MEMORANDUM

TO: Commissioners Court

FROM: Mark Saws, Major, Administration & Support

SUBJECT: Del Valle Community Fitness Course

The Travis County Sheriff's Office is requesting funding assistance of \$8,961 to complete a Community Fitness course located off of FM 973 north east of the TCSO Training Academy main building.

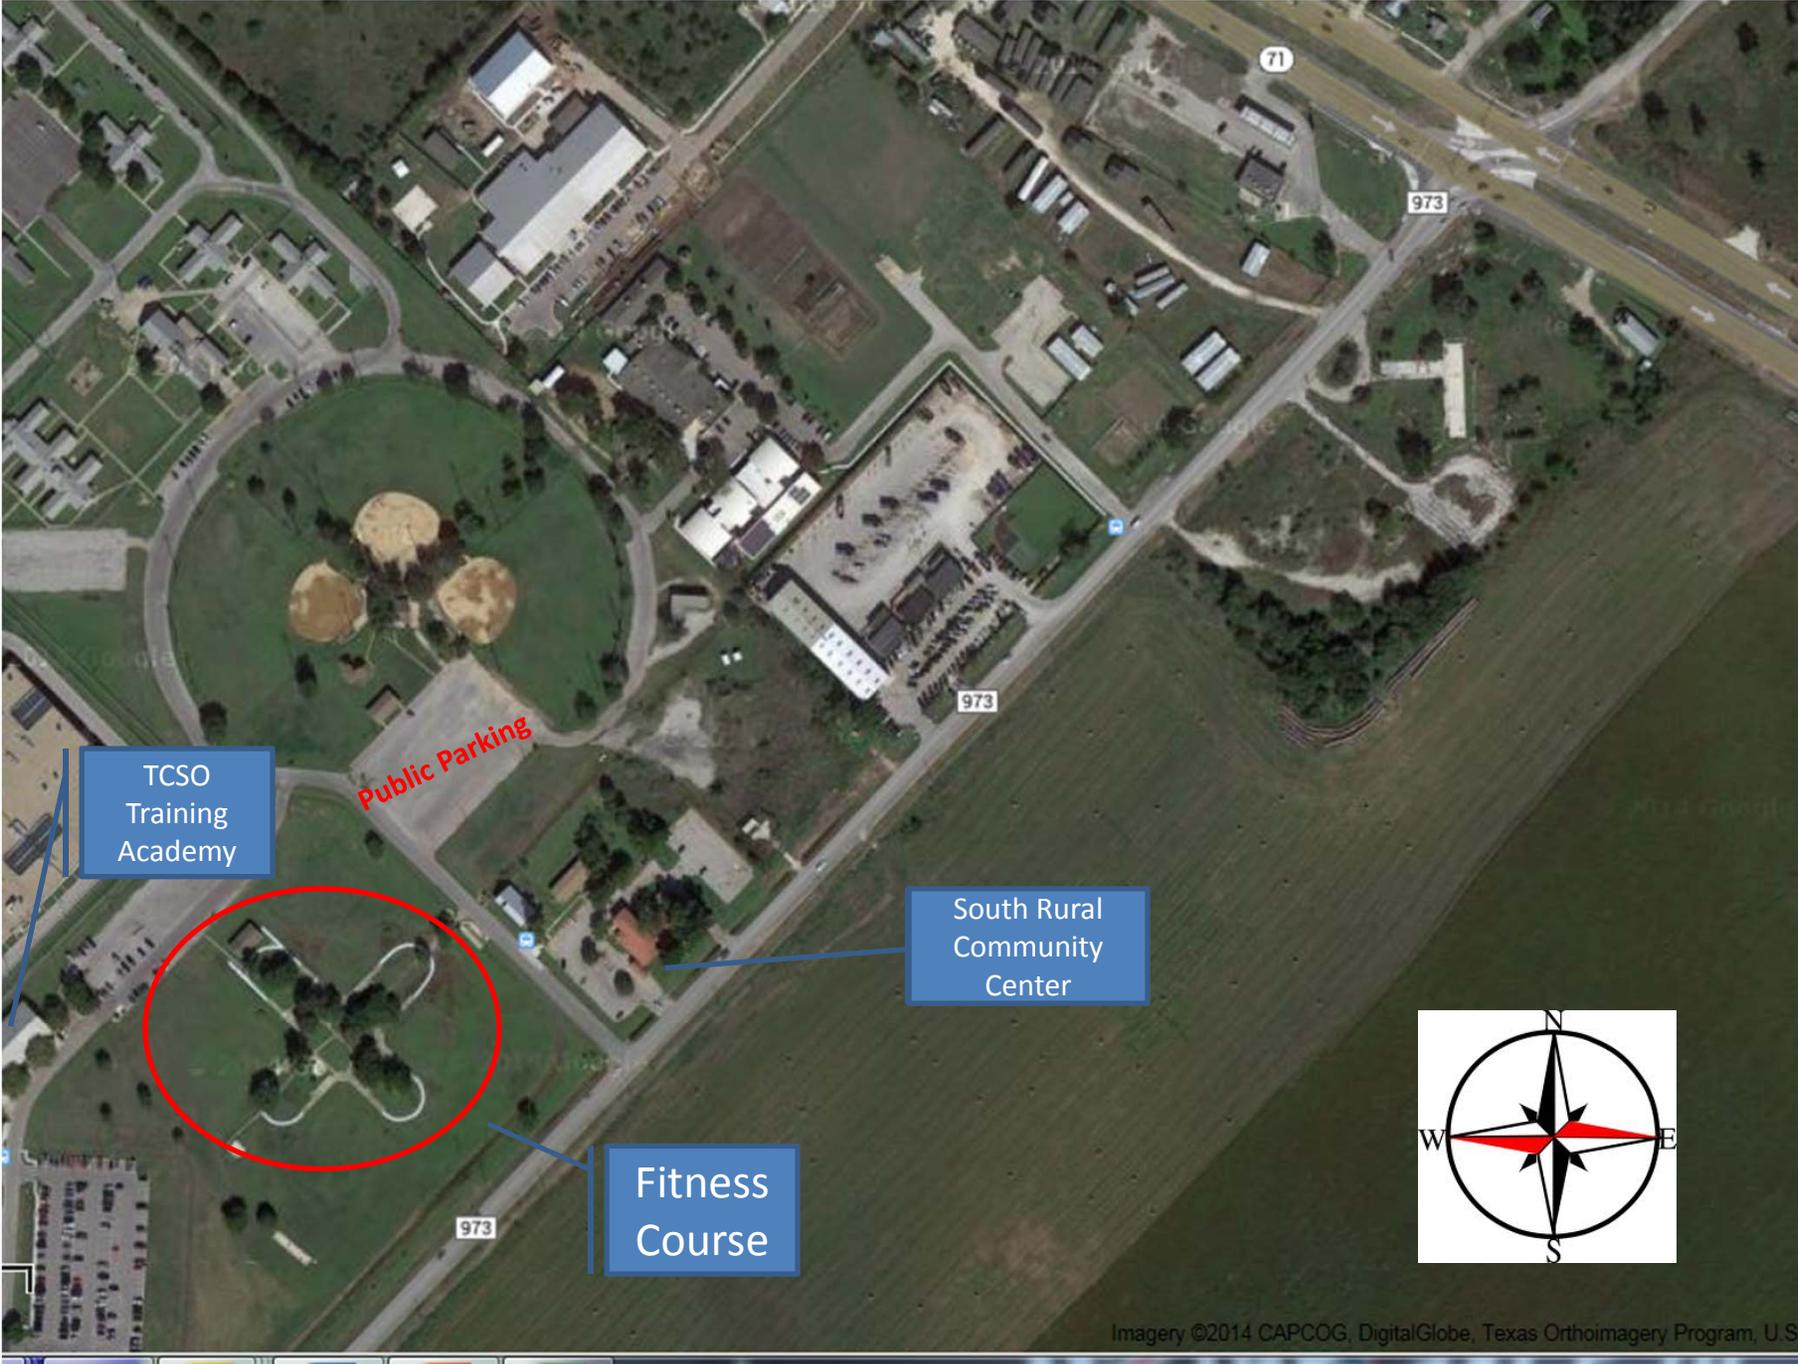

The Sheriff's Office Marketable Skills program has already constructed a quarter-mile cloverleaf fitness track. The funding would provide for the purchase of outdoor exercise equipment that would be stationed strategically around the track to allow the users to get a total body workout.

Attached are pictures of the types of equipment that we would like to purchase and a map showing the location of the cloverleaf course that already exists. The intent is for the course to be available to the public with equipment to be maintained by the TCSO Marketable Skills.

We appreciate the opportunity to work with the Commissioner's Court to make this available to the citizens of Travis County and in an area of the county where this kind of equipment is currently unavailable.

If you have any questions please feel free to contact my office at 854-9758.

Your support and approval of funding for this project is appreciated.
