2015 Renewal Term Public Policy Requirements

Acknowledgement of Federal Funding

As required by U.S. Department of Health and Human Services (HHS) appropriations acts, all HHS recipients must acknowledge Federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal funds. Recipients are required to state (1) the percentage and dollar amounts of the total program or project costs financed with Federal funds and (2) the percentage and dollar amount of the total costs financed by nongovernmental sources.

Activities Abroad

HHS recipients must ensure that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

Age Discrimination Act of 1975

The Age Discrimination Act of 1975, 42 U.S.C. 6101 *et seq.*, prohibits discrimination on the basis of age in any program or activity receiving Federal financial assistance. The HHS implementing regulations are codified at 45 CFR part 91.

Civil Rights Act of 1964 (Title VI)

Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d *et seq.*, provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The HHS implementing regulations are codified at 45 CFR part 80.

Confidentiality of Patient/Client Records

Section 543 of the PHS Act, 42 U.S.C. 290dd-2, requires that records of substance abuse patients be kept confidential except under specified circumstances and purposes. The covered records are those that include the identity, diagnosis, prognosis, or treatment of any patient maintained in connection with any program or activity relating to substance abuse education, prevention, training, treatment, rehabilitation, or research that is conducted, regulated, or directly or indirectly assisted by any department or agency of the United States. This requirement is implemented in 42 CFR part 2.

Controlled Substances

Grantees are prohibited from knowingly using appropriated funds to support activities that promote the legalization of any drug or other substance included in Schedule I of the schedule of controlled substances established by section 202 of the Controlled Substances Act, 21 U.S.C. 812. This limitation does not apply if the recipient notifies the GMO that there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine therapeutic advantage.

If controlled substances are proposed to be administered as part of a research protocol or if research is to be conducted on the drugs themselves, applicants/recipients must ensure that the DEA requirements, including registration, inspection, and certification, as applicable, are met. Regional DEA offices can supply forms and information concerning the type of registration required for a particular substance for research use. The main registration office in Washington, DC, may be reached at 800-882-9539. Information also is available from the National Institute on Drug Abuse at 301-443-6300.

Education Amendments of 1972 (Title IX)

Title IX of the Education Amendments of 1972, 20 U.S.C. 1681, 1682, 1683, 1685, and 1686, provides that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance. The HHS implementing regulations are codified at 45 CFR part 86.

Hatch Act

The Hatch Act restricts political activity of executive branch employees of the federal government and District of Columbia government employees (5 U.S.C. 7321–7328) and State or local officers or employees (5 U.S.C. 1501–1528). “State or local officer or employee” means an individual employed by a State or local agency whose principal employment is in connection with an activity that is financed in whole or in part by loans or grants made by the United States or a Federal agency. (Certain State educational or research institutions are excluded from this definition.)

Health Insurance Portability and Accountability Act (HIPAA)

The “Standards for Privacy of Individually Identifiable Health Information” (the Privacy Rule) implement the Health Insurance Portability and Accountability Act (HIPAA) of 1996, 42 U.S.C. 1320d *et seq.*, which governs the protection of individually identifiable health information. The Privacy Rule is administered and enforced by HHS’s OCR and is

codified at 45 CFR parts 160 and 164. Not all HHS recipients are subject to the Privacy Rule. The Privacy Rule applies only to "covered entities," as defined by the rule, which include health plans and most health-care providers.

The OCR Web site (<http://www.hhs.gov/ocr/hipaa>) provides information on the Privacy Rule, including the complete text of the regulation and a set of decision tools for determining whether a particular entity is subject to the rule. An educational booklet, *Protecting Health Information in Research: Understanding the HIPAA Privacy Rule*, is available through OCR's Web site and at <http://privacyruleandresearch.nih.gov/>. That Web site also includes other educational materials approved by OCR and the HHS Office of the General Counsel.

Limited English Proficiency

Recipients of Federal financial assistance must take reasonable steps to ensure that people with limited English proficiency have meaningful access to health and social services and that there is effective communication between the service provider and individuals with limited English proficiency. To clarify existing legal requirements, HHS published "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons." This guidance, which is available at <http://www.hhs.gov/ocr/lep/revisedlep.html>, provides a description of the factors that recipients should consider in determining and fulfilling their responsibilities to individuals with limited English proficiency under Title VI of the Civil Rights Act of 1964.

Pro-Children Act

The Pro-Children Act of 1994, 20 U.S.C. 7183, imposes restrictions on smoking in facilities where federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity. Any questions concerning the applicability of these provisions to an HHS grant should be directed to the GMO.

