(iii) Construction Delay Impact Construction Timetable and Employment Schedule. The County acknowledges that the foregoing Employment Schedule is based on the Company's ability to construct the buildings and other facilities that will be needed to accommodate 823 New Full-time Jobs in accordance with its Construction Timetable. If there is a Construction Delay that will materially affect the Construction Timetable, the Company will give written notice to the County. The County Executive shall thereafter have the authority to extend the deadlines for completing the construction of the New Improvements and to modify the Employment Schedule in an equitable manner if the County Executive reasonably determines that a Construction Delay has occurred and that such Construction Delay will materially affect the Construction Timetable. (iv) if Company maintains the current benefit plans (including health, dental and life insurance, vision and prescription drug plans – with a written description provided to County prior to execution of this Agreement, and written updates to be provided to County at the time of any substantive changes to the plan), or a plan with similar benefits, that will be considered in compliance with this subsection 5.1.2(e).

(v) For the avoidance of any doubt, County agrees that the Company will offer health benefits as described in this Agreement to the extent consistent with Company's policies and practices in the United States, and acknowledges that this Agreement does not prevent Company from amending its group health plan or other benefit plans so long as Company maintains a general level and coverage of benefits comparable to that which is in place at the time of execution of this Agreement or comparable to benefits offered by similar companies during the Agreement term, and so long as those benefits continue to meet the requirements set forth in Section 5.1.2(e)(i) – (iii) above.

In addition to the health benefits provided by the Company, the Company will offer benefits related to areas such as retirement (401K), paid leave, counseling, life insurance, training, development opportunities and tuition reimbursements as determined by the Company's policies and practices as applied to the Company employees in the United States. The County acknowledges and agrees that this Agreement does not prevent the Company from amending its employee benefit plans so long as Company maintains a general level and coverage of benefits comparable to that which is in place at the time of execution of this Agreement or comparable to benefits offered by similar companies during the Agreement term, and so long as those benefits continue to meet the requirements set forth in Section 5.1.2(e)(i) – (iii) above.

5.1.4 Community Participation. The Company will be an active community member by continuing programs offered to Employees throughout the United States such as: volunteer week; charitable support; access to volunteer activities to employees; match of eligible employee charitable contributions under Company policy; and other activities as determined by Company.

For purposes of this Agreement, it is agreed that the Company providing financial services in the ordinary course of its business to a Key Contracting Person at a posted, published, or marked price available to the general public shall not be considered "doing business with" or "does business with" a Key Contracting Person and shall not result in the Company forfeiting the benefits of this Agreement.

13.3. **Headings.** The headings at the beginning of the various provisions of this Agreement have been included only to make it easier to locate the subject matter covered by that section or subsection, and are not to be used in construing this Agreement.

14.0 OTHER PROVISIONS

14.1. **Survival of Conditions.** Applicable provisions of this Agreement shall survive beyond termination or expiration of this Agreement until full and complete compliance with all aspects of these provisions has been achieved where the parties have expressly agreed that those provisions should survive any such termination.

14.2. **Non-Waiver of Default.** One or more acts of forbearance by any Party to enforce any provision of this Agreement or any reimbursement, payment, act or omission by any Party shall not constitute or be construed as a waiver of any breach or default of any other Party which then exists or may subsequently exist.

14.3. **Reservation of Rights.** If any Party to this Agreement breaches this Agreement, the other Party(ies) shall be entitled to any and all rights and remedies provided for by the Texas law and any applicable Federal laws or regulations. All rights of either Party under this Agreement are specifically reserved and any payment, reimbursement, act or omission shall not impair or prejudice any remedy or right to said Party under it. The exercise of or failure to exercise any right or remedy in this Agreement or in accordance with law upon the other Party's breach of the terms, covenants, and conditions of this Agreement, or the failure to demand the prompt performance of any obligation under this Agreement shall not preclude the exercise of any other right or remedy under this Agreement or under any law, nor shall any action taken or not taken in the exercise of any right or remedy be deemed a waiver of any other rights or remedies.

14.4. **Severability.** If any portion of this Agreement is ruled invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision thereof and the remainder of it shall remain valid and binding and as if such invalid, illegal or unenforceable provision had never been contained in this Agreement.

14.5. **Dispute Resolution.** When mediation is acceptable to all Parties in resolving a dispute arising under this Agreement, as a condition precedent to filing any lawsuit, the Parties agree to mediate said dispute with the Dispute Resolution Center of Austin, Texas, as the provider of mediators for mediation as described in Texas Civil Remedies and Practice Code, Section 154.023. Unless all Parties are satisfied with the result of the mediation, the mediation will not constitute a final and binding resolution of the dispute. All communications within the scope of the mediation shall remain confidential as described in Texas Civil Remedies and Practice Code, Section 154.073, unless all Parties agree, in writing, to waive said confidentiality.

14.6. **Force Majeure.** Neither Party shall be financially liable to the other Party for delays in performance or failures to perform under this Agreement caused by force majeure (i.e. those causes generally recognized under Texas law as constituting impossible conditions). Such delays or failures to perform shall extend the period of performance until these exigencies have been removed. The Party seeking to avail itself of this clause shall notify the other Party within ten (10) business days or otherwise waive the right as a defense, unless notification is impractical under the circumstances, in which case notification shall be done in as timely a manner as possible.

ATTACHMENT F
Historically Underutilized Business Program

Policy

The policy of the Travis County Purchasing Office is to ensure a good faith effort is made to assist certified HUB vendors and contractors in receiving contracts in accordance with the HUB Program policies and the Minority and Woman-Owned Business (M/WBE) goals adopted by the Travis County Commissioners Court.

