultant in the evaluation of future contracts between Consultant and County.

14.15.2.5 Consultant shall register, and shall contractually require all Subcontractors/subconsultants to register, with a username and password. Training on how to use the System will be provided by Travis County Purchasing Office HUB staff.

14.15.2.6 County understands and believes that the Subcontractor Tracking Software System will assist County in ensuring compliance with the County's HUB Program, and that the System will allow County staff to closely monitor Consultant and all Subcontractors/subconsultants performing work on the Project. Travis County Purchasing Office HUB staff will conduct periodic post-award compliance reviews to verify that Subcontractors/subconsultants listed by Consultant performed the work and received payment.

14.15.2.7 During the term of this Agreement, Consultant is encouraged to inform County of any problems anticipated or encountered, and of any other concerns, regarding the utilization of HUBs, M/WBEs and DBEs.

14.15.2.8 Other information tracked by the System includes increases or decreases in Subcontractor/subconsultant work assignments, percentage of HUB goal achieved, and substitutions. When substituting a Subcontractor/subconsultant, Consultant is highly encouraged to utilize HUBs, M/WBEs and DBEs. Consultant shall notify County of any substitutions or changes to Subcontractors/subconsultants in accordance with the procedures described in the System. Such notice shall be sent electronically to the Purchasing Agent or HUB Program Coordinator. County may request Consultant to

provide evidence that it made a good faith effort to substitute another HUB, M/WBE or DBE Subcontractor/subconsultant but was unable to do so. Approval turnaround time will be within 24 – 48 hours. If Consultant has difficulty in locating HUB, M/WBE or DBE Subcontractors/subconsultants, it should contact the Travis County Purchasing Office HUB staff at (512) 854-4561 or (512) 854-4852.

14.15.2.9 County understands and believes that other notifications automatically generated by the Subcontractor Tracking Software System include the following: User Registration/Password, Contract Award Notifications, Audit Reminders, Unresponsive HUB Subcontractors, Discrepancy Notifications, HUB Subcontractor Change Requests, Payment Verifications, Vendor Information Verification Notices, Not Meeting the Goals Notification and Contract Closeout. Some notifications listed may include response deadlines.

- 14.16 **FUNDING OUT.** Despite anything to the contrary in this Agreement, if, during budget planning and adoption, the Commissioners Court fails to provide funding for this Agreement for the following fiscal year of Travis County, County may terminate this Agreement after giving Consultant thirty (30) days written notice that this Agreement is terminated due to the failure to fund it.
- 14.17 **NON-WAIVER OF DEFAULT.** No payment, act, or omission by County will constitute or be construed as a waiver of any breach or default of Consultant that then exists or that may subsequently exist. All rights of County under this Agreement are specifically reserved and any payment, act or omission will not impair or prejudice any remedy or title to County under it. Any right or remedy in this Agreement will not preclude the exercise of any other right or remedy under this Agreement or under any law, except as expressly provided in this Agreement, nor will any action taken in the exercise of any right or remedy be deemed a waiver of any other rights or remedies.
- 14.18 **MEDIATION.** When mediation is acceptable to both parties in resolving a dispute arising under this Agreement, the parties agree to use a mutually agreed upon mediator, or a person appointed by a court of competent jurisdiction, for mediation as described in Section 154.023 of the Texas Civil Practice and Remedies Code. Unless both parties are satisfied with the result of the mediation, the mediation will not constitute a final and binding resolution of the dispute. All communications within the scope of the mediation shall remain confidential as described in Section 154.073 of the Texas Civil Practice and Remedies Code, unless both parties agree, in writing, to waive the confidentiality.
- 14.19 **OFFICIALS NOT TO BENEFIT.** If a member of the Commissioners Court belongs to a cooperative association, County may purchase equipment or supplies from the association only if no member of the Commissioners Court will receive a pecuniary benefit from the purchase, other than as reflected in an increase in dividends distributed generally to members of the association.
- 14.20 **CONSULTANT CERTIFICATIONS:**
- 14.20.1 Consultant certifies that Consultant (i) is a duly qualified, capable and otherwise bondable business entity; (ii) is not in receivership and does not contemplate

same; (iii) has not filed for bankruptcy, and is not currently delinquent with respect to payment of property taxes within Travis County; and (iv) is duly licensed in the State of Texas to perform the work described in this Agreement.

