CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Federal Executive Order 12549 requires Travis County to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors.

In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification, the contractor/potential contractor accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government or Travis County may pursue available remedies, including suspension and/or debarment.
2. The potential contractor shall provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principle," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549.
4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by a federal department or agency, and/or Travis County, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract? YES NO

5. The potential contractor further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts "without modification, in all covered subcontracts"; and in solicitations for all covered subcontracts.
6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts authorized under paragraph 4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, any federal agency and/or Travis County may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Indicate in the appropriate box which statement applies to the covered contractor/potential contractor:

The contractor/potential contractor certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency, the State of Texas, or Travis County.

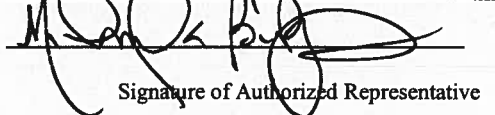

The contractor/potential contractor is unable to certify to one or more of the terms in this certification. In this instance, the contractor/potential contractor must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.

Mike and Sylvia

As part of our efforts to reduce the number of older contracts on the auto-renewal list, and as part of the process to include the PREA language I'll be retiring the existing COPE contracts and replacing them with new contracts that have one initial term and 5 renewal terms. This will allow us to have updated and uniform language in all of our COPE contracts while meeting the desire of the Court to have an active review process of our long standing agreements.

Let me know if you have any questions or concerns regarding this process.

Thank you