Rehabilitation Act of 1973 (Section 504)

Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, as amended, provides that no otherwise qualified handicapped individual in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. These requirements pertain to the provision of benefits or services as well as to employment. The HHS implementing regulations are codified at 45 CFR parts 84 and 85.

Resource Conservation and Recovery Act

Under RCRA (42 U.S.C. 6901 *et seq.*), any State agency or agency of a political subdivision of a State using appropriated Federal funds must comply with 42 U.S.C. 6962. This includes State and local institutions of higher education or hospitals that receive direct HHS awards. Section 6962 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by EPA (40 CFR parts 247–254).

Restriction on Abortions

HHS funds may not be spent for an abortion.

Restriction on Distribution of Sterile Needles

Funds appropriated for HHS may not be used to carry out any program of distributing sterile needles or syringes for the hypodermic injection of any illegal drug.

Uniform Relocation Assistance and Real Property Acquisition Policies Act

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (the Uniform Relocation Act), 42 U.S.C. 4601 *et seq.*, applies to all programs or projects undertaken by Federal agencies or with Federal financial assistance that cause the displacement of any person.

The HHS requirements for complying with the Uniform Relocation Act are set forth in 49 CFR part 24. Those regulations include uniform policies and procedures regarding treatment of displaced people. They encourage entities to negotiate promptly and amicably with property owners so property owners' interests are protected and litigation can be avoided.

U.S. Flag Air Carriers

Recipients must comply with the requirement that U.S. flag air carriers be used by domestic recipients to the maximum extent possible when commercial air transportation is the means of travel between the United States and a foreign country or between foreign countries. This requirement must not be influenced by factors of cost, convenience, or personal travel preference. The cost of travel under a ticket issued by a U.S. flag air carrier that leases space on a foreign air carrier under a code-sharing agreement is allowable if the purchase is in accordance with GSA regulations on U.S. flag air carriers and code shares (see http://www.gsa.gov/gsa/cm_attachments/GSA_DOCUMENT/110304_FTR_R2QA53_0Z5RDZ-i34K-pR.pdf). (A code-sharing agreement is an arrangement between a U.S. flag carrier and a foreign air carrier in which the U.S. flag carrier provides passenger service on the foreign air carrier's regularly scheduled commercial flights.)

USA Patriot Act

The Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT Act) amends 18 U.S.C. 175–175c. Among other things, it prescribes criminal penalties for possession of any biological agent, toxin, or delivery system of a type or in a quantity that is not reasonably justified by a prophylactic, protective, bona fide research, or other peaceful purpose. The act also establishes restrictions on access to specified materials. “Restricted persons,” as defined by the act, may not possess, ship, transport, or receive any biological agent or toxin that is listed as a select agent (see “Public Health Security and Bioterrorism Preparedness and Response Act”).

Public Health Security and Bioterrorism Preparedness and Response Act

The Public Health Security and Bioterrorism Preparedness and Response Act of 2002, 42 U.S.C. 201 Note, is designed to provide protection against misuse of select agents and toxins, whether inadvertent or the result of terrorist acts against the U.S. homeland, or other criminal acts (see 42 U.S.C. 262a). The act was implemented, in part, through regulations published by CDC at 42 CFR part 73, Select Agents and Toxins. Copies of these regulations are available from the Import Permit Program and the Select Agent Program, respectively, CDC, 1600 Clifton Road, MS E-79, Atlanta, GA 30333; telephone: 404-498-2255. These regulations also are available at <http://www.cdc.gov/od/ohs/biosfty/shipregs.htm>.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Was this page helpful?

NO

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through

1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

The Pro-Children Act of 2001, 42 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where Federally-funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

and Veterans Service

SUBJECT: Contract renewals

Proposed Motion:

Consider and take appropriate action to approve start dates for certain TCHHSVS contract renewals that have been drafted but are still in the process of being reviewed either by the vendor, a third party (ATCIC or the City of Austin) or one of the various county departments involved in the contracting process and will not be completed in time to be posted on the 9/30/14 Commissioners Court agenda. Final approval of the contracts will be based on the submitting of final documents to the Commissioners Court upon completion and execution by other parties.

