ATTACHMENT A**SCOPE OF SERVICES & PERFORMANCE MEASURES****PSYCHOLOGICAL / PSYCHIATRIC SERVICES**

State law provides that a person who is mentally incompetent shall not be tried for any criminal offense while in such a condition.

To establish competency at the present time, the State must prove beyond a reasonable doubt that at this time the defendant does have sufficient present ability to consult with his attorney with a reasonable degree of rational understanding; or that he does have a rational as well as factual understanding of the proceedings against him/her. The determination of competency is made via a competency evaluation conducted by a licensed Psychologist/psychiatrist. The competency evaluation consists of the following components:

1. Mental Status Psychological/Psychiatric Evaluation
Consists of a series of interview questions posed to the defendant by the psychologist/psychiatrist that are designed to aid in the determination of the defendant's ability to understand the proceedings against him/her.
2. Review of Jail Records
Consists of reviewing reports and other documentation prepared by jail staff regarding the defendant's behavior while incarcerated. May include discussions with jail staff. Offense reports are reviewed and descriptions of behavior and circumstances surrounding the arrest are evaluated.
3. Interview with Defense Attorney
Designed to obtain information regarding the defendant's ability to consult with his attorney with a reasonable degree of rational understanding.
4. Report Preparation
Designed to provide the Judge, the State, and the Defense Attorney with the results and recommendations of competency evaluation.
5. Court Testimony
Designed to allow the findings of the competency evaluation to be introduced to the jury. Includes giving the State and the Defense Attorney the opportunity to cross-examine the Psychologist/psychiatrist regarding the results of the competency evaluation.
6. Follow up Psychological/ Psychiatric Evaluations
When conflicting or unclear information is obtained, it is sometimes necessary to re-interview the defendant in order to provide an accurate evaluation and recommendation.
7. Interview with Family Members
Designed to obtain information about the defendant's mental health history when necessary.

8. Travel to Del Valle Facility
Additional cost to be added into fees for the cost of travel to and from the Del Valle facility.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Federal Executive Order 12549 requires Travis County to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors.

In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification, the contractor/potential contractor accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government or Travis County may pursue available remedies, including suspension and/or debarment.
2. The potential contractor shall provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principle," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549.
4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by a federal department or agency, and/or Travis County, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract? ___YES ___NO

5. The potential contractor further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts "without modification, in all covered subcontracts"; and in solicitations for all covered subcontracts.
6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts authorized under paragraph 4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, any federal agency and/or Travis County may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Indicate in the appropriate box which statement applies to the covered contractor/potential contractor:

The contractor/potential contractor certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency, the State of Texas, or Travis County.

The contractor/potential contractor is unable to certify to one or more of the terms in this certification. In this instance, the contractor/potential contractor must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.
