Prepared By: David Greear **Phone #:** (512) 854-7650

Division Director/Manager: Donald W. Ward, P.E, Assistant Public Works Director, Road and Bridge

Department Head: Steven M. Manilla, P.E., County Executive-TNR

Sponsoring Court Member: Commissioner Davis, Precinct One

AGENDA LANGUAGE: Receive comments regarding the temporary closure of Johnson Road in Precinct One to reconstruct the roadway beginning October 15, 2014, and continuing through December 31, 2014, or until construction is completed.

BACKGROUND/SUMMARY OF REQUEST:

Johnson Road has been selected by our Pavement Management team for reconstruction needs. The roadway will be reconstructed down to a depth of 25 inches with cement stabilized base material and subsequent layers of asphaltic overlay.

STAFF RECOMMENDATIONS:

Staff recommends closing Johnson Road to through traffic for this construction. Residents who live along Johnson Road will be provided local access to their property. This recommendation is made in accordance with Chapter 251 of the Transportation Code.

ISSUES AND OPPORTUNITIES:

This road closure is necessary due to the depth of the roadway that has to be removed. This closure will require a one mile detour of all through traffic. Local traffic will still have ingress/egress to their individual properties.

FISCAL IMPACT AND SOURCE OF FUNDING:

This closure will require some work by Travis County road maintenance crews to post public notices and necessary detour routing signs at the site.