Summary and Staff Recommendations:

1) Encompass Medical Management, Inc.
Contract Number: 4400000683
Contract Period: 9/30/14 – 9/29/15
Contract Amount: \$45,000

This contract is funded through the Parenting in Recovery (PIR) grant and provides database management and program evaluation for the PIR project. TCHHSVS is

waiting for the approval of a no-cost extension request that will fund the 9/30/14 – 9/29/15 grant year. The grantor has indicated that it will be late September or early October before a decision is made. While TCHHSVS fully expects to receive approval, it will not execute this contract if the grant funds are not awarded.

2) ATCIC SAMSO

Contract Number: 4400000372
 Contract Period: 10/1/14 – 9/30/15
 Contract Amount: \$1,277,720

Travis County, the City of Austin and Austin Travis County Integral Care (ATCIC) have a three-way interlocal agreement for the provision of substance abuse treatment services. Under the agreement, ATCIC manages a network which provides comprehensive clinical assessment, intervention services, residential treatment, day treatment, detoxification, and outpatient and continuing care services. Clients are linked or referred to case management and other support services as part of the treatment process.

There is \$881,799 in the FY'15 TCHHSVS budget for this contract. The City of Austin is expected to contribute \$310,921 but has not yet confirmed this amount. The Parenting in Recovery (PIR) grant will contribute \$134,599 if the TCHHSVS request for a no-cost extension of the grant is approved. While TCHHSVS expects to receive approval of the no-cost extension request for the PIR funds, this money will be taken out of the contract if the extension is not approved.

3) ATCIC System of Care

Contract Number: 4400000374
 Contract Period: 10/1/14 – 9/30/15
 Contract Amount: \$707,352

TCHHSVS uses a contract with ATCIC to fund a variety of programs, known as the System of Care, for children and their families experiencing mental and behavioral challenges. ATCIC acts as the managed services organization, overseeing the services provided by a network of vendors.

The FY'15 contract has money from the following sources:
 \$675,000 in General Fund money;
 \$32,352 from the Milburn Trust.

4) ATCIC Main

Contract Number: 4400000375
 Contract Period: 10/1/14 – 9/30/15
 Contract Amount: \$1,453,014

Under this Interlocal, ATCIC is required to serve as the lead in assessment, planning, and evaluation functions relative to mental health, intellectual/developmental disabilities, and substance abuse services in support of the Community Action Network process.

ATCIC also is responsible for the provision of certain mental health and intellectual/developmental disability services, either as a direct provider or through subcontracts with other providers, for the priority populations defined by the Texas Department of State Health Services. The priority populations include adult diagnoses of schizophrenia, bi-polar disorder or clinically severe depression and children with severe and persistent mental illness, including those with current or previous involvement in the criminal justice system.

5) ATCIC Child Therapist

Contract Number: 4400001018

Contract Period: 10/1/14 – 9/30/15

Contract Amount: \$78,214

Also funded through the TCC grant, this contract funds 100% of a Child Therapist position at ATCIC. The therapist works with children whose parents are involved with the Travis County Family Drug Treatment Court. The grant funds for this contract are in place.

6) City/County, Public Health Interlocal Agreement

Contract Number: 4400001726

Contract Period: 10/1/14 – 9/30/15

Contract Amount: \$3,122,526.

Contract provides thirteen different health related programs for Austin and Travis County residents. Services include: Community Health Improvement Planning, Chronic Disease Prevention and Control, Communicable Disease Prevention, Environmental Health Services, Epidemiology and Surveillance, Health Authority, Immunizations, Injury Prevention, Office of Vital Records and more.

7) City/County, Animal Services Interlocal Agreement

Contract Number: 4400001169

Contract Period: 10/1/14 – 9/30/15

Contract Amount: \$1,115,472

Contract provides animal control services including rabies and dispatch to the unincorporated areas of Travis County. Also provides prevention services, shelter services and spay and neuter clinics.

TCHHSVS staff recommends approving these renewals.

Budgetary and Fiscal Impact:

This information is included with each contract listed above.

Issues and Opportunities:

Once drafted by the Travis County Attorney's Office, these contracts are reviewed by TCHHSVS, the vendor, the City of Austin in the case of ATCIC SAMSO, the Travis

County Auditor's Office and the Travis County Purchasing Office. The review process can take several weeks or even months depending on the complexity of the contract and response time of other parties.

The services provided by these contracts need to be continued while the drafts are reviewed. Those contracts funded solely by PIR grant money will not be executed if the no-cost extension for the grant is not approved. Those contract partially funded by PIR money will have that funding removed from the contract if the no-cost extension is not approved.

Background:

TCHHSVS is working with all parties concerned to get these contracts reviewed and executed as soon as possible.
