### 1. Property Tax Rate Considerations

Each year there are several items the Commissioners Court must consider when establishing tax rates and budget forecasts for Travis County Bee Cave Road District No. 1. We and the Planning and Budget Office recommend the Court adopt the following parameters:

- A. Optional Homestead Exemption: No exemptions.
- B. Over 65 and Disabled Optional Homestead Exemptions: No exemptions.
- C. Historic Exemptions: No exemptions.
- D. Anticipated Collection Rate (for Effective Tax Rate Calculations): 100% (lower estimates may be used only with justification)
- E. Debt Service (as the resulting debt rate) may be reduced using year-end or reserve balances if available in the debt service fund: If appropriate, the Financial Advisor will address this with Planning and Budget as part of the Road District's budget.

If you should have any concerns or comments, please do not hesitate to call me at 4-9632.