14.20.2 Consultant further represents and warrants that: (i) all applicable copyrights, patents and licenses that may exist on materials used in this Agreement have been adhered to; and (ii) County will not be liable for any infringement of those rights and any rights granted to County will apply for the duration of this Agreement. Consultant shall indemnify County and its officers, agents and employees from all claims, losses, damages, causes of action and liability of every kind, including expenses of litigation, court costs and attorney fees, for damages to any person or property arising in connection with any alleged or actual infringement of existing patents, licenses of copyrights applicable to materials used in this Agreement.

14.21 CIVIL RIGHTS/ADA COMPLIANCE. Consultant shall provide all services and activities required in a manner that would comply with the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, Public Law 93-1122, Section 504, and with the provisions of the Americans With Disabilities Act of 1990, Public Law 101-336 [S.933] as if Consultant were an entity bound to comply with these laws. Consultant shall not discriminate against any employee or applicant for employment based on race, religion, color, sex, national origin, age or handicapped condition.

14.22 GRATUITIES. County may terminate this Agreement if it is found that gratuities of any kind, including entertainment or gifts, were offered or given by Consultant, or any agent or representative of Consultant, to any County official or employee with a view toward securing favorable treatment with respect to this Agreement. If this Agreement is terminated by County pursuant to this provision, County will be entitled, in addition to any other rights and remedies, to recover from Consultant at least three times the cost incurred by Consultant in providing the gratuities.

14.23 MONITORING. County reserves the right to perform periodic on-site monitoring of Consultant's compliance with the terms of this Agreement and of the adequacy and timeliness of Consultant's performance under this Agreement. After each monitoring visit, County will provide Consultant with a written report of the monitor's findings. If the report notes deficiencies in Consultant's performance under the terms of this Agreement, it will include requirements and deadlines for the correction of those deficiencies by Consultant. Consultant shall take action specified in the monitoring report prior to the deadlines specified.

14.24 INCORPORATION OF EXHIBITS AND ATTACHMENTS. All of the exhibits, attachments, and appendices referred to in this Agreement are incorporated by reference as if set forth verbatim in this Agreement.

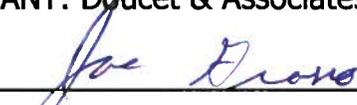

14.25 ENTIRE AGREEMENT. This Agreement represents the entire and integrated agreement between County and Consultant and supersedes all prior negotiations, representations, or agreements, either oral or written.

- 14.26 **TEXAS PUBLIC INFORMATION ACT.** Notwithstanding any provision in this Agreement to the contrary, disclosure of any information obtained by County or any of its officials, employees, agents or representatives in connection with this Agreement will be subject to the provisions of the Texas Public Information Act and all legal authorities relating to that Act, including but not limited to opinions, decisions and letter rulings issued by the Texas Attorney's General Office.
- 14.27 **CERTIFICATION OF ELIGIBILITY.** This provision applies if the Total Agreement Sum specified in Exhibit 1 exceeds \$25,000. By submitting a Qualifications Statement in response to RFQ# Q110243-LP, Consultant certifies that at the time of submission, Consultant was not on the federal government's list of suspended, ineligible, or debarred contractors. If Consultant has been placed on the list between the time of submission of its Qualifications Statement and contract award, Consultant shall notify the Purchasing Agent. If Consultant fails to do so, County may terminate this Agreement for default.
- 14.28 **AMENDMENT.** The Parties may amend this Agreement only by written instrument signed by both Parties. **CONSULTANT EXPRESSLY ACKNOWLEDGES THAT NO OFFICER, AGENT, REPRESENTATIVE OR EMPLOYEE OF TRAVIS COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO MODIFY OR AMEND THE TERMS OF THIS AGREEMENT UNLESS THE COMMISSIONERS COURT HAS EXPRESSLY GRANTED THAT SPECIFIC AUTHORITY.**
- 14.29 **ENTITY STATUS.** By my signature below, I certify that Consultant is a Texas corporation, duly incorporated under Texas law and doing business in the State of Texas.

