RE: Campaign Finance Report

Dear Judge Bass,

The envelope containing your Candidate/Office Holder Campaign Finance Report was hand-delivered to our office today by an employee of the Travis County Tax-Assessor Collector's Office.

The Tax Office originally received this letter from our office. It was mistakenly included in a stack of requests for voter registration that were sent to our office in error. We then hand-delivered what we thought were just voter registration requests to the Tax Office. The Tax Office states they did not find the envelope until today because it was grouped with mail that had come in after the November voter registration deadline. A statement from their office is attached.

We are recording a copy of this letter along with the envelope postmarked on October 7, 2014 from the Bass for Texas Committee and the two-page Candidate/Office Holder Campaign Finance Report that was enclosed. A copy of this information is attached.

We sincerely apologize for this error and any inconvenience this may have caused. If you have any questions, please contact me at 512-854-4728.

Sincerely,

A handwritten signature in black ink that reads "Michael Winn".

**Subject:** Mail Piece

Michael,

My office received a large amount of mail close to the voter registration deadline of October 6, 2014. Mail was received by both the USPS and the County Clerk's office. Our customers routinely submit mail to both divisions when attempting to either register to vote or to apply for a ballot by mail. Since the mail piece was received with a postmark after the deadline, it was batched with similar mail to be processed after the timely registrations are completed.

This morning, Monica Reyna, Tax Specialist with the Voter Registration division, began processing the late mail and discovered a letter addressed to the Travis County Clerk. Monica personally delivered the mail piece to the County Clerk Elections division.

Let me know if you have questions or would like further information.
