Clerk's Note: The Court did not take a Vote on the Standing Motion.

A Revised Motion was offered by Commissioner Sonleitner **and seconded by** Commissioner Bristol to move the “parking lot” with the provision that the spot reconstruction crew come out of Road and Bridge and that an equal amount of money that is needed for the spot reconstruction crew be pulled out from umbrella, General Fund monies.

A Clarification was made of the previous Motion by Judge Aleshire that staff move salaries out of the Road and Bridge Fund, from the Common Management Function Division to the General Fund, which will have a net cost of approximately \$910,000.00. The effect on the General Fund is all Operating, not Capital, because it is not salaries. Approximately \$691,000.00 worth of salaries will hit the General Fund. All except \$41,430.00 will hit the General Fund salary side, and \$41,430.00 will hit the Capital side. Added to the Operating or Personnel side of the General Fund, will be \$691,968.00. In addition to that, the rest of the items listed in the “parking lot” (Revised CPS Request -- \$113,060.00; Microsoft Project Software -- \$5,000.00; Substance Abuse Counselor -- \$23,308.00; and 1 FTE Investigator -- \$36,585.00) will hit the balance in the General Fund, with \$41,430.00 hitting the Capital in the General Fund. After these salaries are deducted from the Road and Bridge Fund, added to the Road and Bridge would be \$330,968.00 for Road and Bridge Operations, and \$361,000.00 for Capital.

Motion carried:	Precinct 1, Commissioner Samuel T. Biscoe	-	yes
	Precinct 2, Commissioner Karen Sonleitner	-	yes