The HUB Program policies and Minority and Woman-Owned Business goals shall be applicable to the eligible procurement dollars spent in the following areas:

- Purchase of supplies, materials, products, services, and equipment.
- Maintenance or service of County assets and property
- Contracts for professional and non-professional services
- Contracts for commodities, equipment, supplies or materials
- Contracts for repair or alteration of real property
- Contracts for the construction on real property
- Contracts for the repair or construction of roads, bridges, or other related structures and surfaces.

| Travis County HUB Goals | Construction | Commodities | Services | Professional Services |
|------------------------------------|---------------------|--------------------|-----------------|----------------------------------|
| African-American | 1.7% | 0.3% | 2.5% | 1.9% |
| Hispanic | 9.7% | 2.5% | 9.9% | 9.0% |
| Native/Asian American | 2.3% | 0.7% | 1.7% | 4.9% |
| WBE | 13.8% | 6.2% | 15.0% | 15.8% |
| MBE | 13.7% | 3.5% | 14.1% | 15.8% |

Each buyer shall, to the maximum extent practical, ensure the HUB goals are met through the award of purchase orders and contracts, in each area defined above, to certified HUBs. This is achieved through a systematic approach of soliciting quotes, bids, and proposals from certified HUBs.

**Informal
Solicitations**

For solicitations up to \$2,499, the Purchasing Office solicits a quote from a certified HUB, if possible. For a solicitation from \$2,500 to \$50,000, the Purchasing Office requires at least three informal quotes, one of which must be from a certified HUB.

**Formal
Solicitations**

The Purchasing Office uses a third party vendor to maintain the Bidders List. All registered vendors within a specific commodity and sub-commodity category are solicited. All HUB vendors are encouraged to register with the third party vendor so they are included in formal solicitations within the commodity code they select.

Eligibility

Travis County does not certify HUB vendors. HUB vendors must complete the certification process with the State of Texas Comptroller of Public Accounts, the City of Austin, or Texas Unified Certification Program. The vendor must hold a current valid certification from one of these entities.

Travis County may review the certification status of any vendor applying to do business with the County. This review determines the validity and authenticity of the vendor's certification as a HUB. The Travis County HUB Coordinator works in conjunction with the various certifying agencies to conduct random audits of those vendors representing themselves as certified HUBs. If a vendor representing itself as a certified HUB does not meet the requirements of the certifying agency, the vendor may be disqualified as a certified HUB with Travis County.

Outreach Efforts

Outreach activities help educate the HUB community on the logistics of doing business with Travis County. The marketing and outreach programs entail:

- Conducting workshops and seminars on the HUB Program and how it can help the HUB Entrepreneur be an active participant in the Travis County procurement process.
- Identifying certifying agencies accepted by Travis County, and
- Providing overall assistance to HUBs in various areas as required, within the limits of the Purchasing Act.

Good Faith Effort for Construction Projects

Prime Contractors who are awarded contracts with the County are required to make a "Good Faith Effort" to subcontract with HUBs. This includes professional services associated with the projects.

The Prime Contractor shall comply with the following criteria:

1. Divide the contract work into the smallest feasible portions to allow for maximum HUB Subcontractor participation, consistent with standard and prudent industry practices.
2. Notify HUBs of work that the prime contractor plans to subcontract, allowing sufficient time for effective participation. The notification shall include:
 - Adequate information about the project and intended subcontracting work (i.e. plans and specifications, scope of work).
 - Bonding and insurance requirements of HUB subcontractor
 - A point of contact within the Prime Contractor's organization that can answer any questions a HUB may have about the project.
3. Provide written notice and explanations to the Purchasing Agent or HUB Coordinator if the Prime Contractor is unable to meet the required goal for HUB subcontractor participation, and why the goal was not met.
4. Negotiate in good faith with interested HUBs, not rejecting bids from HUBs that qualify as lowest, responsive and responsible bidders.
5. Use the services of minority or women trade organizations or development centers to disseminate the subcontracting opportunities to their membership and participants.

1. Communicate to the Purchasing Agent when no HUB participation is achieved and include reasons why.
2. Obtain pre-approval from the Purchasing Agent or the HUB Coordinator of all changes involving Certified HUB Subcontractors. Modifications to the HUB Subcontractor Participation Plan are permitted only after award of the bid and solely with the prior written approval of the Purchasing Office.

The HUB Coordinator provides a list of certified HUBs, upon request, to any prime contractor experiencing difficulty locating certified HUBs to fulfill their subcontracting goals,

Reporting

Prime Contractors report all payments to subcontractors to the Purchasing Office. Payments made to all subcontractors are tracked on a monthly basis. A semi-annual report including information on contracts awarded to HUBs and payments made to those contractors and subcontractors is provided to the Commissioners Court.

**Disadvantaged
Business
Enterprise**

To qualify as a sub-recipient of federal funds for the design and construction of various public work projects, the County is required to implement a federally compliant Disadvantaged Business Enterprise (DBE) Program as established in 49CFR Part 26, or partner with another governmental agency's DBE Program. This policy was established to ensure DBE's had the opportunity to participate in the performance of contracts financed in whole or in part with Federal funds.

**Vendor
Tracking
System**

The Vendor Tracking System (VTS) is a web-based paperless system used to route and verify subcontracting payments made to certified HUBs for any subcontracting tier-level, specifically for construction and professional services contracts.