As a duly authorized representative of Consultant, I acknowledge by my signature below that I have read and understand the above paragraphs and that Consultant has the obligation to ensure compliance with its provisions by itself and its employees, agents, and representatives.

MEMORANDUM

TO: Marvin Brice, Assistant Purchasing Agent

FROM: Morgan Cotten, P.E., Public Works Director 

THROUGH: Steve Manilla, P.E., County Executive - TNR 

SUBJECT: Professional Services Agreement (PSA) for the Deer Creek Substandard Road Project, RFQ # Q110243-LP

The following information is for your use in preparing a Professional Services Agreement for the Deer Creek Substandard Road Improvements Project. Please contact Lee Turner at 512-854-7598 if you have any questions. No federal fund is involved in this project.

Summary and Staff Recommendations:

The Deer Creek Substandard Road Improvements consists of improvements to portions of Lake Beach Drive, Lake Park Drive and West Lakeshore Drive located in the Deer Creek Subdivision in southwestern Travis County, Precient Three. Homeowners living along these roads submitted a petition for the inclusion of sections of these roads into the Travis County Unaccepted Substandard Road Program. The home owners have entered into a participation agreement with Travis County to improve these roads to meet Travis County standards. The homeowners have agreed to pay for 25% of the construction costs of the improvements. Travis County has agreed to pay 75% of the construction costs and 100% of the design and administrative costs.

After approval of the Participation Agreement by the Travis County Commissioners Court, TNR requested the Travis County Purchasing Office proceed with negotiating a Professional Services Agreement (PSA) with Doucet and Associates (attached).

TNR recommends approval of the Professional Services Agreement with Doucet and Associates for the Deer Creek Substandard Road project.

Budgetary and Fiscal Impact:

Substandard Road Improvements were approved in the 2011 bond election. The cost of the design will be \$72,690 (See attached proposal and fee summary). After approval of the professional services agreement and issuance of a notice-to-proceed by the Purchasing Office, the consultant will have 120 calendar days to complete the engineering work. Funds have been reserved as follow: Funds Reservations Document 300000867, Fund 4083, Funds Center 1490190000, GL Account 522040.

Issues and Opportunities:

The services to be provided by Doucet and Associates include all work, except field survey, necessary to provide plans, specifications, estimates and construction documents for construction of the improvements to portions of Lake Beach Drive, Lake Park Drive and West Lakeshore Drive located in the Deer Creek Subdivision in southwestern Travis County, Precient Three. Homeowners living along sections of these roads submitted a petition for the inclusion of sections of these roads into the Travis County Unaccepted Substandard Road Program. The home owners have entered into a participation agreement with Travis County to improve these roads to meet Travis County standards. Travis County has agreed to complete the design of the improvements to the roads. The agreement limits the construction cost to improve the roads to Travis County standards to a \$120,000. The Homeowners have agreed to contribute \$28,000. The Homeowners will also be contributing \$2,000 in in-kind services in the form of engineering services.

Portions of Lake Beach Drive, Lake Park Drive and West Lakeshore Drive do not meet Travis County standards and cannot be accepted onto the Travis County maintained roadway system. Lack of an organized and routine roadway maintenance program will cause further deterioration of roadway conditions which will decrease the safety of the roads and jeopardize access to homes. This project is to provide improvements necessary to bring the specified roadways up to minimum County standards so that they can be accepted for maintenance.
