6 EXPLANATION OF CORRECTION

I was unable to locate my campaign treasurer yesterday, and she had the records of all the deposits to date. The contributions I did not have records for yesterday were deposited on 1/28/2008, which is after 1/24/08, so I am not even sure that I was supposed to include this deposit in this report, particularly as a number of these contributions were not received until after 1/24/08. However, out of an abundance of caution, I have decided to err on the side of being overly inclusive. So I'm including information that is not required until the next report, as well as information I should have included but did not because I did not have the records in front of me. This is my first run for office, so I apologize for the inconvenience.
